The name of this body is the "Mount Zion Baptist Association."

### Article II PURPOSE

It shall be the purpose of the Association to cooperate with the State and Southern Baptist Conventions in the promotion of Christian Missions at home and abroad, and in any other related objects such as evangelism, Christian education, benevolent enterprises, and social services which it may deem proper and advisable for the furtherance of the Kingdom of God.

### Article III MEMBERSHIP

SECTION 1. The Association shall be composed of cooperating Baptist churches in the area of the Association.

## BOOK OF REPORTS

### REPORT ON NORTH CAROLINA BAPTIST COLLEGES

You will note that in giving a title to this report it has been defined as "Report on North Carolina Baptist Colleges." Such terms as "Christian Education," "Christian Higher Education," and "Baptist Colleges" are in common usage today. They are not exactly synonymous. We usually refer to Christian education in the broader sense, denoting every type of training and activity which we provide in our homes, churches, communities, schools, colleges, and seminaries for the purpose of Christian growth.

Our goal then should be to provide our children from very birth with an environment that is totally Christian.

Such a concept requires that we make the training in our homes and churches Christian in every aspect as we prepare our youth for college. Many difficulties and failures in college could be solved and overcome if in the earlier years young people were spiritually prepared. It is, therefore, imperative that the home, the church, and the college work in closest cooperation as a team, each fulfilling its particular responsibility.

But in this report we are more directly concerned (as the title indicates) with the role and ministry of our seven Baptist colleges -- Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest, and Wingate.

It should be pointed out that in our homes and churches we are working almost entirely with boys and girls who are Baptist. Here we can present a Baptist witness with the sole purpose of indoctrination as well as of a Christian emphasis. We are, however, dealing in our colleges with a fine group of students from other than the Baptist denomination; therefore, the work in our colleges requires a somewhat different approach. The whole program of the Christian college must have a sound academic base, furthermore resting upon and permeated by an unapologetic Christian philosophy. This Christian perspective calls for an openness and unhindered investigation of truth in the light of divine revelation. In no respect will this emphasis be harmful to the academic standards; in fact, such may well be an academic asset.

We are not satisfied to be only a good college, nor even a good CHRISTIAN college. There must be the added characteristics which are distinctive to the Baptist faith. Herein is our reason for being. Our colleges should offer opportunity for a thorough study of Baptist history and doctrine to all its students. Perhaps such courses should be required by those who are in training for church-related vocational services.

State colleges, by their very nature, work under certain restrictions which prevent them from doing this task. Of all people, Baptists do not expect the state to teach religion in any form. We have said throughout our history that this is the responsibility of the church. Our state colleges must deal with the so-called secular emphasis in life, having education for education's sake as their goal. Into this vast sea of secular education, Baptists with our homes, churches, and colleges must witness to our faith as it relates not only to the means but also to the ultimate ends of life.

With this general concept of the Baptist college, our forefathers set about to provide colleges where Christian education would be provided not only for ministers and other church leaders, but for leadership in all areas of social activities. For more than seventy-five years after the opening of Wake Forest College, her presidents and supporters often opposed any colleges being operated by the state. Evidently, these men foresaw what has happened with much of higher education in America today. With a secular state providing a secular education we are rapidly losing the early Christian education emphasis. Unless something is done quickly to change this trend in America, we can find little hope for our churches and our Christian homes. North Carolina Baptists have been pioneers in this effort to preserve Christian education. These efforts have met opposition from many sources, often from those who would be expected to be their strongest supporters. The struggle for these colleges as the hope of providing Christian education for young men and women must never stop if our Baptist people wish to have a significant role in shaping the kind of world we are to have. As go these Christian colleges, so will go our homes and our churches. There can be no Christian homes and churches in today's world when we cease to provide Christian education in Christian colleges.

The principal characteristic of a Christian college is to be found in the men and women who constitute its personnel--not in buildings and subject matter, or other non-personal features. These people in our colleges constitute the very fabric into which every worthwhile experience must be woven. These are the people who are determining largely the kind of Baptist denomination we shall have in the future. It is becoming increasingly difficult each year to secure these dedicated and well-trained people to work and teach in these colleges. They are given no special considerations in costs of living or preparation for this work, but they must be willing to accept these responsibilities with salaries much lower than those paid in public schools and colleges. As Baptists, we must give serious thought to this important matter of providing people for operating our colleges. Perhaps we should make it possible for our most capable and promising young people to continue their education and prepare to become our teachers and leaders of tomorrow.

Now let's look at the young people who are living in these seven college communities for the greater part of each year. There are approximately 8,000 regular students enrolled, with another 2,000 who do special work and come for summer school. Two-thirds of these are Baptist young people and the other third young people of other denominations. We are happy to help this group from the other churches because three-fourths of all Baptist youth in college are in other than Baptist colleges. We must never forget that three out of every four Baptist youth in college must look to some college other than our seven Baptist colleges, and we are deeply concerned for their welfare also. This is why we must be careful to continue to provide a good ministry through the Baptist Student Union in all colleges along with and in addition to the work in our Baptist colleges. Also, we should never place requirements on those students of other denominations in our seven colleges which we would not want imposed on our Baptist youth attending other than Baptist colleges. These are important matters which are often overlooked by critics of our Baptist colleges. Of the Baptist students attending one of our seven colleges, ONE OUT OF EIGHT students is preparing either for the ministry or some other church-related vocation. Here we find our Baptist seed corn for the kind of Baptist harvest we may expect to reap in the future.

The annual operating budgets of these seven colleges--Wake Forest, Meredith, Campbell, Chowan, Gardner-Webb, Mars Hill, and Wingate, total between eleven and twelve million dollars. Students pay some over half of this total and Baptists through the Cooperative Program this last college year paid about five per cent of the operating costs. In addition to these two sources, students and Baptists, other sources provided nearly one-half the operating costs. Other sources include endowment income, net earnings from such auxiliary enterprises as dormitories, dining room, student center, etc. In addition to these costs for operation, the seven colleges are spending several million dollars each year in expanding and improving their physical plants and equipment. For the last ten years our Baptist people have provided an average of \$500,000 each year to help with these capital outlay costs.

In these financial matters we have heard much discussion in recent years. The special Convention Committee of 21 members brought its report to the special session in Greensboro on May 4, and all the report and actions taken relate to this matter of trying to help these seven Baptist colleges meet the growing needs of these young people. The proposals of the Committee and the recommendations adopted by the Convention are aimed at helping in both operating costs and capital outlay or plant costs. The operating needs would be helped by freeing all the regular Cooperative Program funds for operation only, which would almost double the present five per cent, or give the colleges some \$1,200,000 each year to aid in operation. The special Convention approved this idea by adopting a Program of Advance for the next three

years, 1962-64, through the Cooperative Program. The carrying out of the proposed program in full will give the colleges in the next three years more than \$8,000,000 for plant expansion and improvements and nearly \$1,000,000 for new student centers in other colleges for our Baptist youth. Also, the colleges are urged to continue their special fund raising efforts from every source other than in the Baptist churches. At no time in their history has there been greater interest in the importance of the work of these colleges among out Baptist people and all of us should join in this significant undertaking. As Baptists, we have different opinions as to how we may best proceed to do our work, but of greatest importance is the fact that we recognize the needs and set about doing something to meet them. Now what can you do to help?

- (1) Be informed and concerned. Read about our colleges, visit them, become acquainted with the administration, faculty, and students.
- (2) Encourage your best students to attend.
- (3) Pray for these schools.
- (4) Support the Cooperative Program, especially the Program of Advance.
- (5) Promote and support Christian Education Day in your church.

For fifteen years North Carolina Baptists have coordinated the work of their colleges through a Council on Christian Education in our Baptist State Convention. This Council consists of representatives of our colleges, the General Board, and our Convention officers. Throughout these fifteen years Claude F. Gaddy has been the executive secretary. Last January he announced his plans to retire from this position and did so on July 31, 1961. In its July meeting, the Council on Christian Education recommended the election of Mr. A. Harold Cole as its executive secretary and the General Board officially elected Mr. Cole. For four years he has served as director of our Department of Baptist Student Work in our Convention and comes to this new position well prepared and as no stranger to North Carolina Baptists.

Haven C. Lowe

## REPORT ON AUDIO-VISUALS

Needless to say, great teaching is done and much learning is acquired through the educational medium of audio-visual aids. The churches in this Association have used this medium during the past year more than ever before.

At the Associational level of teaching and training during the past year, films and filmstrips were used as a primary source in Training Union and Sunday School Clinics. One of the best weeks in the Association for realizing the value of audio-visual materials was during the Associational School of Missions in September. Not only did many of the missionaries have slides from their respective mission fields, but at the same time we were privileged to have skilled audio-visual workers in many of our churches showing films and filmstrips. At the same time they passed on much of the "know how" as to how to have a good audio-visual program.

It has been the privilege of this committee during the past year to do basically four things:

- (1) To encourage the churches to use the free audio-visual library at the state office in Raleigh.
- (2) To acquire films from Raleigh for churches in this Association.
- (3) To encourage as many churches, when possible, to use Southeastern Seminary students working in the Association as a liaison for obtaining films and film-

- strips, records and tapes from the library at Southeastern.
- (4) To acquire films and filmstrips from the Seminary for use by churches in this Association.

Respectfully submitted,  
Douglas Farmer, Chairman

## REPORT ON BROTHERHOOD WORK

The minutes of the Associational year ending September 30, 1960 indicated that there were seventeen churches in Mount Zion Association with an organized Brotherhood with a total of 560 men enrolled. There were twenty-five churches that reported no Brotherhood. In the Royal Ambassador program, there were seventeen Junior Chapters with 211 boys enrolled and eight Intermediate Chapters with forty boys enrolled.

With forty-two churches in the Association and only seventeen churches with organized Brotherhood and R. A. Programs, we can easily see that there is much work to be done in this very vital local church program. Here is a vast untapped resource for churches--organizing the men of the church into a Brotherhood program whereby invaluable lay leadership can be tapped for the total program of the church. Here is a resource that every church could use. A Brotherhood provides learning opportunities, enriched fellowship, challenges men to service in the area of personal stewardship, Christian witness, world mission and R. A. leadership.

A great deal of help in the organizing and promoting of Brotherhood and R. A. activities is available from the associational and from the state level of our Convention work. It is very vital to the growth of a church that this resource be used to its fullest potential. A church without a Brotherhood organized should make plans immediately to organize their men to service. Churches that now have a Brotherhood should enlist more men and make its program more effective. It is my hope that during the next Associational year our pastors and lay leaders will exercise effort to organize Brotherhood in churches where there is no present organization and to strengthen existing organization both in Brotherhood and R. A. programs.

## REPORT OF THE ASSOCIATIONAL MISSIONS COMMITTEE

The Missions Committee met twice during the past year. At the first meeting the Committee was divided into sub-committees. They are as follows:

1. Administration and Finance
2. Missionary Planning
3. Institutional and Interracial

Some areas which offer a challenge to us for a Baptist work were mentioned.

As a result of the second meeting, the Missionary Planning Committee met and looked over one of the areas where there is the possibility of starting a new work. A survey of this area is in the making. The Chairman of the Committee, along with our Associational Missionary, drove over some of the areas which offer a challenge to us.

In view of all this, it is our earnest hope that each church will have a local

missions committee, and that a worthy goal can be set by the Association for the purpose of starting new work in areas where needed, and that each church will be challenged to increase their associational gifts so that our dreams may become realities.

## REPORT ON SUNDAY SCHOOL

There has been a growing interest on the part of our churches in the program of Associational Sunday School Work. There is a spirit of unity among our churches brought about, at least in part, by our working together toward a common purpose. The desire to help one another is a healthy sign of our moving toward Christian maturity. The Associational Sunday School program for last year consisted of the following:

1. A One-Night Planning Clinic was held for our Associational Sunday School Officers.
2. Two Associational Sunday School Conferences were held.
3. The Sunday School Workers from all the churches in our Association were invited to participate in the Sunday School Enlargement Campaign at Swepsonville Baptist Church.
4. A Vacation Bible School Clinic was held.

It is the desire of the Sunday School Associational Organization to help our churches in any way possible at the point of Sunday School work. Please feel free to call us about any matter at any time.

Respectfully submitted,  
W. T. Cockman

## REPORT ON NORTH CAROLINA BAPTIST HOSPITAL

Our Baptist Hospital continues to try to serve our people in the fullest measure.

possible. Last year it provided its largest number of days of hospital care and saw the largest number of patients in the Clinics -- 78,000 visits to the Out-Patient Clinics, from 96 of the 100 counties in the State, and 75,000 Private Clinic visits.

#### SOME OF THE NEWER SERVICES

The New Progressive Care Unit was opened in March, providing 80 beds for patients who do not require the more expensive and intensive care of the regular hospital. This is a new and advanced step in hospitalization and patients are highly pleased with it. The Hospital's one regret is that at the present time it does not have money necessary to open it to Service Patients.

A new type of unit for the sterilization of surgical and other equipment by gas was recently installed. This is more effective than the older methods used in the fight against infection, which is a constant problem in all hospitals. In the X-Ray Department a rapid film developer is now in use which greatly speeds the preparation of X-ray films.

One of the most recent additions is a Pastors' Library given by Mrs. Walter M. Williams of Burlington in memory of her noble Christian husband. All pastors and others are invited to ask about this excellent collection of religious books and to use it when they visit the Hospital.

#### THE MOST URGENT NEEDS

Among the many needs at our Baptist Hospital, there are some which are acute. One of the most pressing needs is a building to provide classrooms and other facilities for the eight schools operated by the Hospital. These schools are training urgently needed medical personnel and Christian workers in addition to doctors. They are badly limited and handicapped for lack of room.

The need for enlargement of the overcrowded and seriously limited Out-Patient Department, Children's Center, and Psychiatry section of the Hospital is urgent. The need is far beyond the present facilities in each of these departments.

The constant need for Mother's Day Funds for helping Service Patients bear the cost of their hospitalization grows more and more acute. We cannot emphasize too strongly the importance of this Fund and the need for our churches greatly to enlarge their Mother's Day Offerings.

A new opportunity to help meet this need is now open in the Service Patient Endowment Fund. This is a permanent endowment invested by the Hospital's Trustees with all of its proceeds being used for the help of Service Patients. Gifts in any amount can be made at any time. A gift can be made in one's own name, in memory of a friend, as a memorial to a loved one, or the Endowment can be placed in one's will. All gifts will be gratefully received, appropriately acknowledged, and a permanent record kept of each one. We hope you will think and pray about this and that many will take advantage of this opportunity.

Respectfully submitted,  
Bennett Walker

#### REPORT ON PUBLICATIONS

Have you ever stopped to think that God chose to use "writing" as His means of self-revelation to the world? He made known His nature and will to men through writing. Where would the world be today were it not for the divinely-written revelation, the Bible? Since God himself saw fit to use literature to reveal His will, as Christians we obviously have a divine plan to follow.

Even in this age of radio and television, all of us will admit that written material still holds first place in our learning process. We will also have to admit that worthy reading material is competing for precious time, not only with radio and television, but with countless articles in obscene and degrading literature. Also, many worthwhile periodicals and publications are overlooked because people are not aware of their value.

As we look at some of the material which is worthy of our support and promotion, our eyes naturally turn to our state Baptist paper, the BIBLICAL RECORDER, which has been a connecting link among Baptists for about 128 years. The CHARITY AND CHILDREN is a weekly publication which keeps us abreast of the news from the Children's Homes.

The periodicals of the Sunday School Board, of our mission boards, and our missionary organizations cannot be emphasized too much. The HOME LIFE magazine is an asset to any home. The COMMISSION and HOME MISSIONS magazines are exceptionally good in keeping the mission vision in focus. The CHURCH ADMINISTRATION and CHURCH RECREATION magazines are especially helpful to those busy people who care for the administrative and social life of the church.

An indispensable help for pastors and educational workers is THE CURRICULUM GUIDE. This volume gives the Sunday School and Training Union themes, VBS and music ministry emphases, free materials available, and special studies in every age group for the entire year.

As we realize that God has selected "writing" as one of our basic means of self-revelation, that "writing" is primary in our learning process, and that worthy materials has very strong competition--HOW CAN WE NEGLECT OUR RESPONSIBILITY IN SUPPORTING WORTHY LITERATURE?

Respectfully submitted,  
Frank D. Metcalf

## REPORT ON EVANGELISM

These are tremendous days in which we live. Billions are being spent for getting men to the moon, while comparatively little is spent for getting men to God. Multitudes sit in darkness and many in despair while the forces of darkness move constantly in a dedicated abandon toward their objectives. The number of hopeless people--hopeless because they do not know Christ--grows daily. The world's population is increasing by 48,000,000 per year. All religions are winning only 10,000,000 per year.

Many of these lost people live in the territory of our Association. They live near our churches. In regard to their need for God they have been deluded by the powers of darkness, and numbers of them disillusioned by the apathy and lack of dedication to Christ on the part of professed Christians. In this desperate day God's people must wake up to the fact that "business as usual" will not suffice. Surely this is the time for total dedication to Christ in His purpose of winning the multitudes to God.

To move forward we must start from where we are. Our association is the best launching place for new frontiers in evangelism and missions. Therefore, we recommend:

1. That we encourage ourselves in the Lord our God for the resurging interest

in evangelism across our Convention, continuously praying that God may work in us and through us to bring the revival we need.

2. That our Association participate in the "Baptist Jubilee Revivals" in 1962 through 1964. Our date for 1962 is March 25 - April 8.
3. That each church prayerfully and studiously consider participating in the Baptist Jubilee Revival, and that special emphasis in all revivals and week by week evangelism throughout the year be placed upon personal, face-to-face, heart-to-heart soul-winning and faithful teaching and preaching of the Gospel.
4. That all churches make full use of the Revival Plan Book for 1962 - 1964, supplied free to all pastors by the Division of Evangelism, Baptist State Convention. Reprints of portions of the book are available for members of the church councils.
5. That our Association recognize the elected associational officers as the evangelism committee, the Chairman of Evangelism to be the chairman of this committee, and that we pledge our wholehearted cooperation to this committee.
6. That we commit ourselves to the following outline of achievement for 1962:
  - I. CHAIRMAN OF EVANGELISM -- An evangelistic pastor elected to serve during associational year. Promotes perennial soul-winning in all churches. Serves as Chairman of Baptist Jubilee Revival Committee and Chairman of Evangelism Committee, which is composed of associational officers.
  - II. ASSOCIATIONAL EVANGELISM CLINIC -- Annual clinic devoting two sessions exclusively to evangelism. Seventy-five per cent of churches represented by pastors. Seventy-five per cent of churches with at least three members of their church councils present.
  - III. ANNUAL BAPTIST JUBILEE REVIVAL -- Eighty per cent of churches participating. Eighty per cent of churches observing same dates. Eighty per cent of churches with two consecutive weeks of evangelistic preaching.
  - IV. ALL CHURCHES CONDUCTING REVIVALS -- Each church conducting a minimum of one revival annually. Fifty per cent of churches conducting two revivals annually. Churches sponsoring missions revivals where needed.
  - V. EACH CHURCH WINNING AND BAPTIZING NEW MEMBERS -- Churches endeavoring to increase previous year's baptismal record. Seventy-five per cent of churches using the church council. Churches sustaining perennial evangelism and perennial spiritual growth programs.

Harvey Rumpfelt, Chairman

## REPORT ON BAPTIST CHILDREN'S HOME

The Baptist Children's Homes of North Carolina is a Christian agency providing love and care for more than 800 deserving boys and girls annually. These are dependent and neglected children who, for some reason, have found it necessary to live away from their homes.

Your child care ministry is child centered, Christ centered and church centered. It is based on the redemptive plan of God. These children have lost their parents through a number of ways. Workers use all the skills available, plus the help of God, to establish in these children trust in adults, trust in self and trust in God.

Boys and girls live at Mills Home, Kennedy Home, and Odum Home. One hundred twenty-five children live in Christian Foster Homes throughout the state. Some mothers who have lost husband and father receive financial grants in the home which

enables them to keep and care for their own children. Well trained case workers are spending an increasing amount of time working with and strengthening families.

It became necessary during the past year to reduce the number of children in Foster Home care by 35 boys and girls. At one time we were caring for 162 children in Foster Homes. We now have 127. This trend can be changed only as we have additional income. Many types of service to children in need are being delayed for lack of money.

Our financial support for this year has come from the following sources:

Thanksgiving Offering	33 Per cent
Cooperative Program	32 Per cent
Once a Month Offerings	18 Per cent
Special Gifts and Endowment	17 Per cent

Members of the Board of Trustees, members of the staff and our boys and girls wish to thank you for your generous support. You have given these children love, food, clothing, shelter, schooling, medical care, recreation, guidance, music and hundreds of other benefits.

One third of our support comes at Thanksgiving time. The Thanksgiving offering goal for 1961 is \$400,000.00. Help this to become a reality!

You may stay informed about the child care program throughout the year by reading CHARITY AND CHILDREN. This newspaper is published each week by the Baptist Children's Homes. It is now in its 75th year and circulation is higher than ever before--well over 52,000. Every family in every church should receive this Christian newspaper.

## REPORT ON THE WORK OF THE AMERICAN BIBLE SOCIETY

Without the Bible our mission efforts would die soon after they are initiated. The Bible is the essential tool of missions and evangelism. The Bible itself is a missionary. It can go where the human missionary is not allowed to go. It can stay on after he must leave, continuing its message to the individual's heart and through him, to others close by. However, in many lands the people cannot afford even the cost of printing the Scriptures.

The American Bible Society helps the missionaries to translate the Bible. It publishes without note or comment and distributes without profit, usually below cost. In cases of special need, at home and abroad, many Scriptures are given without charge. The Bible Society is an active partner of Southern Baptists and serves in every form of Southern Baptist work around the world.

Following are some outstanding contributions made to the points of need during 1960:

Some part of the Bible has been published in 1165 languages: the full Bible in 221, a Testament in 277 more and a Gospel or other complete book in 667 more.

Gave over a million volumes for distribution by Chaplains to our Armed Forces and Veterans' Hospitals, as a vital link between the home churches and men in service.

Observed its 125th anniversary of supplying Scriptures for the Blind, far below cost, in Braille and other raised-letter systems and on Talking Book records.

Enlarged the ministry of the Finger-Fono, a phonograph operated by one finger, with Bible records in the languages needed, for use in areas throughout the world where many people can not read. Records are now available in 30 languages and others are being prepared.

Helping the Korean Bible Society to realize their long-sought goal of distributing more than a million Scripture volumes in a single year; also rejoiced in the sustained interest in Japan where, for the last 5 years, Scripture distribution has averaged almost 2 million volumes.

Distributed throughout the world a record total of over 23 million volumes of Scriptures. This was over 5 million more than the number of volumes distributed in 1959 and over 8 million more than the 15-million-volumes-per-year average for the past 9 years.

## SOUTHERN BAPTISTS SUPPORT THE WORK

Because the Society serves mission work--and Southern Baptist missionaries depend on the Bible Society for Scriptures they need for their people--Southern Baptist churches believe in the missionary importance of giving to the American Society.

In 1960 Southern Baptist churches gave \$151,626 to the American Bible Society. Methodist gifts led with a total of \$151,934. Gifts from all churches in the U. S. A. totaled \$1,001,768.

Although gifts have increased and the work has expanded, the world-wide need for the Bible is still greater than the supply.

The help of every Southern Baptist church is needed. Has your church given this year? Here are suggestions, based on what many churches are now doing:

EVERY CHURCH can GIVE AT LEAST these amounts EACH YEAR:

Smaller churches	\$10.. to \$60.
Larger churches	\$60. to \$300.
Great City churches	\$300. to \$600. or more

Please send gifts to your Baptist State Office marked "for the American Bible Society."

Respectfully submitted,  
B. G. Bass

## REPORT ON BAPTIST HOME FOR THE AGING

How thrilling it is to minister to the aging in our midst! North Carolina Baptists can be justly grateful for their Christian ministry to 125 residents in their three Homes -- Resthaven and the Hayes Home in Winston-Salem, and the Albemarle Home in Albemarle.

With 130 people waiting for admission at the present time, lack of rooms is one of our most acute problems. North Carolina Baptists, however, are definitely doing something about this situation. The Hamilton Home, now under construction in Martin County, is proof-positive. This, our fourth Home, will provide for 30 additional residents. It is hoped that the Hamilton Home will be ready for occupancy no later than the first of January, 1962. A debt of \$275,000.00 has been assumed on this Home, and for the purpose of completing the liquidation of the indebtedness on the new infirmary at Winston-Salem. There is no further expansion of desperately needed

additional facilities anticipated until the major portion of this debt is paid. Special Day Offerings and gifts from the churches should, therefore, be increased greatly in order that we may go on in the great task which is ours, and that we might meet the ever-increasing demands of the aging among us as quickly as possible.

We are now in the eleventh year of operation, and the past year has been a great one and a good one. TWENTY-SIX new residents have been received and are now finding happiness and peace, love and security, in their new home.

The Special Day Offerings and special gifts are running 17% ahead of last year's contributions, and we are profoundly grateful to each church and to each individual for the liberal support to the wonderful cause which we represent.

The appointment of Mr. C. O. Weaver of Greensboro, N. C., as Business Administrator of the Homes has proven to be one of the greatest blessings of the past year. This dedicated layman is serving with unusual ability and insight and is making a splendid contribution to the work.

The average age of our residents is around 80, and we rejoice in the fact that the life-span is increasing for them. We are exceedingly grateful that one of them, Aunt Fannie Drumnwright, reached her 100th birthday on July 6. She is the first resident in our North Carolina Baptist Homes to attain this remarkable milestone. She is the living example of the years that are actually being added to a person's life by the loving kindness of North Carolina Baptists through the tender care of our Homes.

One of the most wonderful gifts ever made to the Homes is now coming to fruition. It is the handsome duplex apartment, made possible through the generosity of Miss Roxie Sides of Winston-Salem. This new facility, now under construction on the Reynolds Park Road site in Winston-Salem, will be occupied in the fall, we hope, and will open an avenue for four additional residents.

Along with our many blessings have been the moments of bereavement which have saddened our hearts, but we have soon been lifted up in the knowledge that God has called His own unto Himself. During the past year the following persons have been called to the Heavenly Home: Mr. Charles V. Pegram, Mr. Jack Stanley, Mrs. Bertha King, Mrs. Leona Wade, Mrs. Bertha Swindell, Miss Cora Byrd, Mrs. Lillie Scott, Mrs. Louise King, Mrs. Lillie Giles, Miss Lucy Stout, Mrs. Mattie Owen, Mrs. Mary Clontz, Mrs. Ida Ayers, Mrs. Rose Blanton.

The happiest times in the Homes ever are when friends and members of our North Carolina Baptist Churches visit us. We extend a cordial welcome to come and see first-hand the things of great Christian significance that are being experienced daily in our Homes and that can never adequately be described on the printed page.

Pray for us; visit us, and continue the same splendid support in the future that you have so graciously given in the past. Remember that we cannot go on without the love, the fellowship, and the help of every North Carolina Baptist.

Respectfully submitted,  
Jack Ray

## REPORT OF EXECUTIVE BOARD

Your Executive Board was active in promoting the work of the Association this year, holding meetings in January, April, July, and October.

At the January meeting the report of the Committee on Committees was received and adopted. The date of March 25 - April 8, 1962 was accepted as a time for simultaneous revivals in all of our churches in the Association who would participate.

A report from the Ordinations Committee was received concerning the ordination to the ministry of D. H. Steele, Jr., pastor, Riverside Baptist Church.

The April meeting was taken up with routine reports and announcements. The Board approved an Associational Training Union Enlargement Campaign (pastor-led) for October, 1962. The Committee on Committees was instructed to appoint a committee to look into the possibility of an associational camp, and to bring recommendations to the annual meeting in the fall. If their report was favorable, they were to bring information about possible sites, prices, etc.

When the Board met in July it heard a report from the Committee on Order of Business concerning the tentative program of the annual meeting in October. Routine reports from various other committees were accepted. Included in these was a report of the Committee on Ordinations concerning the ordination of Douglas Farmer, Minister of Education, Hocutt Memorial Baptist Church.

At the meeting in October, the treasurer, Curtis Oakes, presented his annual treasurer's report, and presented the proposed budget to be presented at the annual meeting. These were adopted, and appear elsewhere in the Book of Reports. The Board voted to recommend that the annual meeting next year be changed to October 16-17, 1962 because of an unavoidable conflict with the plans for the Training Union Enlargement Campaign. Plans for an Extension Center were presented and approved. An application was made to the Baptist State Convention for aid to the Association on the salary of the missionary for next year in the amount of \$900.

Respectfully submitted,  
Jack Clark, Clerk

## REPORT OF ASSOCIATIONAL MISSIONARY

Often the question has been asked, "What does an Associational Missionary have to do?" Let it be observed that you cannot be a specialist and an Associational Missionary at the same time, due to the variety of services rendered. It has been said that "variety is the spice of life". Therefore, it can be truthfully said that an Associational Missionary never has a dull moment.

The variety of services rendered by your Missionary during the past year has been as follows: Ordination services, visual presentations (films, etc.), Homecomings, Revivals, directing music, welcoming services, conferences (with groups, committees and individuals), teaching Study Courses, directing Church Community Survey, directing R. A. Conclave, preaching, dedication of churches and parsonages, speaking to various church organizations, speaking in and directing Schools of Missions, directing Central Training School, making movies (5 of V.B.S.) and slides, directing V.B.S. Clinic, Radio Devotions, preparation of news releases, teaching Sunday School classes, teaching Mission Study classes, publishing monthly bulletin "Baptist News" (5,622 copies), mailed over 2,000 cards and letters, distributed free helps to various church groups, 76 bookings of visual aids, counseling, promoting and arranging for group hospital insurance for ministers in the Mt. Zion Association, countless telephone calls, and many other minor details.

We welcome the opportunity of serving you any way that we can. When our services are needed we suggest you contact us early so we can put it in our schedule. This will avoid disappointment.

The Associational Office is located in the Missionary's home located at 710 Sycamore Road, Graham, N. C. (Greenway Park). Here we have a supply of free helps for all the organizations, and a library of around 80 filmstrips and a projector, which

may be had by making reservations by calling CA 6-5908 or by writing us P. O. Box 287, Graham, N. C. While we are unable to keep a definite office hour schedule, you will most likely be able to find us in during the mornings. If convenient, it would be best to call before coming to make certain we are in the office.

Looking ahead we would like to emphasize the challenge of "Reaching Forth for Christ" in all areas of our work. The New Testament pattern for extending the Kingdom of God to the ends of the earth includes a voluntary, co-operative fellowship of individual churches as well as individual Christians.

Every Baptist church is free to co-operate or not to co-operate with other Baptist churches. However, the churches, as a rule, that are most successful in reaching, teaching, winning and baptizing more people are the ones that are exercising the freedom to co-operate with other Baptist churches in an associational ministry from which all are strengthened.

Let our goal as an Association during the coming year be to endeavor to have such a challenging program of work in all phases of our program that every church--be it large or small--will be challenged to do its best.

Respectfully submitted,  
G. Leland Royster

## HISTORY OF HAW RIVER BAPTIST CHURCH

October 1961

The early settlers in Haw River, a community which sprang up along the banks of the river from which it took its name, were largely of German descent. Very little of the early history of the First Baptist Church is known now, since most of the first members and workers are deceased and since many of the early records were destroyed.

The mills along the river, where the livelihood of most of the early settlers was made, were owned by the late Gov. Thomas Holt who lived in Haw River. The first known gathering of Baptists here was a little group that met in an old schoolhouse then located near the old Methodist Protestant Church. Both the church and schoolhouse had one room, but here the group met until 1892 when the few stalwart Baptists, under the leadership of Rev. J. C. Hocutt launched out on a building campaign which resulted in their first church.

Rev. Hocutt, both a fine preacher and organizer, was a native of Wake County but had been preaching in Orange County before he came up to Alamance County at this time where he preached in both Haw River and Graham, alternating on Sunday between the two churches.

Under his leadership and guidance, land was purchased from Mrs. Deal McCracken for the Baptist Church building site on the Durham road, and on this location the plain boxed edifice rose as a monument to the efforts of men and women who visualized that here there should be a sanctuary for people of Baptist beliefs. The building itself was made of heart pine timber and very well constructed, for it stood through the years until the present brick building was constructed in 1954.

For the most part, the first church members and leaders were a laboring class of people, and although early records are not at this time complete, it is known that among the first deacons elected to serve this church were G. W. P. Cates, A. S. Cates, a druggist, and Thomas Evans. Other charter members besides these three

men included Miss Beanie Williamson, Mrs. Annie Williamson Stubbins, Miss Annie Capes Boggs, Mrs. J. R. Stuart and Miss Fannie Williamson. The Williamson sisters were recognized even from early girlhood for their devotion and work for the church. Miss Fannie Williamson served as organist while she remained at Haw River Baptist Church.

After Rev. Hocutt's service at Haw River, there followed Rev. James W. Rose, who was famous for his visitation program that interested the members and stimulated them in trying to enlist others in their church program. He came from Belhaven Church in the fall of 1912 and began his pastorate following Rev. Hocutt's death in August 1912.

It was about 1910 that the south was experiencing a financial loss in business. The mills went into the hands of the receivers and many of the members moved into Burlington, seeking work. Here they continued their organizing motives by assisting the Rev. Hocutt with beginning Hocutt Memorial Church there which bears his name. Rev. Rose also assisted at this church with preaching services, visitation and being instrumental later in organizing a Sunday School at Hocutt Memorial Church.

Among the pastors who have served Haw River Church are the Rev. Hocutt, Rev. Western, Rev. Adams, Rev. Chapel, Rev. S. W. Oldham (now living in Star), Rev. J. W. Rose, Rev. Dave Arnett (who was then a ministerial student at Wake Forest), Rev. Wilcox, Rev. John R. Cantrell, who served the church for seven years during which time he was also a student at Wake Forest College, Rev. Leonard, Professor Grubb, a teacher at Wake Forest College, Rev. O. D. Moore, Rev. Walter Brown, Rev. Robert H. Bruhn of Brooklyn, N. Y., Rev. S. H. Roberts, and the church is presently pastored by Rev. Howard Moore, also a student at Southeastern Seminary who makes his home in Haw River.

It was under the direction and foresight of Rev. Bruhn, who led his people to believe in themselves and their own abilities, that a new brick sanctuary was constructed on the site of the old church building. Others had helped pave the way before him, and their efforts made building somewhat easier for Rev. Bruhn and the Building Committee. Besides his time spent in pastoral duties here, he also was a student at Wake Forest College, Southeastern Seminary.

The church building, constructed in 1954, is a monument to a leader and past leaders and their flock of followers who put together their efforts and possessions. The church membership, now standing at 330, is growing so that already Sunday School rooms have been set up in the large basement area and a small house adjoining the church property has been purchased for this same cause. From this church have gone out two preachers, Addison Coble and James Clark, who have been called into full time Christian service.

The history of Haw River Baptist Church is not one of momentum, astounding facts or record-breaking figures, but it is a record of faith and determination exercised by a group of stalwart Baptists who rode out the tide of good times and bad--putting their beliefs to work in a community where their influence was needed to build a well-rounded town. It is the story of a typical Baptist faith at work with all phases of the ministry being entered with Training Union, missionary circles, youth organizations, graded Sunday School, study classes--all designed to make its program well rounded for a well-informed membership.

Respectfully submitted,  
Mrs. J. J. Lassiter, Historian

## REPORT ON TEMPERANCE AND PUBLIC MORALS

A report dealing with temperance and public morals brings us face to face with the practical aspects of Christian faith. How effectively we apply Christian principles in such areas as family life, race relations, moral issues, economics and daily work, and citizenship will, to a large extent, determine the measure of Christianity in our local communities and the world.

We can no longer boast that our area is free from the open sale of liquor. As you realize, the liquor forces won the election to place ABC stores in the cities of Burlington and Graham in Alamance County. One of the more disheartening aspects of this election was that the so-called Christian element in our cities met the issue with a vast amount of indifference. The impotence of the Christian community in meeting this challenge should call for serious soul-searching on the part of every Christian and every church.

From the book of reports to the 1959 N. C. Baptist Convention the following: "Liquor corrupts everything it touches and, at the same time, becomes more acceptable in so-called "good" Church families. Liquor figures in 50-60% of highway fatalities. Some 110 million people in America drink alcoholic beverages. One in eleven of these is an addictive drinker. Eight million of our people are affected with alcoholism, and "the liquor traffic in America is producing 1,200 alcoholics per day or 50 per hour around the clock." The majority of Americans belong to some Church, and the majority of Americans drink alcoholic beverages. Alcoholism becomes our number three health problem, following heart diseases and cancer." Let us pray that the manufacturers and distributors of alcoholic beverages may soon come to realize the great destruction caused by the use of their product in our society and desist in their efforts to make it so freely available. Also, may we seek from God the wisdom and guidance that would enable us to regain the ground we have lost to this evil and resist its further encroachments upon us.

The Christian Life Commission of the Southern Baptist Convention now has 24 pamphlets in print in the specialized field of applied Christianity. They deal with family, race, citizenship, daily work, and such moral issues as alcohol, salacious literature, and gambling. Some of our more interesting conferences are conducted

by this commission each year at Ridgecrest and Glorieta.

While this method of reaching our people with the distinctive emphasis on applied Christianity is good, it is nevertheless true that there is no substitute for "Be ye doers of the word and not hearers only." The triple responsibility of preaching and hearing and doing has never been greater. We must preach well and practice better. We must recognize and confess our own involvement in the evils of society. Every preacher's message should contain the whole gospel, not leaving out the social aspects. The world will reject from the pulpit what it does not see demonstrated from the pew. Unless our action speaks as loudly as our words, the world will consider as irrelevant the gospel we proclaim.

Multitudes of Baptists have no part in the work of their church and care less about the social issues of our day. Surely the time has come when we should give serious concern to the meaning of church membership. Again quoting from 1959 book of reports, "No amount of preaching from the pulpit can cure the sickness of our society until individual Christians take seriously their responsibility."

The day in which we live is a call to Christian discipleship at its deepest levels of meaning. May God help us to measure up.

Respectfully submitted,  
Ben W. Cox

## REPORT ON WOMAN'S MISSIONARY UNION

"Christ for the whole wide world!  
Our task has just begun,  
For millions wait in every land,  
The message of God's Son.

.....

We will give, we will pray  
We will witness every day  
That the millions of the whole wide world  
May know our Saviour's love."

This is part of the very beautiful missionary hymn that we have been singing this year. As we have sung it, we have become more aware of the "millions who wait in every land"--aware of the world that begins on our own street and reaches out unto the uttermost part of the earth. We look upon the fields, fields white unto harvest. And we ask the question, "Lord, what can we do?" And the answer comes, "You shall be my witnesses...."

We entered this year with a challenge before us and dedicated ourselves to the task that we must do more than ever before that others might know the love of Christ.

This has been a busy year for Woman's Missionary Union of the Mt. Zion Association. The Executive Board has met quarterly and made plans to study, to witness, to pray and to give. Our societies have taught mission books regularly, have observed weeks of prayer for Home and Foreign missions and a Season of prayer for State missions. The response to these special offerings has been wonderful in our Association this year.

At the time of the annual meeting last October our reports were not complete, so we would like now to present a summary of the work done in our organizations for 1959-60:

We had one Honor Woman's Missionary Society, First Baptist Church, Burlington, with Mrs. Leo Carr as their president. We also had one Honor Young Woman's Auxiliary, Glen Hope, under the leadership of Mrs. Elwood Farrell. Our Honor Girl's Auxiliaries were Burlington First, 9 year olds; Glen Hope, 10, 11, 12, 14 and 15 year olds; and Northside, 9-10 year olds.

The recognition of Advanced was attained by three Woman's Missionary Societies and four Girl's Auxiliaries. There were four Approved Woman's Missionary Societies and one Young Woman's Auxiliary and six Girl's Auxiliaries.

One new W.M.S. was organized at Eastlawn Mission; new Y. W. A.'s at City Lake, Kinnett Memorial, Moore's Chapel and Swepsonville; three new G.A.'s, two groups at Eastlawn Mission and one at Fairview; five new Sunbeam Bands, two at Eastlawn Mission, one at Elon First, and two at Fairview. Several Sunbeam Nurseries have been organized.

All reports are not in for 1960-61, but we feel that progress has been made this year.

In February, Hocutt Memorial entertained our Y. W. A. s at a banquet. This was well attended and Dr. and Mrs. S. G. Rankin, who are on furlough, presented a most interesting visual program on Hong Kong.

On March 21st over 200 of our women came in a downpour of rain to Cane Creek Baptist Church for our annual session. We were inspired as our Associational Missionary spoke to us on the Cooperative Program, as the state G. A. Leader, Miss Willa Dean Freeman, presented a challenge to our G. A. Directors and Counselors, and Mrs. John Allen Moore, a missionary, told us about her work in Yugoslavia.

Graham First was host to over 500 of our G. A. s at their annual Rally in May. Sunbeam Day Camp was held at Grove Park in August with 122 eight-year olds attending. In September we gathered at Hillsboro First for our annual Leadership Conference for W. M. U. leaders and members.

Woman's Missionary Union was born in prayer, and as we celebrate our 75th Anniversary in 1962 we will observe 75 days of prayer from July 18 to October 1, 1962. The theme for our anniversary year will be "World Missions" in keeping with the purpose of Woman's Missionary Union.

Respectfully submitted,  
Mrs. Harry D. Andrews, President

## REPORT ON RESOLUTIONS

Be it resolved that:

1. The Mount Zion Baptist Association, in its 92nd Annual Session, expresses its appreciation to the host churches--Swepsonville, Haw River and Edgewood--for inviting us to meet with them, and for the efforts of the pastors and their people in caring for our needs.
2. Be it further resolved that our Association express its appreciation to our Moderator, to our Associational Missionary, to all Associational Officers, and to all Committees whose work has made this session possible.
3. Be it also resolved that we express our appreciation to those who have guided our worship through the preaching of the Word and music.
4. Finally, be it resolved that we, as a Christian body, shall draw heavily upon the unfailing reservoir of God's resources in order to meet the demands of our times with confidence and hope.

## HISTORICAL SKETCHES OF MT. ZION CHURCHES

Brief histories of Mt. Zion Churches are recorded in the Minutes of the years as herewith listed. The Association Historian suggests that every church in the Association have copies of the Associational Minutes bound every ten years and keep them in the local church libraries. This will make the Minutes of the years available to all the churches, and those bound volumes will grow more valuable with each passing year.

Although our Association has had Historians almost from the date of its organization still the Clerk was not able to find the history of any church recorded in the Minutes until 1921. Just why the sketches of other years were not recorded in the Minutes is inexplicable.

At the 1874 session of the Association it was decided to elect a Historian annually. The Minutes of 1875 record that "The report of the historian was adopted and ordered to be recorded in the "Book of Records of the Association." No trace of this book exists. The historical sketches from 1921 are shown in Minutes as follows:

- 1921 Sketch of the Association
- 1922 Pleasant Grove Church (now Bells)
- 1923 No report recorded
- 1924 Graham Church
- 1925 Yates Church
- 1926 Bethesda Church

## REPORT ON BAPTIST HOSPITAL

The services of our Baptist Hospital are subject to heavy demands which grow heavier year by year. Last year the already overcrowded clinics of the Out-Patient Department received a new high of 83,000 visits from 96 counties of the state, sixteen other states, and two foreign countries. Two-thirds of these were by our Baptist people.

One of the most pressing needs is the enlargement of the facilities of the Out-Patient Department. Along with this is the urgent need for a building to provide adequate and unified facilities for the Hospital's eight schools for the training of skilled nurses, technicians, and other medical personnel, all of whom are in short supply and are essential to good medical care in our local hospitals and communities.

The new Progressive Care Center is attracting the attention of hospital authorities over the country. Patients have been most pleased with it. The trustees and administration greatly regret that the Hospital does not have sufficient funds to permit the admission of Service Patients to this fine facility.

The Pastor's Library now contains well over 100 volumes among the best books in various fields of Christian thought and pastoral work. It can be of great value to pastors and they are invited to use it. It is located in the Medical School Library.

The care of Service Patients remains at the heart of the work of the Baptist Hospital. In cases where help will be needed on the hospital bill, it is extremely important that this be made known in advance and the arrangements be made when the patient is admitted to the Hospital. When appointments are requested for examinations it is necessary to let the Hospital know if the person needs to come through the Clinic, or if he will come as a private or full-pay patient. If a doctor is making the arrangements for a patient he should be told to make clear when he calls or writes if it is a Service or Clinic Patient. Mother's Day money cannot be used for Private Patients.

The Mother's Day Fund is the foundation of the financial aid given Service Patients. The Hospital tries to help the most needy cases as much as possible, but the funds have not been sufficient to give as much as is needed in many cases. In other cases of real need it has not been able to give any help, except the free services of the doctors and reduced rates on other items, such as X-rays, which consideration is given all Service Patients. WE MUST REMEMBER THAT THE HELP GIVEN IS LIMITED BY THE MOTHER'S DAY GIFTS OF OUR CHURCHES.

The Hospital has prepared a full and attractive Information File Folder covering all of these matters in our relations with the Hospital. A copy is being mailed to all our pastors and associational missionaries. We urge you to acquaint yourself with this, keep it in your file and refer to it when questions arise and when arrangements are being made for patients to go to the Hospital.

Respectfully submitted,  
Howard Moore  
Hospital Representative

## REPORT ON TEMPERANCE AND MORALS

It is estimated that in the year 1961, there were 68,000,000 American adults who drank alcoholic beverages in some degree. Of these, 5,400,000 were alcoholics and another 4,100,000 were heavy drinkers or problem drinkers (pre-alcoholics). Take into account that for each one of these 9,500,000 there are five additional people whose lives are adversely affected by their drinking. Alcohol is a potent factor in the destruction of many homes, and its victims fill our prisons. It is a major contributor to the crime rate in our land which is at an all-time high and is increasing annually.

But the story does not end here. Alcohol is writing a very shameful and bloody record on the highways of our land. In 1961 there were 37,600 people killed on the highways of the nation and there were 3,057,000 injured in non-fatal accidents. Some estimates go as high as 75% in the relation of alcohol to these accidents. The Highway Patrol says that alcohol was a factor in more than 50% of the fatal accidents on North Carolina highways last year.

No indictment against this No. 1 enemy can be made too strong.

You are aware that the open sale of liquor contaminates both Alamance and Orange Counties. Many people still fall for the old line of ABC stores "putting the bootlegger out of business." The facts do not substantiate this claim. Less than a month ago, a still was captured on the banks of the Eno River almost in the Hillsboro town limits--and not more than two miles from the nearest Orange County ABC store! Whether "bottled in bond" or "bottled in the barn" there is no way to make the damnable stuff decent, respectable or right. The only course for the Christian is total abstinence!

Liquor, beer, and wine are not the only areas of concern in the morals of our

day. Obviously, time nor space do not permit of setting forth all that needs to be said, and done, on this topic. Narcotics, salacious literature, gambling, lust account for many broken homes, broken health, broken character, orphaned children. We would strongly recommend THE BIBLICAL RECORDER, THE COMMISSION, SOUTHERN BAPTIST HOME MISSIONS in the place of some pulp magazines pastors sometimes see in Baptist homes.

We must not be blind to the sociological conflict raging about us. It is nothing short of sheer hypocrisy to shed crocodile tears for the Negro in Nigeria while Negro Churches burn in Georgia and bayonets flash in Mississippi. Surely we all preach that we should "love one another." Dare we practice what we preach?

Respectfully submitted,  
Haven C. Lowe

## REPORT ON NORTH CAROLINA BAPTIST HOMES FOR THE AGING

The past year in our N. C. Baptist Homes for the Aging has been one of great blessing. Of unusual significance has been the opening of our fourth Home, the Hamilton Home, located in Eastern North Carolina, and enabling us to minister to 30 additional people. The residents there are supremely happy and are enjoying the abundant life in this beautiful new facility.

Over the past eleven years we have increased by 8 times our ability to minister to the aging in our midst. In the beginning, there were 20 residents, and now we are able to give loving care to 160 persons in our four Homes—Resthaven, and the Hayes Home, in Winston-Salem, the Albemarle Home, at Albemarle, the Hamilton Home, at Hamilton.

The need for more space is most urgent and pressing. Today there are 138 applicants on the waiting list. We will want to move forward, therefore, as rapidly as funds will permit in meeting the crying demands of our ever-growing population of aging people who need our care.

The Special Day Offerings from our churches are at an all-time high and are likely to go beyond all previous offerings by the end of the fiscal year. We want to thank all who have had a part in these vital offerings, and we would urgently appeal to each church to continue giving as liberally as possible through this vital medium. Ninety per cent of the residents who live in our four Homes are financially needy people and are sustained by the Special Day Offerings from our churches each year.

The plea of the elderly person in our midst, "Cast me not off in the time of old age!", is one that cannot be lightly brushed aside, but one that must continue to challenge the highest and the holiest in every North Carolina Baptist as we move forward in this great ministry which God has committed to us.

Respectfully submitted,  
John W. Phillips

## REPORT ON TRAINING UNION

This report concludes a happy tenure of service on my part as Associational Training Union Director for Mount Zion Association. For the persons who have served as Associational Officers, for the local Church directors, and for the pastors who have often made the difference, I have deep appreciation.

IN RETROSPECT, this year has been quite rewarding. Three Executive Committee

Meetings have developed our plans. Two age-group leadership conferences, a raining session for Associational Officers and the Associational Clinic for Church Officers were promoted. The dual "M" Night program was attended by 847 persons. Support of the Central Training School and the achievement of over 150 awards in Training Union methods studies were achieved. Youth Night attendance was 208, with vocational conferences conducted. Exactly 200 of our Associational youth registered for the State Youth Convention in Graham. A full team of participants, from Juniors through Adults, represented the Association in Region IV Tournaments.

IN PROSPECT, our Association will elect a new director at this annual meeting. Officers of past years will be sharing with him and his associates through the planning for "M" Night of 1962. The calendar for Training Union has been prepared through the Calendar Committee for this coming year.

Our challenge is that we shall give full support to the Association Training Union Enlargement Campaign on October 22-25, 1962, and share with the Associational W. M. U. in promoting the "M" Night at which Dr. Baker James Cauthen will speak on December 3, 1962. Then, our prayers and support will continue with those selected to carry out the will of God in this part of His endeavor through the years before us.

Respectfully submitted,  
Robert L. Clegg

## REPORT ON BAPTIST CHILDREN'S HOMES

Building a better tomorrow has always been the dedicated concern of the Baptist Children's Homes of North Carolina. Today's children will become the adults who shape tomorrow's world. NO task is more important than helping a child, hurt by life, to grow into healthy, well-adjusted, responsible citizenship.

Each child who comes to the Children's Homes is different, with a different need to be met and a different problem to be solved. It is the responsibility of the Homes to find the best solution possible. For many years that meant providing food, clothing and shelter for orphans. Today the need has changed. Today our work is with children who for various reasons have lost the security of home and parents.

During the past year, 848 boys and girls were served by the Baptist Children's Homes. In addition to those already in care, applications were received for the admission of 646 other children. We had space and money sufficient to admit 170 of these--leaving 476 for whom no room was available. Provision should be made immediately to expand greatly our foster home program to meet the needs of these children. This can be done through an increased Thanksgiving Offering.

Increasingly, your Homes are being called upon to serve children who are disturbed and emotionally ill. In addition to traditional types of child care, there is a growing need for specialized supervision and services. It is hoped that a step can be taken, within the year, to begin to provide on a small scale, such services at the North Carolina Medical Center at Chapel Hill.

Financial support for this year has come from the following sources:

Cooperative Program .....	33 per cent
Thanksgiving Offering .....	30 per cent
Once-a-Month Offering .....	16 per cent
All Other .....	21 per cent

For the first time, income to the Children's Homes through the Cooperative

Program exceeds that of the Thanksgiving Offering. This source of income meets one third of our operating budget and is greatly appreciated. At the same time, the Thanksgiving Offering continues to be vital to our existence, providing 30 per cent of income. We sorely need an increase of one hundred thousand dollars through the Thanksgiving Offering this year. This would enable us to provide a Christian home and care for an additional 125 children.

We owe a debt of deep gratitude to our friends whose genuine concern for the welfare of our children makes this help possible--especially our Baptist people. You have afforded hundreds of boys and girls opportunities and privileges which they otherwise could not have had.

CHARITY AND CHILDREN, our official publication, which this year celebrated its 75th anniversary of service to North Carolina Baptists, continues to grow in popularity and circulation. Each week 55,000 copies are sent to churches and individual subscribers throughout the state and beyond. You are invited to be among these readers and thus stay informed of our child care ministry and other denominational endeavors throughout the year.

Respectfully submitted,  
Harvey Rumpf

## REPORT ON THE AMERICAN BIBLE SOCIETY

Working hand in hand with the church in the spread of the message of Christ in the Scriptures is the American Bible Society. Its business is the translation, publishing, distribution, and encouraging of the use of the Scriptures, and its goal is to reach the peoples of the world. Having already gone into more than one hundred lands with at least portions of the BIBLE translated into nearly twelve hundred languages and dialects, the Society has done much to make the prayer of Wesley, "O for a thousand tongues to sing My Great Redeemer's praise," come true.

Three specific areas of work will claim our attention in this report. First, the Society works with our missionaries abroad, as in Africa, for example. Missionaries now on furlough from Nigerian territory express concern over the publicity to the effect that the faith of the Moslems is making greater strides in Africa than that of the Christians. News reports make it clear that nations with newly-gained independence are wavering politically between communism and democracy. And being witnessed today is a greater movement toward literacy among the African people, which means that soon they will be reading for themselves. What they read may well make the difference in the direction of their spiritual and political lives. Unique in its position among books and in its influence among men, it is imperative that the BIBLE, which is God's message of love to men, be placed into their hands. Missionaries and native Anual Christians realized its value, and worked for thirteen years to translate the New Testament into the dialect of the Anual tribesmen. In 1961 the manuscript was received by the American Bible Society, which began work on the publication of the New Testament for this African tribe. At a cost of \$10,000.00, for which there was no budgeted funds, the Society printed a first edition of one thousand copies. This is only the beginning, for there are forty thousands of people in the Anual tribe. The Society is anxious to place the Word of God into the hands of each of these forty thousands of people.

According to the July-August, 1962, issue of the BIBLE SOCIETY RECORD, the BIBLE has been translated into forty-eight African languages, the New Testament into ninety-six additional African tongues, and portions of the Scriptures into one

hundred eighty-four more. Yet, the huge task of translating it into the eight hundred more languages and dialects is only about half finished. Surely, as Missionary Baptists, we can see the importance of distributing to these confused, troubled peoples in Africa the message of God's eternal love, and His way of peace.

Another interesting work of the Society is the distribution of the Scriptures through the "finger phono." This small manually-operated record player is being used in areas where the people cannot read, and in many instances among people who will not admit missionaries. Among many, these phonos are a matter of curiosity at first, since the people have never heard a recorded human voice. Once the gadget has been heard, the voice itself is listened to, and the message of that voice begins to attract attention. They cannot read; they will not admit a preacher; but this strange little box out of which a man is talking is accepted. Thus, God's message in the Scriptures is heard. Let's send the Word through the "finger phonos."

The third consideration is the work of the Society in its efforts to reach the fourteen millions of people who do not see with their eyes. Many of these blind people are here at home. In 1835, nineteen years after the establishment of the Society in 1816, Dr. Samuel C. Howe showed the Society how he had taught two blind persons to read embossed pages with their fingertips. He was given one thousand dollars with which to begin work on the first embossed printing of the BIBLE. Since that time the Society has included in its work the distribution of the Scriptures to the blind.

When the Pullen Memorial Baptist Church in Raleigh promoted primaries to the junior department in its Sunday School, each child was presented a copy of the BIBLE. But some of these children could not read with their eyes; were these to be left out? They might have been but for the link of that church with the American Bible Society which furnished those who read with their fingertips a small embossed volume of selected scriptures. The little book included such passages as children usually commit to memory--the Ten Commandments, the First and Twenty-third Psalms, Isaiah 53, the Beatitudes, the Lord's prayer, John 3:16, John 14:1-6, Romans 12, and 1 Corinthians 13. These sightless children, because of the work of the American Bible Society, were recipients of the Scriptures as were their sighted classmates.

But this is only the beginning of the work for the blind. The King James Version and the American Standard Revised Version are available in Braille. The entire BIBLE consists of twenty volumes, which, if stacked, are five and a half feet high, and weighs eighty pounds. It is obtainable at a cost which barely covers handling charges, twenty-five cents per volume. In addition to these versions, at least the New Testament in the Revised Standard Version is available. The Society also distributes in Braille a ten-volume concordance to the BIBLE, comparable to that which is usually found in the back of the regular print editions.

During the past few years, the Talking Book a special record player for the use of the blind, has become quite popular. Many sightless adults and blinded veterans, finding the fingertip method of reading difficult and slow, have turned almost completely to the use of this machine. The American Bible Society, anxious to use every means of distributing the Scriptures, has kept abreast with the times and has made the BIBLE available along with selected favorite portions of Scripture, on Talking Book Records, costing ninety-nine cents per record, or one hundred sixty-eight dollars and thirty cents for the one hundred seventy records, but at the request of the needy blind for \$42.50, or 25 cents per record.

During 1961, eleven thousand eighty-four embossed Scriptures and fifty-one

thousand one hundred ninety-seven records were distributed to the blind. Through 1961, the Society had distributed seven hundred ninety-nine thousand eight hundred and two Braille Scriptures and Talking Book records.

What can we do? GIVE by joining the Bible-of-the-month Club, sending your gifts directly to the American Bible Society. GIVE through your church, sending those designated gifts to our Baptist State Convention headquarters in Raleigh.

## REPORT OF MEMBERSHIP COMMITTEE

Having received written application for membership from the Eastlawn Baptist Church, the membership committee of the Mt. Zion Baptist Association met with members and officers of the Eastlawn Church, Sunday afternoon, September 23, at 3 p.m. for the purpose of considering their application. The following members of the church were present: Jack Clark, Pastor; Howard Callahan, Chairman of Deacons; Grady Morris, Deacon; Virgil McKinney, Deacon; Dillard Gaydon, Deacon; David Byrd, Training Union Director; Thomas Hearn, Sunday School Superintendent; Bob Glenn, Finance Committee; Mrs. Thomas Hearn, W.M.U. President.

In accord with the constitution of the Association, the members and pastor of the Church were questioned as to the Church Covenant, articles of faith, history, practices, cooperative spirit, the relation of the Church to other member Churches in the Association, and the willingness of the Church to abide by the Constitution and By-Laws of the Association.

The Committee on membership, having been completely satisfied by the answers received, unanimously recommends to the Executive Committee of the Mt. ## REPORT ON ASSOCIATIONAL EVANGELISM 1962

The peoples of this world are in commotion. Evidence for this is found almost daily in every newspaper. Much of this commotion is caused directly by a divine discontentment within the human heart, a restlessness that seeks to answer the call to a higher more abundant and meaningful life.

Thus someone has said that ours is a unique age in at least two ways. "It is the age of total revolution, and it is the age of terrible urgency."

If this is a total revolution, then it means that it will sweep the entire world in its onslaught. This certainly provokes a terrible urgency. Add to this the ever lingering threat of atomic annihilation or global cremation and this "terrible urgency" is dramatized even more.

Total revolution creating a terrible urgency--what a challenge and call to

warm-hearted, gospel-loving Christians such as Baptists, because the needs of this world can only be met with total dedication and total commitment, on our part, to our Lord and Saviour, Jesus Christ.

The past has become the no longer, the future is the not yet, and we only have the present now in which to work "the works of him who sent me." Of course the future will be conditional upon how we live, act, and respond to the will of God in this present here and now, and therefore the most practical question we can possibly raise is: What can we do to meet the needs of this present hour?

Surely the answer to this question is effective evangelism. I speak not of outmoded methods of evangelism but Bible centered evangelism that includes pediatrics as well as obstetrics. Thus may it be our prayer that evangelism--confronting the world with the gospel of Jesus Christ--will occupy the central position of all we seek to do through the local church, the association, and the Convention.

Important meeting and programs:

Our associational clinic on evangelism was held on October 12, 1962 at the First Baptist Church in Graham.

Soul-Winning Commitment Day is January 6, 1963. May every possible Christian witness be enlisted in our churches on this day, and trained during the early weeks of the new year. "The Guide for Training Christian Witness"--pastor's edition--will be mailed to every pastor on November 15, 1962. Another useful tract is "Learning to Witness" and can be ordered along with the Sunday School quarterlies from the Sunday School Board, Nashville, Tennessee.

January, February, and March are good months to do cultivative witnessing in preparation for the Jubilee Revival in our Association, March 24-April 7.

Our Statewide Evangelistic Conference will be held on February 11-13, 1963 at Greensboro. Every church should see to it that their pastor has an opportunity to attend this conference.

July 2-4, 1963 the Convention-wide Evangelistic Conference will be held in Dallas, Texas. Many people are praying and planning for this to be the greatest conference on evangelism ever held among Southern Baptists.

March and April, 1964 is the World-wide Baptist Jubilee Revival. The date for our association is 1964.

All things point up to the need for full committal to Christ in His redemptive purpose NOW. . . Nothing less than this will be enough. In fact nothing less than this has ever been enough. "Christ must be Lord of all, or Lord not at all."

Respectfully submitted,  
Wallace L. Smarr  
Chairman of Evangelism

## REPORT OF THE ASSOCIATIONAL MISSIONS COMMITTEE

In our witnessing for Christ we are exhorted to begin at Jerusalem or at home. Because of the command of Jesus, the needs of the people, and the complex problems of our world, we must begin at home in establishing Missions and Churches.

Several areas in our Association present a real challenge to us. They are the Country Club section which is a fast growing area, the section midway between Burlington and Ossipee on Highway 87, the Snow Camp section, where there is no Baptist Church, and the Efland area on the west side. At one time there was a Southern Baptist Church in this area, but since it is no longer functioning as such, it is keenly felt that a work is needed there.

The Missions Committee is anxious to work with any church in obtaining information through a survey, or in any manner possible. It is hoped that each church will have a Missions Committee, that a worthy goal will be set by the Association for starting new work, and that each church will do its best in this respect.

Respectfully submitted,

J. Hoyt Roberson, Chairman

## REPORT OF THE ASSOCIATIONAL MISSIONARY

Another year has passed for our Association. It has been a busy year for all of us, and yet there remains much work to be done.

In summarizing our work within the Association we report that we have published and distributed 5,762 copies of the Baptist News, had 415 conferences with individuals and committees, mailed approximately 1,850 letters, traveled 19,312 miles in the work, and rendered services in 29 different churches.

We rendered two weeks of service outside the Association: One week of Community Survey work in the Cabarrus Association and another week in Schools of Missions in the Brunswick Association.

To help us keep informed and be in better position to render our best service as Missionary we have attended a number of conventions and conferences during the year. These have made us aware that we as Baptists have a great program, which God has blessed us with, and it deserves the best we have in dedication and effort that His Kingdom might come and His will be done not only in our hearts and lives, but also, in the hearts and lives of those who come under its influence.

Progress is being made and dreams are being fulfilled. During this past year we have seen a group of men respond to the challenge of the R.A. program within our association, and already much is being done in this area to promote this program. Also, another group of men have responded to the opportunity of service in the Associational Brotherhood work. Some plans are already in the making and we expect to see good results from these organizations during the coming year.

Let us keep in mind that all the Associational organizations are in existence to help strengthen the work in the local churches. We invite every church to support in every way possible these programs which are designed to strengthen the home base of operations in World Missions.

As your Missionary we stand ready to assist you in any way possible. Call or write us when we can be of service, we promise to do our best for you.

Respectfully submitted,  
G. Leland Royster

## REPORT ON PUBLICATIONS

"The Lord gave the word: great was the company of those that published it."  
Psalm 68:16

Southern Baptists are the greatest producers of Christian literature in the world. This is true with regard to the volume and to the quality of our publications. The Sunday School Board alone publishes over 100 different kinds of printed material such as magazines, manuals, manuscripts, bulletins, quarterlies, leaflets, tracts, calendars, and newspapers. What are the objectives in publishing so much church literature? There are two: 1) "To make available to churches the general and curricular materials that will help them to carry forward a full-rounded program of Bible teaching and Christian training, and 2) to provide study and reading materials which will help persons become aware of God as revealed in Jesus Christ, respond to him in a personal commitment of faith, strive to follow him in the full meaning of Christian discipleship, live in conscious recognition of the guidance and power of the Holy Spirit, and grow toward the goal of Christian maturity."

This does not include of course the publications of six seminaries, the Home and Foreign Mission Boards, the Brotherhood Commission, the Woman's Missionary Union and the state Baptist papers. Among these the BIBLICAL RECORDER, our state Baptist paper, is perhaps the most effective medium to keep North Carolina Baptists aware of our work and the needs of our world.

There is a struggle in the world for the minds of men. This is a war between ideologies, theism and anti-theism, Christianity and Communism. This conflict will not be won with physical forces but by the printed page! The deciding factor may well be the writings of the disciples of Jesus Christ or the disciples of Karl Marx.

Every church is strongly urged to elect a Church Librarian, whose responsibility it will be to keep the church advised of all available denominational literature as well as other publications that will enable our people to meet the above objectives and win the struggle for men's minds.

Furthermore, it is recommended that every church includes the BIBLICAL RECORDER in the church budget and send it into the home of every member in order that we may be informed and inspired Baptists.

Respectfully submitted,  
William A. Cole

## HISTORY OF WEST HILL BAPTIST CHURCH HILLSBORO, N. C.

Even prior to 1917, interest in a new Baptist church in West Hillsboro was increasing. There was a definite need for a place of worship, for dedicated Baptists, not wishing to travel the distance to the First Baptist Church, had been meeting together in an old church in West Hillsboro that later became Eno Methodist. Before long, this group moved to the Junior Order Lodge Hall located over the old Eno Cotton Mill, as well as holding part of their worship services in the old school building.

The end of World War I was not yet in sight, but land for a new church building was given by the Allen Ruffin estate, a rolling section of hills that looked away in every distance. The organizational meeting, said to have been held in the First Church, was marked by speakers such as L.L. Copeland and F. E. Lundsden who told of the dire need for the new church as they stressed that in the environs of the West Hillsboro section there were more than forty Baptist who had made known their willingness to organize. This group also pledged their personal cooperation in helping erect the building.

So, it was that in April 1917, First Baptist, Cross Roads and Mars Hill supported the organization of West Hill Baptist Church which called Rev. S.W. Oldham as pastor. At first he served only on a part-time basis, but he with Rev J.F. McDuffie were instrumental in the groundwork of the new church.

Charter members were L.L. Copeland, Mrs. L.L. Copeland, J.F. Richardson, E.A. Lundsden, Arlie Keck, Miss Rosa Sykes, Miss Viola Robertson, Mrs. Essie Pickard, Mrs. Etta Crews and Mrs. Mamie Allen. Listed on the first board of deacons were L.L. Copeland and W.H. Anderson, with J.F. Richardson, E.A. Lundsden and A.M. Keck.

The work on the original wooden building, constructed on a simple box-like design with two high gables, was supervised by the late Tom Kenyon and his son, Ralph Kenyon who were in charge of all construction.

During the forty years of the life of West Hill Church, many changes have come about, members have come and gone, faithful stewards have served God's purpose in this vicinity. Today it is not a large church but it has certainly through the years served the purpose for which it was built in 1917 -- to glorify God and to provide a place of worship for Baptists living in the West Hillsboro area.

During this period of time the following pastors have been called to serve West Hill Church: although records are not as complete as we would like for them to have been.

Rev. S.W. Oldham -- April 1917-December 1917

Rev. J.F. McDuffie -- April 1918-1921

Rev. H.G. Dorsett -- 1922-1923

Rev. C.R. Johnson -- 1924

Rev. Walker

Rev. C.S. Young, Sr. -- 1932-1938

Rev. F.W. Frye -- 1939-1940

Rev. W.V. Brown -- 1941-1944

Rev. F.D. Young -- 1944-1947

Rev. Floyd Paschall -- 1947-1949

Rev. H.D. Booth -- 1949-1952

Rev. Warren E. Kerr -- 1953-1955

Rev. James S. Taylor -- 1955-1958

Rev. Grover B. Vaughan -- 1958

Additional land has been acquired by the church, and an expansive building program, as well as remodeling the old sanctuary, was begun in 1951 and completed in 1960. The sanctuary was brick veneered and a new educational building constructed which makes our people happy to come unto the House of the Lord.

The present pastor, Rev. Grover B. Vaughan, formerly from Raleigh, came to this pastorate in 1958 from Mississippi. He and his wife are former missionaries, and perhaps this experience in the vineyard gave them the incentive to work more diligently with the members at West Hill. Under their patience and with their prayers and leadership the renovations were completed, and West Hill now enjoys a Sunday School of 202 resident members and 24 non-residents in addition to an extension department that functions well.

The deacon board operates on a rotating basis, and the W.M.U., in order to continue meeting the needs of the people, has arranged its circles to accommodate the women working on different shifts. Two of the members, Calvin Scarlett and Arthur Hill conduct services the second and fourth Sundays at the Rest Home, and the choir reaches out to shut-ins by providing special music for their spiritual enjoyment.

A new lighting system, additional rooms that are well-ventilated and stained glass windows add beauty to the West Hill church, but the spirit that prompted its

organization in 1917 has not changed. It is still that where there is a need for baptized believers to meet together to worship, there should a church be organized.

That spirit is responsible for the first little church called West Hill Baptist Church, and down through the years that spirit has existed even unto today. God has been -- and still is -- working through His people in this section.

Respectfully submitted,  
Mrs. J.J. Lassiter

## REPORT OF THE EXECUTIVE BOARD

The Executive Board of the Association met quarterly in the promotion of the work of the Association, holding meetings in January, April, July, and October.

At the January meeting a committee was appointed relative to the matter of membership in the Association of two churches who had not complied with Article III of the Constitution. The following committee was asked to contact these two churches and report back to the Executive Board: Travis Styles, Moderator, chairman, Jack Clark, clerk; Leland Royster, missionary.

The Board in its April meeting received a report from the Committee on Nominations concerning the replacement of leadership in the Associational Organizations. The members present unanimously approved the giving of an extra week of vacation time to the missionary for his attending the Southern Baptist Convention in San Francisco.

At the July meeting, upon the recommendation of the Committee on Evangelism, the Board adopted the dates of March 24-April 7, 1963, as the time for Jubilee Revival. A special committee was appointed on Public Morals, with specific instructions to study the problem created by industry going on seven days a week. The members of that committee are: Earl Pym, Ralph Jones, B.G. Bass, Travis Styles, and Leland Royster.

The meeting in October of this year saw the members adopt the recommendation that the new budget for 1962-63 as presented by the Finance Committee be adopted by the Association in its annual session. The committee appointed to confer with two of the churches, Merry Oaks and Gospel Tabernacle, relative to membership in our Association, brought the report that it had completed its job and would bring specific recommendations to the annual meeting. The Committee on Membership reported that membership application requirements had been met by the Eastlawn Baptist Church. The Board adopted a motion that they be received. The full report of this committee will be given separately. The clerk was instructed to send letters of condolences to Mrs. Earle Bradley, Raleigh, and Mrs. Charles E. Maddrey, Hillsboro.

Respectfully submitted,  
B.G. Bass, Vice-Moderator

## REPORT ON SUNDAY SCHOOL

Any organization in our churches today must justify its existence if it is to claim the loyalty of modern man. This is more and more becoming true with the Sunday School. There was a time when individuals were loyal to the Sunday School because it served as a social outlet along with a teaching of God's Word. Today that social need can be met through other community organizations. This means the Sunday School must justify itself as a Bible teaching organization. Only with trained leadership can the Sunday School truly be a school. To aid us in attaining leadership I

## ORANGE COUNTY

REVISED OCTOBER 30, 1962 - EARL M.

make the following suggestions.

1. That our churches make better use of our Associational Sunday School Leadership by greater support of Associational Sunday School Meetings, and by using Associational Sunday School Departmental Superintendents as resource individuals in their particular age-groups.

2. That our churches give greater support to our Associational Sunday School Meetings by sending many of their trained leaders to participate in age-group conferences. The churches with the best Sunday Schools and the best trained leadership could be the strongest arm of support for lifting the quality of Sunday School work in all our churches. To attend a meeting because you can make a contribution rather than to receive something is to possess a true sense of mission.

3. That our churches develop a perennial program of training for Sunday School Leadership in the local church. Especially is this need great in the area of Sunday School teaching. Only through a training program which is continuous can our growing needs for efficient leadership in the Sunday School be met.

Respectfully submitted,  
W.T. Cockman

## REPORT ON VISUAL AIDS

The increased use of Visual Aids in the promulgation of Christian work is evident on every hand. The value of Visual Aids in the learning process is beyond question. To facilitate greater use of this aid to learning, the following suggestions are made:

1. That each church select an individual or committee to make known the availability of Visual Aids for the various areas of church life. Many times Visual Aids are not used simply because their availability is not known.

2. That each church have a person trained in the use of Visual Aids equipment. The effectiveness or lack of effectiveness in the use of Visual Aids is so often determined by the knowledge of the individual in charge of the equipment.

3. That each church make known to our Associational Missionary any projected materials in its possession which it is willing to loan to other churches. Thus a list of available materials could be kept in the Associational Office. This will cut the expenditure of our churches in this area and facilitate the use of Visual Aids.

Respectfully submitted,  
W.T. Cockman

## REPORT ON BROTHERHOOD

According to the latest figures which I have had available, only seventeen of our churches in the Mt. Zion Association have any kind of a Brotherhood organization, with an enrollment of 576.

We feel that the figures would increase five-fold if only the pastors and churches would visualize the potential and blessing that can be released by bringing together our Baptist men in promoting the whole church program and developing more mature stewards in the Kingdom of our Lord.

We feel, also, that perhaps some of our present Brotherhoods have failed to be an inspiration for organizing others. Each Brotherhood must have a far-reaching program that is adapted to the needs of the particular church.

Consecrated leadership is another must if the Brotherhood is to render a service

or the good of the church and to the glory of God. The hottest spark for having a live Brotherhood is that of evangelism; winning the lost to Christ.

It is hoped that more of our churches will come to realize what a blessing the men can be and will take steps to organize and utilize them. Our Associational Missionary and our Associational Brotherhood officers are anxious to advise and help to organize Brotherhood work with any church.

Respectfully submitted,

H.L. Sumerford

## REPORT ON WOMAN'S MISSIONARY UNION

With a realization of God's world purpose and the desire to share Christ with others, Woman's Missionary Union strives to promote a program of Christian missions through prayer, mission study, community missions, and stewardship.

This year the executive board has met quarterly to plan and promote the work throughout the Mount Zion Association.

On March 20th we met at the First Baptist Church in Burlington for our annual inspirational meeting. This was a gathering of some 300 women who were inspired by a wonderful missionary message and by the opportunity of fellowship together. In February our YWA's journeyed to Antioch for a Focus Week Banquet. Miss Sarah Ann Hobbs, state YWA Director, was the speaker. On May 10, Glenhope Church overflowed with GA girls as we came together for our annual G.A. Rally. At this meeting plans were begun for the coming 50th anniversary of Girl's Auxiliary in 1963.

Feeling the need for more trained leaders in our Association, we held a leadership course at Swepsonville in May. Approximately 65 women obtained cards of accreditation in the four organizations of WMU.

From July 18 to September 30, we observed 75 days of prayer in preparation for the 75th anniversary of Woman's Missionary Union, which will be May 11, 1963. WMU was born in prayer and we continue to pray for the great cause of missions. Two prayer retreats were held, a daytime meeting at Bethel Church and one in the evening at Brookwood Church.

On August 14, a Sunbeam Daycamp was held for eight-year-olds at Glenhope. This was a day of mission study, nature study, Bible study and recreation for our Sunbeams. In September the WMS met at Eastlawn Church for its annual Leadership Conference. About 200 women came to learn more about their jobs in the local churches for the coming year.

Our local churches have been hard at work this year. Moore's Chapel attained the recognition of Honor Woman's Missionary Society; four societies were Advanced and seven were Approved. We had nine Honor GA organizations: Burlington First 9-10 year; Eastlawn - 13-16 year; Moore's Chapel - 9-10 year, 11-12 year, 13-15 year; and Glenhope - 9 year, 12 year, 14 year and 15 year. There were nine Advanced GA's and nine Approved. Eastlawn had an Honor Sunbeam Band and there were thirteen reaching the recognition of Approved. We congratulate these churches for their achievement this year.

And as we come to our Anniversary Year 1963, we are challenged by the goals set forth by the Southern Baptist Convention and with God's help we will strive to meet them as we study, as we pray and as we give for the work of His Kingdom.

Respectfully submitted,

Mrs. Harry D. Andrews, President

## REPORT ON CHRISTIAN EDUCATION

The decade of the 1960's promises to be a period of major emphasis on education. One can hardly study the progress of our denominational program without realizing the absolute necessity for adequate Christian Education. "The Thirty Thousand Movement" will require and is requiring Christian leadership in proportions heretofore unrealized. The goal of two thousand missionaries under appointment by our Foreign Mission Board by 1964 will obviously demand a tremendous amount of new Christian leadership. The expression of our Baptist Colleges in our own State has already placed demands for Christian leadership adequately trained and prepared

beyond our supply. In the light of our expansion of the Kingdom's work throughout the world the emphasis on Christian education becomes a matter of "do or die."

As young people proceed from their home churches to the colleges of our state, it is absolutely essential that they be provided with the finest education possible in the most consecrated Christian environment. Such educational institutions are possible only when every church from the smallest to the greatest is aware of the need and dedicated wholeheartedly in interest and concern to the task of Christian education which has been set before us. This must be an interest and concern which leads to constructive action rather than destructive criticism. It has been the conviction from earliest time among Baptists that the church-sponsored and controlled schools is the foundation of strength for our society, and it must ever be that way. Our seven colleges must be securely lashed to Christ and His way for only thus can they continue to make their contribution to our churches, our denomination, our society, and the work of our Lord all over the world.

Beginning in 1957, Father's Day has been designated for Christian Education with emphasis being placed on our seven North Carolina Baptist Colleges, and with a special offering being taken to provide financial support for the many students who would be unable to obtain an education without such support. All of our churches are urged to observe this day with this special offering.

Respectfully submitted,  
H.L. Sumerford

## THE NORTH CAROLINA BAPTIST FOUNDATION

The North Carolina Baptist Foundation was authorized by the Baptist State Convention in 1919. The Board of Directors organized for business in 1920. From the period of the organization until the present, the Baptist Foundation has had a rather irregular promotion.

The Committee of 25 recommended to the State Convention in 1959 that the Baptist Foundation be fully staffed and activated. It requested the Convention to adopt a budget providing for a full-time executive secretary, with the necessary travel, office expenses, etc. It was not until July 1 of this year that a full-time executive secretary was employed. For the past few months, Mr. Peyton J. Brown has served as Interim Director, without remuneration. The total assets of the Foundation as of June 30, 1959, were \$245,131.32. The total assets as of June 30, 1962, were \$303,186.66. In these past three years our total assets have gained \$58,055.54. This gain has largely been due to the Interim Director and our present chairman of the Board of Trustees, Mr. Bown.

What is the Baptist Foundation? The North Carolina Baptist Foundation is an incorporated agency of the Baptist State Convention of North Carolina. It was created by the Convention for the purpose of procuring endowment funds and for administering said funds for all institutions and agencies owned and controlled by the Convention. It is independent of the cause it serves, but committed to its best interests. It is not a competitive agency, but a service agency dedicated to the task of undergirding all our Baptist work.

Funds usually come to the Foundation through one of five channels:

- (a) Through a CHRISTIAN WILL. In his will a person leaves all or part of his estate with the Foundation for some Baptist cause. Of course, the Foundation then receives its share when the estate is settled.
- (b) Through a LIVING TRUST. A person makes a donation to the Foundation while he is living. The Foundation then administers the fund and directs the income to

the Baptist agency of his choice. This allows the donor to see his gift at work.  
(c) Through a MEMORIAL TRUST. A person makes a gift to the Foundation in memory of a loved one and instructs the Foundation to place the income from it to one or more Baptist agencies.

(d) Through a LIFE INCOME TRUST. A person makes a gift to the Foundation and specifies a Baptist agency as beneficiary, but requests the income for himself as long as he lives. This permits him to receive the earnings to the end of his life and to know the beneficiary of his charity after his death.

(e) Through LIFE INSURANCE. A person takes out a policy in some amount in the name of the Foundation and designates the Baptist cause as irrevocable beneficiary. The premium he pays is then tax free as a charitable gift.

## REPORT ON RESOLUTIONS

Be it resolved that:

1. The Mount Zion Baptist Association, in its 93rd Annual Session, expresses its appreciation to the host churches--Hocutt Memorial, Mebane First, and Cane Creek--for inviting us to meet with them, and for the efforts put forth by the pastors and members of these churches in caring for our needs.

2. Be it further resolved that our Association express its appreciation to our Moderator, Brother Travis Styles, to our Associational Missionary, Brother Leland Royster, to our Music Director, Brother Furney Baker, to all Associational Officers, and to all Committees whose work has made this session possible.

3. Be it also resolved that we express our appreciation to those who have led our worship services through the preaching of the Word and music.

4. Finally, be it resolved that the Mount Zion Association dedicate itself anew to the accomplishment of God's will in its program on the local level, in the state, in the nation, and in the world.

## HISTORICAL SKETCHES OF MT. ZION CHURCHES

Brief histories of Mt. Zion Churches are recorded in the Minutes of the years as herewith listed. The Association Historian suggests that every church in the Association have copies of the Associational Minutes bound every ten years and keep them in the local church libraries. This will make the Minutes of the years available to all the churches, and those bound volumes will grow more valuable with each passing year.

Although our Association has had Historians almost from the date of its organization still the Clerk was not able to find the history of any church recorded in the Minutes until 1921. Just why the sketches of other years were not recorded in the Minutes is inexplicable.

At the 1874 session of the Association it was decided to elect a Historian annually. The Minutes of 1875 record that "The report of the historian was adopted and ordered to be recorded in the "Book of Records of the Association." No trace of this book exists. The historical sketches from 1921 are shown in Minutes as follows:

We, the Baptist Churches of the Mount Zion Baptist Association, unite according to the plan and for the purpose and work of New Testament churches in our world, and to this end to cooperate to the fullest extent possible with the State and Southern Baptist Conventions; according to the following articles:

## Article I NAME

The name of this body is the "Mount Zion Baptist Association."

## Article II PURPOSE

It shall be the purpose of the Association to cooperate with the State and Southern Baptist Conventions in the promotion of Christian Missions at home and abroad, and in any other related objects such as evangelism, Christian education, benevolent enterprises, and social services which it may deem proper and advisable for the furtherance of the Kingdom of God.

## Article III MEMBERSHIP

SECTION 1. The Association shall be composed of cooperating Baptist churches in the area of the Association.

SECTION 2. The Association shall be sole judge of its membership and may receive churches, or reject churches, according to its Constitution and By-Laws. Member churches may also withdraw as they desire. Any church in the Association which fails to cooperate with the Association shall be contacted by a committee appointed by the Executive Board of the Association to ascertain the wishes and desires of the church relative to its continuance in the Association. The committee shall report and bring appropriate recommendations to the Association.

A cooperating church shall be defined as one which sends a report and messengers to the annual session, and contributes to the financial program of the Association.

SECTION 3. Churches desiring to affiliate with this body shall make a written request to the Committee on Membership of the Association at least three months prior to the annual meeting. If, in the judgement of the Committee on Membership and the Executive Board, the requirements hereinafter set forth have been met, the church may be recommended for membership without delay at the annual meeting of the Association. ## REPORT ON BAPTIST HOSPITAL

The opportunity of serving persons created in the image of God is a high and holy privilege. As Christians we are especially alert to the many needs around us. The needs of the sick most often claim our time, concern, and prayers.

We have an opportunity to minister to thousands of people who are sick in body, mind, and spirit. These people come to our Baptist Hospital seeking help. To them are extended the hand of love and mercy through the skilled hands of the doctors, nurses, chaplains, and the many others who are involved in the ministry to the total person.

We are grateful for this opportunity of joining hands with those who soothe the fevered brow, give the miracle drug, guide the surgeon's knife, bring the message of hope, and do the hundreds of other tasks which are necessary in the operation of our great Medical Center.

The number of those receiving services at our Baptist Hospital this year will be greater than the population of one of our medium-size cities, such as Goldsboro or Salisbury. Most of them will be seriously ill and referred by their family physicians because they need the kind of care available only in a large medical center, such as our Baptist Hospital. They will come from all areas of our state and from all walks of life. What a privilege it is to serve these friends in need and what a challenge it is to us, the Baptist of North Carolina, to provide a place where their needs can be met.

The Mother's Day Fund, which we provide by our special offerings is the means through which we make it possible for those who cannot pay to have the care they need. We wish to thank you for your share in this ministry. May your Christian concern for the sick continue to express itself in the opportunities which lie ahead.

Respectfully submitted,  
Raymond H. White

## REPORT ON BAPTIST CHILDREN'S HOMES

More children were served by the Baptist Children's Homes of North Carolina last year than ever before in history. This was made possible by the interest, prayers and giving of North Carolina Baptists and other friends. We are indeed grateful for every remembrance--the Thanksgiving offerings, once-a-month offerings, Cooperative Program gifts, food, clothing and other things. Without these we could not provide the many services to children and families which we do.

The physical, mental, social and spiritual growth and development of our children has been most gratifying. North Carolina Baptists have every reason to rejoice with the very fine response of these boys and girls to the Christian love and care afforded

them. Members of an already fine and capable staff continue to grow in their love for children and their ability to work effectively with them.

We have been reminded for several years of a growing need for specialized services for an increasing number of children who suffer emotional illness. We are happy to report that these services are being provided a limited number of children in a small home at Chapel Hill in cooperation with the University Medical Center. They are receiving the best professional, medical help that can be provided. We are most fortunate to have this facility. It will strengthen greatly our entire program of child care.

We are compelled to keep our pressing needs before you. Applications for the admission of children are increasing. Relatives, pastors, friends of dependent children, departments of public welfare and others plead with the leadership of the Homes daily for help. A familiar plea is, "Unless you can help this child, there is no hope for him." We lay upon your hearts three areas of need.

1. An immediate increase in the number of children in good Christian foster homes in all areas of the state.
2. Continuous expansion and up-grading of facilities to enable the Homes to keep abreast of the best in child care.
3. An increase in financial support to undergird and strengthen the entire program.

A generous Thanksgiving offering is a must! Without it we cannot maintain what we now have in progress. We would challenge Pastors, Sunday School Superintendents and church leaders to make the best preparation possible for the forthcoming offering. Giving for the care of dependent children affords one of our greatest joys in Christian service.

Financial support for the past year has come from the following sources:

Cooperative Program	33 per cent
Thanksgiving Offering	30 per cent
Once-a-Month Offerings	16 per cent
All Other	21 per cent

CHARITY AND CHILDREN, the official publication of the Homes, is now in its 76th year of publication and is widely read by our Baptist people. It has long been one of the best religious papers published among Southern Baptists. Every family in every church is invited to be among its readers to keep informed about our child care program and the world mission of our Lord. An issue of CHARITY AND CHILDREN can be enjoyed each week during the year for only sixty cents. See that your church receives it.

Respectfully submitted,  
William Brogden

## REPORT ON TEMPERANCE AND MORALS

Some 38,000 Americans were killed in automobile accidents last year. The competent and highly regarded National Safety Council estimates that as many as half of the drivers involved in the fatalities had been drinking. And yet as shocking and terrifying as these facts are, this is just one part of the shameful story alcohol is writing across our land.

The broken homes, broken health, broken faith, and broken hearts are some of the fruits of alcohol that are constant reminders that the only preventive measure is total abstinence, which not only must be taught but practiced by Christians.

Some years ago when election was held on the A.B.C. store in our county many were led to believe the end would justify the means. Yet today many years later

we still have the bootlegger, and the Christian action league has said that for every dollar we collected in revenue in 1962 we had to spend \$20.00.

Even though we have lost a battle, we have not lost the war unless we quit. We should strengthen our stand against alcohol and its evils by teaching and practicing total abstinence and supporting those organizations that are working toward this goal.

There are other areas of concern in the morals of our day. Salacious literature, indecent movies that are a threat to the morals of our youth and adults alike.

Then too we can no longer be blind to the social revolution that is going on in our midst. Today as never before we must "Be doers of the word and not hearers only. Today we must let our light so shine before men that Christ shall be glorified and His kingdom be advanced to the end of the world."

Respectfully submitted,  
Frank Haith

## REPORT ON SUNDAY SCHOOL

The Associational Sunday School organization sponsored four meetings this year including two age-group meetings, a Vacation Bible School Clinic, and Action Night. It is our sincere belief that those who attended received some concrete help and inspiration from the meetings. We must be frank and admit that we did not reach many of the goals which we set for ourselves this year, but we hope that this realization will serve to stimulate us to a greater concern and effort for the coming year.

A major emphasis in the Baptist Jubilee Advance program for 1963-64 centers on evangelism, with a tremendous goal of 600,000 baptisms. Baptist Jubilee revivals have already been set in our association and in over 600 other associations across the Southern Baptist Convention. Last year our convention reported only 381,510 baptisms, a figure far short of the goal for 1963-64. The question that immediately presents itself is, "How can we make this 600,000 baptisms a reality?" It is a personal conviction that the Sunday School is the key to reaching this goal. It is the key because by purpose and design it is the organization best suited for evangelism. It is the largest organization in most of our churches. It comes into contact with more people. Its curriculum is an evangelistic book--the Bible. The age-group breakdown of its organization provides a means of reaching people on their own level. The Sunday School also provides the largest number of prospects. It has been estimated that there are 11 1/2 million lost and unaffiliated Baptists who are enrolled in Sunday School or are members of families who have at least one member enrolled. It is the organization which most of our churches have. In fact, 98% of Southern Baptist Churches have Sunday Schools.

It should be obvious that we have not used our Sunday Schools as the effective evangelistic agencies they ought to be. What can we do about this situation?

First, we can encourage our teachers to put a greater evangelistic emphasis in their teaching.

Secondly, we can plan an effective visitation evangelism program utilizing the Sunday School and its workers. We are suggesting that our association adopt as a program of action, the Associational Sunday School Witnessing Campaign. Timing is an important factor in this campaign, and we feel that it should be scheduled to culminate with our jubilee revivals.

Thirdly, we would encourage each church to hold a Vacation Bible School. One ten day Bible school is equal to one-half year of Sunday School work. At least 10 per cent of our decisions for Christ in our association come directly through the influence of our Bible Schools and probably as many more come indirectly.

Finally, to insure a constant and consistent evangelistic emphasis, we would encourage our churches to observe Harvest Day next September. This kind of evangelistic effort at the close of the church year would provide an unparalleled opportunity for teachers after they have had a year to work with their pupils.

With sustained effort upon these emphases, we can reach twice as many lost people for Christ in the coming year as we did this year.

In concluding this report, let us remind each church that the Sunday School organization exists as a service unit to help the churches. It will, from time to time promote meetings that we feel will be of help to the churches, but its greatest service can be rendered as your church requests help for particular problems. Call on your associational organization. They will be happy to help.

Respectfully submitted,  
Charles L. McMillan, Jr.

## REPORT ON PUBLICATIONS

"And the word of the Lord was published throughout the whole region."

Acts 13:49

"Of the making of many books there is no end," so declared King Solomon to his contemporaries. If that were true then, how much more today! Daniel prophesied that in the latter days knowledge would increase. However, neither of these men of God spoke of the quality of publications. Today, literature seems to be of two kinds: excellent and degrading.

For quality of publication, Baptist literature today need take a back seat to none. Almost from the time that the Southern Baptist Convention created the Sunday School Board to publish literature and promote the Sunday Schools, our literature has been of the finest quality. The same is true for our other publications such as those of the Home and Foreign Mission Boards, the Woman's Missionary Union, and the seminaries. And although not an official Baptist publication, DECISION magazine of the Billy Graham Evangelistic Association has made a notable contribution to the devotional life of many Baptists.

North Carolina Baptists, since 1833, have been blessed by the publication of the excellent BIBLICAL RECORDER. Circulation has increased since that time until now there are over 80,000 subscribers. Format, color, illustrations, imaginative news coverage--all these serve to make the RECORDER a paper of which every North Carolina Baptist may be proud. It is recommended that every Baptist family be a subscriber.

Now as regards the other kind of literature available today, that is, the degrading. This is the time for all Baptists, indeed all Christians, to become alarmed at the flood of obscenity that has washed up onto the newstands of our communities. The approach of many of those who publish such poison seems to have been the theory that if one softens up society with small doses of obscenity month by month, no one will notice when the full tide of it is finally in. Brethren, it is now in. If anyone doubts, let him take a trip to the corner drug store; there verification awaits. This sensual, violent, naturalistic, fatalistic, futile literature leaves nothing to the imagination. The minds and souls of today's youth are being inflamed and destroyed with unholy passions because of the attractive and easy availability of such literature. What can we do about it? We can care. We can even become indignant over it. If we will do that and pray, then perhaps God's Spirit will be able to lead us to seek ways and means of bringing its publication to an end. It is recorded in the book of Acts that the Word of God grew and prevailed, and so great was the publication of it that many of the citizens of Ephesus, that

great city of idolatry, actually came together and made a huge bonfire of their books of degradation. (Acts 19:17-20)

## REPORT ON TRAINING UNION

The highlight of the Associational Training Union Year was the "M" Night Service on Dec. 3, 1963 at Walter Williams Auditorium. Over 100 of our Young People from the various churches answered Dr. Cauthen's invitation to full-time Christian service. It is our hope that the pastors and churches have followed up on these dedications and that the lives of all of us will be enriched by the service these young people will render in the future.

Looking ahead briefly, this year, our "M" night service will be led by Dr. Leroy Parker of Greensboro. Dr. Parker is a former President of the North Carolina Baptist State Convention and is presently, in addition to his pastoral duties, a member of the Executive Committee of the Southern Baptist Convention. Glen Hope Baptist Church is the site, won't you be much in prayer for this service on December 2, 1963.

The calendar for the Training Union activities has been published and is included in the proposed calendar for 1964. The officers for your associational organization are not yet complete, but every effort is being made to secure them before the annual meeting.

Continue to pray for all of us.

Respectfully submitted,  
Thomas A. Wolfe

## REPORT ON AMERICAN BIBLE SOCIETY

The American Bible Society is an active partner of Southern Baptist. It helps missionaries to translate the Bible. It publishes without note or comment and distributes without profit, usually below cost, for world wide missions.

Southern Baptist missionaries depend on the Bible Society for Scriptures they need for their people and the Bible Society depends on gifts. State Conventions and the Southern Baptist Convention have adopted resolutions requesting the churches to give to the American Bible Society--because the Society does not share in the undesignated funds from the State Conventions or from the Southern Baptist Cooperative Program.

Southern Baptist Churches send their gifts through the Baptist state offices, marked "for the American Bible Society," and each year an increasing number of churches include the Society in their annual budgets.

This year will you not include the Society in your budget, it will be an important step in sending the Word of Eternal Life to people who can have it only through your help.

Thomas A. Wolfe

## REPORT ON ANNUITY BOARD

### SPECIAL DEATH BENEFIT ADDED TO SOUTHERN BAPTIST PROTECTION PLAN

The Southern Baptist Protection Plan now provides a special death benefit for all members, both ministers and denominational workers, under 40 years of age. It covers both natural and accidental death.

If the member dies a natural death before age 40, the benefit provides a cash settlement to the member's widow or estate equal to the average salary on which dues were paid. If he dies because of an accident, the cash settlement will be double the average salary.

There is no added cost for this special death benefit, which is in addition to the regular retirement, widow and disability benefits of the Protection Plan.

The benefit is easy to figure. Suppose a member dies at age 32 of natural causes, and the average salary on which he had paid dues in the Protection Plan was \$3,550. His widow or estate would get a cash settlement of \$3,550, plus the

regular widow benefits. If he is killed accidentally, his widow or estate would receive twice this amount, \$7,100, plus regular widow benefits.

## BENEFITS PAID

More than \$41 million have been paid in relief and annuity benefits by the Annuity Board since its beginning in 1918. Last year these benefits totaled more than \$3 million, and were paid to more than 4,500 ministers and denominational workers or their families, who were members of a retirement plan, and to approximately 750 on the relief rolls.

## MEMBERSHIP IN RETIREMENT PLANS

As of April 1, 1963, there were 15,964, or 49%, of the total churches in the Southern Baptist Convention participating in the Annuity Board's retirement program for their pastors. Out of a total of 212 educational institutions, hospitals, children's homes and homes for the aged, 121 are enrolled in an Annuity Board retirement plan with their employees. Total membership in all the Board's retirement plans is approximately 25,000.

## FIELD REPRESENTATIVE

The Annuity Board field representative of North Carolina is Guy Cain. He promotes the Board's retirement plans, trying to enlist all those pastors, churches and denominational employees who are not enrolled in the program in North Carolina. He also conducts a program of education, helping those who are in the plans to know more about the provisions they have for the future, and advising them if they should seek additional protection through a supplemental plan with the Board.

Rev. Cain is available to speak to a group in the church or association, or for personal conferences about any phase of the Annuity Board's work. His address is: 301 Hillsboro Street, Raleigh.

## OFFICERS OF THE ANNUITY BOARD

Administrative officers of the Board are: R. Alton Reed, executive secretary; Floyd B. Chaffin and L. T. Daniel, associate secretaries and directors of development; Fred W. Noe, associate secretary and director of investments; B. J. Chenault, comptroller-treasurer; Owen Henley, assistant director of investments and Mable H. McCartney, registrar.

As of June 1, 1963, the following churches are enrolled in the Annuity Board's retirement program:

Burlington, First	Cross Roads	Kinnett Memorial
Mebane, First	Deep Creek	Mars Hill
Elon College, First	Edgewood	Moore's Chapel
Graham, First	Eastlawn	Northside
Hillsboro, First	Fairview	Oak Grove

## REPORT ON CHRISTIAN EDUCATION

North Carolina Baptists now have seven colleges with the 1962 Fall enrollment of 9,189. These colleges play a vital role in producing Christian Leadership, not only in Christian vocations such as the ministry, missions, evangelism, church music, religious education and related fields; but, more particularly, they are contributing a vital leadership through laymen who are serving in many capacities in local communities.

Of special interest this year is the fact that Campbell College graduated its first senior class. Mars Hill will be graduating its first senior class in the spring of 1964.

Our Baptist colleges recognize the challenges of Christian higher education.

1. The challenge presented by the plight of modern youth who are desperately trying to find the meaning of existence in a world which elders did not know, a world teetering on the brink of atomic destruction on one hand and staggering under the burden of military training on the other.

2. The challenge of Christian Leadership in a world which for the past several years has watched an alarming decline in the number of men and women committing themselves to Christian vocation.

3. The challenge of liberty and individual dignity in a world which has witnessed a dehumanization of man on every level.

4. The challenge of a culture which has radically changed from Christian to non-Christian in practice and world view.

5. The challenge of high academic standards and competent teaching.

Baptist colleges have two major emphasis for 1964. First, a CHRISTIAN VOCATIONAL DAY is planned as a day for "calling out the called." Second, we hope to make the Christian Education Day offering next year a great offering to help those young people answer the call to full-time Christian service and to go to college.

Respectfully submitted,  
Richard L. Park

## REPORT ON WOMAN'S MISSIONARY UNION

The year 1962-63 was a glorious one for Woman's Missionary Union. With socials, inspirational gatherings, and the attainment of challenging goals, we celebrated our 75th Anniversary. In Mt. Zion we endeavored to prepare ourselves for the Anniversary Year with 75 days of private prayer and two Associational retreats of concerted prayer. Conferences designed to train local leadership for the Anniversary Year were held in September at Eastlawn. On October 4, at Mebane First, we held our Mission Study Institute, the purpose of which was to aid local leaders in the teaching of the 1962 Foreign Mission Graded Series.

On December 3 we had the rare privilege of cooperating with the Associational Training Union in "M" Night, as some 1,500 Baptists gathered in Walter Williams High School to hear Dr. Baker James Cauthen, Executive Secretary of the Foreign Mission Board, bring an inspired message, and to praise God when more than 100 young people publicly dedicated themselves to special service in God's Kingdom. At least 22 local WMU Presidents were in attendance.

In February we offered, at Kinnett Memorial, a four-night leadership course for local WMU leaders, including those in WMS, YWA, GA, and Sunbeam Band. Attendance was excellent, with 75 women obtaining their WMU leadership card.

In February also we were invited to participate in the Associational Central Training School. The WMU Course we offered was well attended.

On March 19 some 250 women gathered at Fairview Baptist Church for our 57th Annual Session, where we endeavored to commemorate worthily the 75th Anniversary of WMU. Mrs. Alvin Spencer, missionary to Japan and Okinawa, brought an outstanding message. Rev. Robert Clegg, spoke with distinction on our 75th Anniversary Watchword. Associational WMU leaders presented an enjoyable and informative drama on the history of WMU. We recognized with gratitude former presidents of our Associational WMU. Food, fellowship, and inspiration were plentiful.

In June members of the WMU Enlistment Committee met with leading women of New Hope Baptist Church and aided them in the organization of a WMS. Since this organizational meeting, reports from New Hope have been very encouraging.

Our YWA's held their annual banquet in February at Glenhope, with 75 girls thrilling to the message of Mrs. Ronald Hill, missionary to Thailand. During the year three new YWA's were reported: Oak Grove, Eastlawn, and Burlington, First (re-organized).

The year 1962-63 was also the 50th Anniversary of Girls' Auxiliary. On November 30 the 50th Anniversary GA Banquet was held at Graham First. Approximately 500 girls heard Rev. Alvin Spencer tell of the spiritual needs of Japan and Okinawa. During the year many local WMU's held 50th Anniversary celebrations for their GA's. In June, 37 GA's from our Association, with chaperones, traveled by bus to Memphis for the Convention-wide GA 50th Anniversary Celebration. This was a great occasion in the lives of those GA's privileged to make the journey.

On August 13 the annual Sunbeam Band Day Camp for eight-year olds was held at Antioch Baptist Church. Approximately 115 Sunbeams gathered for Bible study, mission study, nature study, music, food, and recreation.

Since 1962-63 was our WMU 75th Anniversary Year, it seems that many of our local WMU's strived harder than ever to achieve worthwhile goals and aims. Out of 16 Anniversary Goals, Kinnett attained all 16, and Eastlawn 14. On the Aims for Advancement Moore's Chapel and Kinnett attained recognition as Honor Societies. Four societies attained Advanced, and three Approved. Three YWA's attained Advanced recognition. Twelve GA organizations attained Honor: Eastlawn-9-12 year, 13-16 year; Glenhope-9 year, 11 year, 12 year, 13 year, 15 year; Kinnett-13-16 year; Fairview-11-12 year; Moore's Chapel-9-10 year, 11-12 year, 13-15 year. Three GA's were Advanced and 14 were Approved. Eight Sunbeam Bands were Honor: Eastlawn-Beginners and Primaries; Burlington First-Beginners, Primaries, World Friends; Moore's Chapel-Beginners and Primaries; Oak Grove-Ungraded. Four Sunbeam Bands were Approved.

Throughout the year the WMU Executive Board met quarterly in order to plan, evaluate, and promote the work in the Association.

In preparation for service in the 1963-64 WMU year and in the Southern Baptist emphases of the Third Jubilee Year of North American Baptists, eight out of an eligible ten of our Associational WMU officers attended the State WMU Leadership Conferences at Campbell College, August 23-24. Possessing the benefit of the knowledge, wisdom, and inspiration of the State Conferences, we held our Associational Leadership Conference for local WMU leaders at Mebane First, September 16.

Thus ended the 75th Anniversary Year of WMU. To God be the glory in all that was accomplished. May our past successes be mere stepping stones in the forward journey of winning the world for Christ.

Respectfully submitted,  
Mrs. John W. Phillips, President

## REPORT ON NORTH CAROLINA BAPTIST HOME FOR THE AGING

More than 160 count it a blessing to live in our four North Carolina Baptist Homes for the Aging. They are Resthaven and Hayes Home in Winston-Salem, the Albemarle Home in Albemarle, and Hamilton Home at Hamilton. The halls of these homes are filled with laughter and joy.

Of the residents now, the average age is 80, ranging from 65 to 102. Every attempt is being made now to minister to the needs of these. In this distinctly Christian atmosphere, one finds love, peace, companionship, and a sense of security. Each member of this family can rest secure in knowing the food is good and plentiful and that there is medical care when needed. Freedom from worry concerning this adds to their lives.

A waiting list equal to the present number of residents shows that we are still in need of more space.

The Superintendent of the homes has this to say, "The tie with our Baptist people and our Baptist Churches is a blessed one indeed. We are continually dependent upon the prayers, the visits, the loving concern, and the financial support of our people. The two most vital media of support from the churches are the Special Day Offerings, received on the third Sunday of February each year, and the Home's share in the Cooperative Program. Inasmuch as we receive only 1 3/10 per cent of the State Convention's share of the Cooperative Program, or \$7.92 out of each \$1,000 contributed through the Cooperative Program, we shall have to continue to look to the Special Day Offering for the greater part of our support from the churches.

North Carolina Baptist have given a good account of their stewardship in their ministry to the aging during these years of a wonderful beginning, and we have the faith to believe that they will continue to move forward in this great area of human concern." (W. A. Poole, Supt.)

## REPORT ON AUDIO-VISUALS

The use of visual aids is not new to our churches. We are aware of the effectiveness of appropriate visual aids in getting across a message to the people.

We would like to urge every church to do the following in attempting to carry out a more meaningful visual aid program:

1. Elect a visual aids committee

2. Make use of materials available in the visual aids library at the Baptist Building in Raleigh
3. Contact the Association Missionary about materials in his office.

Respectfully submitted, Howard A. Moore

## REPORT ON EVANGELISM

As we close the record book upon another associational year, we humbly thank our Heavenly Father for the victories won, and we turn our attention to the task before us.

During the year the churches have reported additions as follows:

By baptism 437 By letter 528 Total 965

There is much to be done as we continue our efforts to get ready for the great endeavor before us in 1964. We, in our own strength, cannot bring a revival but there is no record in history of a revival among God's people against their will. History reveals that every spiritual revival has come only when God's people had longed for it and earnestly prayed for it. Also, a fervent proclaiming of the Gospel has always been in evidence when God poured out His spirit in power upon His people. Of course this means that revivals are of God but it also means that He uses His people in them.

1964 has been designated as the climactic Jubilee year for our best effort under God in evangelism. Plans call for Jubilee Revivals in every Baptist church on the North American Continent.

Southern Baptist's TOP PLANS for 1964 are listed below. We should prayerfully study them and follow them as the Holy Spirit leads.

## REPORT OF THE ASSOCIATIONAL MISSIONS COMMITTEE

The Missions Committee is happy to report the following results of a mission

survey among our churches. Six churches have services in a rest home; one church has services in a jail and one in a prison camp; three churches have services in a County Home; one church has a special Training Union Class for the Deaf and one church is planning an extension Sunday School. This report indicates the interest of many of our churches in local mission endeavor. Only four of our churches report having a Church Missions Committee. It is strongly suggested that every church elect such a committee to study the needs and meet the challenge of local missions for each church.

The attached maps have been prepared to show the immediate areas of need in our Association. The First Baptist Church of Burlington has recently purchased two lots for future church work (see map) and a piece of property on U. S. 70A between Mebane and Efland has been donated to the Association for a new church. The missions committee is pleased with this progress and stands ready to assist and encourage all of our churches to have a greater part in local missions.

Respectfully submitted, William A. Cole, Chairman, Wallace Smarr,  
Vernon Culpepper, Mrs. Harry Andrews, Curtis Oakes

## REPORT OF EXECUTIVE BOARD

The Executive Board of Mt. Zion Baptist Association met quarterly in the promotion of the work of the association. Meetings were held in January, April, July, and October.

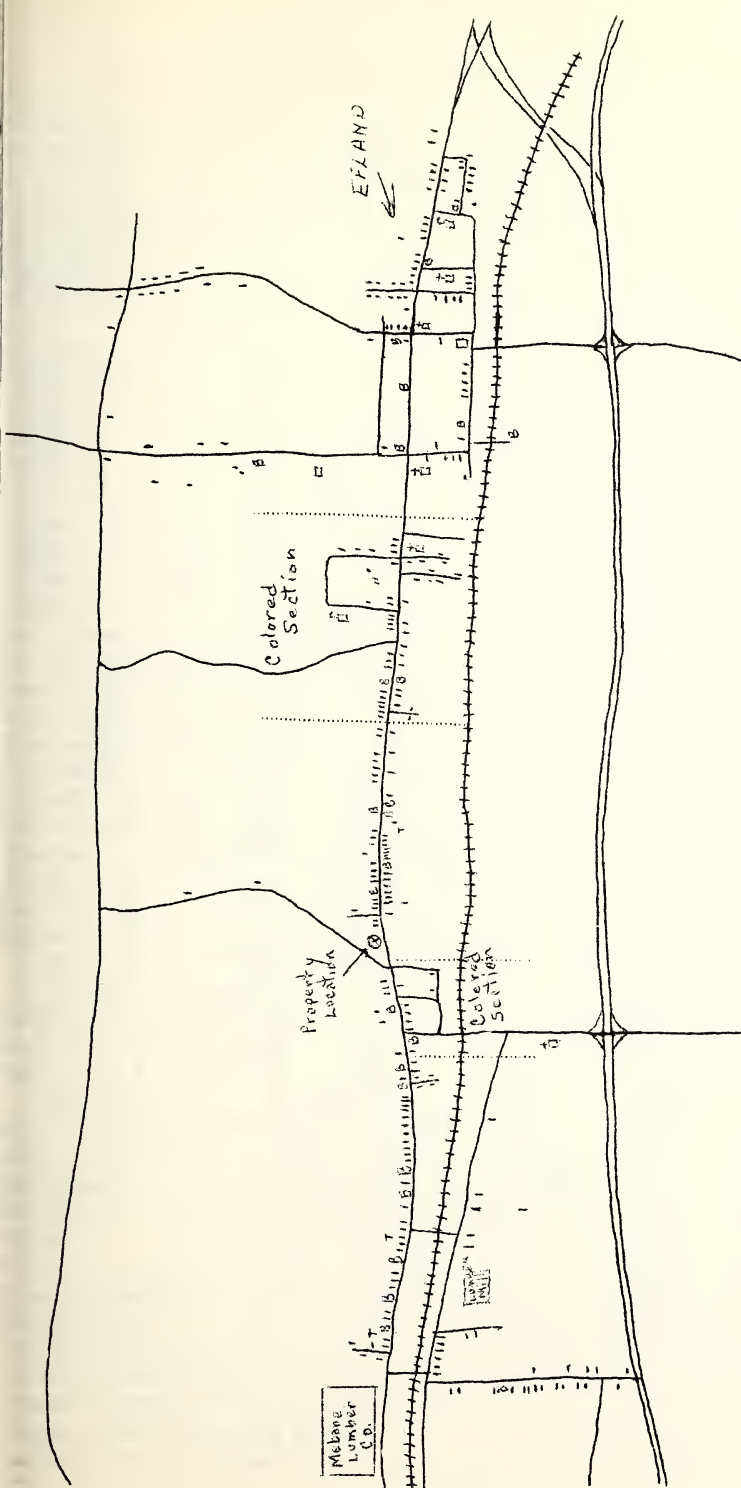

Reports were heard from all the standing committees of the association at the January meeting. A report was received from the clerk of the association concerning the withdrawal of fellowship on the part of Hico Baptist Church. The letter from the pastor of that church concerning the action of the church was received as information, and the clerk was informed to remove the name from the roster of churches.

In the April meeting the Board endorsed a request for aid of \$900 from the Baptist State Convention toward the pastor's salary of Elon First. This was in connection with the beginning of an active BSU program at Elon College. The matter of an associational camp site was again proposed, and was favorably referred to the Finance Committee.

There were few actions to be taken by the group in July. Reports from committees were received. The clerk informed the board of the action of the Andrews Memorial Baptist Church, which had voted to withdraw from the fellowship of our association. This report was received regretfully and the clerk was informed to remove the name of the church from our roll.

In October the members of the board endorsed for next year a request to the Baptist State Convention applications for aid to pastor's salary of \$900 from Elon First, and like amount for aid on the salary of the associational missionary. The Missions Committee reported about a proposal of a gift of four acres of property fronting on U. S. 70A located between Mebane and Efland for the purpose of a new work. A motion was made that the land be accepted, contingent upon a survey of the area being made by the committee revealing a need for a new work. The Finance Committee presented the proposed budget for next year, and it was approved by the board to be recommended to the association in its annual meeting. The Finance Committee also recommended that no action be taken upon the proposed campsite near Efland. Approval was given to having a Sunday School Witnessing Campaign, February 3-7, 1964. The Board also received, with regret, the resignation of our Associational Missionary, Leland Royster, who will begin his duties as Missionary of Haywood Association on December 1. A standing vote of appreciation was given to Mr. Royster on behalf of his labors among us.

Respectfully submitted,

## REPORT ON BROTHERHOOD

"When the Brotherhood began in 1907 as the Layman's Missionary Movement, its purpose was to stimulate the zeal and activity of laymen to a more thorough consecration of their time, prayer, and means to the glory of God in worldwide evangelism. A prime object of the movement was the enlistment of men in the affairs of Christ's Kingdom. It was a systematic effort on the part of those laymen who had a constraining vision to bring the great mass of laymen face to face with their religious obligation. It was an appeal to laymen from the standpoint of laymen. It urged men to pray daily, study diligently, plan wisely, serve zealously, and give generously that the kingdom of Christ might prosper..."

"However, the heart of the Brotherhood work has always been missions and missionary education. Thus, in recent years it has turned more to its original objectives, so that now it carries the responsibility for missionary education for boys, young men, and men. Such education seeks to develop a Christlike concern for all peoples, an intimate knowledge of how Christian fellowship is being extended at home and abroad, and a hearty participation in all efforts to enlarge this fellowship of Christian faith until it covers the earth."

Howse, W. L. and Thomason, W. O., *A CHURCH ORGANIZED AND FUNCTIONING*: Convention Press, Nashville, 1963, Pp. 91-92.

Brotherhood leadership in North Carolina has set forth a program which is designed to develop a strong missionary movement of Baptist laymen. They like to think of the Brotherhood as "the missionary arm of the church." A definite program of missionary education for men and boys is underway in the associational and church Brotherhoods. Already, some are engaged in practical missionary activities. These activities involve the enlistment of men and boys already on the church roll, in witnessing to the lost, and giving of their time, talent, and possessions through the church. Activities are a necessary part of the missionary education program for men because men learn more about missions when they are involved in missions. In other words, men learn by doing. Thus, some Brotherhoods are working with the migrant farm laborers, men in prison, and men on probation. At least, some Brotherhoods are serving the deaf people by seeing that the church provides a Sunday school class and worship opportunities for them. The men provide transportation to and from the services for the deaf. These are mere samples of missionary activities which men can and are doing in the church community and association.

Last year, several North Carolina laymen shared their witness on the missionary fields of Ohio. These men came back with a new interest in the missionary opportunities of Southern Baptists.

J. David Taylor, President of the State Brotherhood Conference, participated in the New Life Movement in the Philippine Islands and in Japan. He will urge men to become personally involved in World Missions.

In July, 1964, laymen from North Carolina will have opportunity to participate in Baptist Missions in North Dakota, Washington, Oregon, and California. They will join with 1,500 Baptist laymen from all states of the Southern Baptist Convention for the great West Coast Laymen's Crusade.

In North Carolina, 1,450 Brotherhoods, with an enrollment of 35,000, and 2,000 Royal Ambassador Chapters, with an enrollment of 25,000, provide a vast reservoir of strength to be used for world evangelization. Still, in Baptist churches of North Carolina, there are approximately 200,000 men and equally as many boys who are not enlisted. This is a tragic waste of manpower. This fact is an indictment against everything our churches have proposed as methods for calling church members to mature, dedicated service for Christ our Lord.

There will be hope for world evangelization as long as there are men and boys

in our churches who organize themselves for the purpose of becoming informed about world needs, and who are willing to become personally involved in World Missions. The opportunity to go into the fields for Christ, for most men, has passed; however, they can still pray and give that others may go. Through the Royal Ambassador program men can provide missionary education for boys. From this host of boys which are in our churches today, will come the men missionaries of tomorrow. If men fail at the point of providing for the boys now, the future struggle for world evangelization is already lost.

“Rise up, O men of God!  
His Kingdom tarries long;  
Bring in the day of Brotherhood  
And end the night of wrong.”

## HISTORY OF HOCUTT MEMORIAL BAPTIST CHURCH

### Burlington, North Carolina

The desire to have a Baptist church organized in this area was born in the hearts of many people more than fifty years ago, and the Executive Committee of the Mt. Zion Baptist Association engaged Rev. John C. Hocutt, beloved pastor of the Graham exchange, to set aside one Sunday out of each month to do mission work in this area of Burlington. Even though his untimely death occurred in August of that year, his efforts were rewarded by the action of the Association to name a committee to solicit funds to build a church as a memorial to him.

His successor at Graham, Rev. James W. Rose, assumed his labors in the West Burlington vineyard, and it was under his ministry the church was established here. The beginning was small with Sunday School being held in a small wooden structure on Staley Street at Adams Avenue, a former store building owned by Smith and Qualls. On January 5, 1913, shortly after the new year began, 51 members were enrolled in Sunday School with the following officers:

Superintendent .....	Walter M. Williams
Assistant Superintendent .....	J. L. Underwood
Secretary-Treasurer .....	Mamie Scott (Boone)
Organist .....	Miss Rosa Patterson
Sexton .....	Thomas E. Allen
Primary Teacher .....	Miss Mattie Patillo
Junior Teacher .....	Miss Fannie Williamson
Int. Teacher .....	George D. Smith
Bible Class Teacher .....	Mr. Deareman with Jesse Holt, Assistant

The Lord blessed the early efforts for Christian teaching, people manifested a keen interest, and by September of that year, a total of 136 were enrolled in Sunday School, although the actual organization of the church took place on Friday night, March 7, 1913, under the sponsorship of the Mt. Zion Association. Mr. W. D. Knott served as clerk, and twenty-three persons presented letters and became charter members along with Miss Pauline Stebbins who asked to be received on promise of letter to be sent to the newly formed church. Eight others joined this group before the year of 1913 closed.

Rev. James W. Rose came to serve as the first pastor of Hocutt Memorial which took its name from its first pastor who came to witness among its people even before the organizational date. Rev. Rose held services one Sunday out of each month at a salary of \$50 per year. W. D. Knott served as clerk and T. E. Allen as treasurer. The three trustees elected were: Jesse Holt, J. F. Askew and T. E. Allen.

Later the church elected Jesse Holt, I. F. Meacham and Walter M. Williams to serve as deacons.

Although Rev. Martin W. Buck, pastor of the First Baptist, is said to have openly opposed the organization of our church, relations between the two churches were cordial, and his wife was instrumental in leading the organization of the Woman's Missionary Society a few years later.

The Lord added, and by 1919 the church appealed to the Home Mission Board for assistance with a full-time pastor, due to the growth and interest in the church. The Board agreed to contribute \$450 annually toward the salary of a pastor who also would be expected to do mission work in Glencoe. In May of that year, Rev. W. H. Dodd came from Mocksville as the first resident pastor but remained only eight months. However, during this period Mrs. Walter M. Williams organized the Young Woman's Auxiliary and Mr. Jerry A. Webster started the Baptist Young People's Union, a group that later became the Baptist Training Union. At this period we received our first piano, a gift of Mr. and Mrs. Walter M. Williams, which replaced the old reed organ.

Dr. Forrest C. Feezor, who was to become widely known in later years, came to Hocutt as a student pastor in February 1920 and served wisely and devotedly the cause of Christ until he entered the Seminary. Upon his resignation, Rev. E. C. Dean came to us in October 1920, and his ministry here marked a definite change in our history. The church became self-supporting and later assumed the salary of a foreign missionary, Rev. Manly W. Rankin, who served on the mission field in China. Additions were made to the church, giving reached a high peak and two houses were built and equipped for a progressive Sunday School that now averaged 300 in attendance.

Dr. A. J. Fristoe of Franklin, Va. succeeded as supply pastor when Mr. Dean resigned in July 1929, and a few months later we were fortunate to have Dr. William K. McGee come to us in January 1930, remaining until July 1935. Additional space was rented for the Sunday School, and under Dr. McGee's inspiring leadership the church placed the BIBLICAL RECORDER in the homes of 70% of the members, also leading in the beginning of Vacation Bible School.

From December 1935 until March 1938 Rev. W. O. Kersey of Radford, Va. was our pastor, during which period funds were being raised for our new sanctuary which we now enjoy, built on the corner of Staley and Logan Streets.

In April 1938, the Church extended a call to Rev. A. P. Stephens who began his ministry with us in June. Rev. Stephens led our people in an extensive enlargement campaign, both in membership, offerings and buildings. In June of that year the church erected a pastor's home on West Front Street.

The first Director of Education at Hocutt was Miss Kathryn Martin who served from December 1939 until June 1940. A few months later, Miss Lydia Piner was employed as Educational Director, staying with our people from August 1941 until June 1942. Miss Virginia Liske replaced her at that time until October 1942.

In April 1940 construction was begun on the new church sanctuary at a total cost, including equipment of \$40,000. By the close of 1942, this debt had been repaid and the mortgage was burned on Sunday, January 3, 1943.

This was an eventful era in the church history, for we branched out by beginning a chapel in Brookwood in an old store building on Trail 7. Fifty persons were present for the beginning of the Sunday School on Sunday, September 7, 1942. In October 1943 a lot on West Davis Street was purchased for Brookwood Mission and in April 1945 Rev. Guthrie Colvard was called as pastor of the mission.

From June 1947 until November 1947, after the resignation of Rev. Stephens, we used many supply pastors including Rev. S. W. Oldham of Star. Then on October 5 the church extended a call to Rev. Tom M. Freeman who began his pastorate a month later.

A definite season of interest and growth spiraled us into the erection of an Educational Building, built at the cost of \$85,000. Both the Training Union and Sunday School made advancements, and in April 1948 Miss Mary Ellen Ellis of Atlanta, Georgia, came to serve as Educational Director, bringing with her ideas and a service that was instrumental in the publication of a weekly church paper entitled FORWARD. Our radio ministry had its origin at this time.

Mrs. W. R. Sinclair served as church secretary from January 1950 until the following July at which time Mrs. Erwin Hodge assumed the responsibilities. Miss Jane Boone followed in this capacity, and in March 1952 we were fortunate to have Miss Doris Morgan come to us as Educational Director from the First Church in Fairmont. Offerings reached a peak with progress noted in every area of Church work.

A new project was launched in 1951 when Hocutt Memorial instigated giving a college scholarship valued at \$700, with Faye Leach as the first recipient. The scholarship is given to a member of the Church, graduating from high school, on the basis of merit, need and Christian Character.

On May 23, 1954, a new phase of service came into existence for Hocutt when Robert E. Watson of Roanoke Rapids, a rising senior at Wake Forest College, was employed as summer worker who assisted the Vacation Bible School, directed the choir, supplied pulpit needs and worked with young people in Sunday School and Training Union. Also, at this time we purchased the C. D. Hill property immediately joining the church on Logan Street and plans were made for the building of an additional educational plant to be built for the sum of \$80,000.

Rev. Tom Freeman was given a leave of absence from May 28, 1955, through July 28, 1955, to tour the Holy Land. Our church also sent a check for \$500 as our share of the cost of constructing a home for the Associational Missionary off Highway 54 east of Graham.

The 42nd anniversary of the founding of our church was commemorated on March 5, 1955, when our people held a cornerstone laying with a record attendance of 808 people present. The Mars Hill Choir provided special music. On May 15, 1955 we held the formal opening of the beautiful new education annex.

An extensive renovation and painting program was instituted in January 1956 with the ground floor of the educational building arranged so that henceforth it can be used by young people and young adults rather than children who are now in new quarters.

Miss Janie Seamster was employed a Church secretary in April 1957 and is still serving us faithfully in this capacity.

In July 1957 the Church voted for our pastor to help with an evangelistic crusade in the Matanzas Province of Cuba in November under the sponsorship of the Baptists in that area.

The membership of Hocutt was saddened on February 2, 1958, when Rev. Freeman read his resignation to the church to become pastor of Middle River Baptist Church in Baltimore, Md. after eleven years of faithful service with us. The days that followed began to prove our ability as witnessing Christians, for without a pastor to guide us, we had the opportunity of strengthening the ties that bind us as a church people.

During the early part of 1959 we were without a resident pastor, and Dr. Edward McDowell, Professor of New Testament Interpretation at Southeastern Baptist Theological Seminary, Wake Forest, filled the pulpit, serving as our dedicated and cooperative interim pastor.

However, on April 12 of that year, things were beginning to look more encouraging, for the Church called Rev. Ben W. Cox of Princeton, W. Va. He preached his initial sermon the first Sunday of June, coming to our people as a blessing. The installation service was held on June 7, 1959.

It was on May 3, 1959 that our church voted to license Jesse J. Croom to preach. At this time he was enrolled at Wake Forest College. Presently, Jesse is a ministerial student at Southeastern Seminary.

In June, 1959, Miss Doris Morgan who had served our church for seven years with fidelity and patience resigned to accept a position with the State Training Union Department in Raleigh.

A forward step was taken for the convenience and comfort of our church members on March 27, 1960, when it was voted to pave the entire parking lot adjacent to the church buildings. Three months later 300 copies of the new standard Baptist Hymnal were added to our church to increase the beauty and efficiency of our musical program.

August 14, 1960 marked a day of thanksgiving among our people, for on this date which was Homecoming, the note for \$60,000 was burned.

In September 1960 Mr. Douglas Farmer, a student at Southeastern Seminary, Wake Forest, N. C. became our Educational Director. Doug, along with his wife Anne, was a great inspiration and blessing to our church. The youth program of the church was greatly strengthened during his ministry. An ordination service was held on June 25, 1961 ordaining Mr. Farmer into the Gospel ministry. With deep regrets, Hocutt Memorial Church accepted the resignation of Mr. Farmer in June 1962 to enter Pastoral Care Training in the Baptist Hospital, Winston Salem, N. C.

The unselfish characteristic of the Church's spirit of giving in the past is being demonstrated in its present program. In 1962 the Church gave a record of \$69,931.00 and of this amount 31% was given to missions.

As we mark these fifty years of history, may the challenge of the future find us faithful to our noble heritage and to the Lord our God who has brought us on our way. In consecration, prayer and dedication may the next fifty years of our beloved Church be even more glorious as we seek to be well pleasing unto Him.

Respectfully submitted,  
Mrs. J. J. Lassiter

## MUSIC IN WORSHIP

Out of the 16 items on the morning worship bulletin or the order of service, 11 are musical--either instrumental, group singing or special music prepared by the choir. Have you ever thought of the vital part music plays in the worship service? Have you ever thought how music came to be such a vital part of the worship experience?

Briefly, I want to give you a bird's eye view of music in worship down through the ages. The number of people involved in active participation in the dedication service of the Temple of Solomon for instance, would astound a modern congregation. It is reported that more than four thousand musicians, in addition to the priests and other attendants, took part in the dedication ceremonies. The magnificent splendor of that service, or series of services, has had no equal in the long history of man's approach to God. This number included choirs and orchestra. There were 100 trumpeters in the orchestra. These were the Levites who were supported by the other 11 tribes.

The first recorded text of a song in the Bible is in the 15th chapter of Exodus, and was sung on the occasion of the successful crossing of the Red Sea. The men led by Aaron and the women by Miriam formed antiphonal choirs. (15:1-21.)

In Deuteronomy 32 there is recorded a song of Moses. It describes the history of the children of Israel, their backsliding and complainings, but scattered throughout the song are verses of rare poetical beauty.

In II Samuel, 22 there is a psalm of thanksgiving for God's powerful deliverance and blessings.

In the Fifth chapter of Judges is recorded the song of Deborah and Barak. It was the enthusiastic patriotism of this woman that saved Israel from insulting slavery. For 20 years, the people had been under the dominance of Jabin, king of Hazar. Under Deborah's inspiration the people came to a new life of national consciousness and under Barak they defeated the enemy. The triumphant people sang the war song of Deborah which was later enshrined in their poetry and still later was given a place in the inspired Bible.

One of the superior attributes of Christianity is that it is filled with song. The gospel story can be told in song, and the joy of singing that story has thrilled innumerable hearts since the first recorded song in the New Testament was uttered by Elizabeth. In reply to her song, Mary, the mother of Jesus, sang the beautiful magnificat. Zacharias, husband of Elizabeth, and father of John the Baptist, sang when his dumbness was gone. There are only a few hymns recorded in the New Testament but there are numerous allusions to hymn-singing. Pliny, the Roman historian, speaks of the Christians rising before day to pray and sing hymns. We know that the early Christians when forced underground met far back in the catacombs so their singing would not be heard by the soldiers.

"Congregational singing is the very heart of the church music program. It is a part of the service in which each member can and should participate. It reflects the enthusiasm of the people for their God, their church, and their program for carrying out the divine commission.

Congregational singing is the only part of a worship service in which all may join heart and voice in praise, adoration, and personal testimony. It is the great art of the angelic hosts entrusted to the church; it constitutes the only act of worship which we are sure we shall take to heaven.

"A church may have excellent choirs, splendid music, leadership, accomplished musicians, and an elaborate plan for church music education, but if it has poor congregational singing, it falls far short of having a program of music that meets the needs of the people.

Thus writes W. Hines Sims.

Recently I worshipped in a small rural mountain church. As the church met for general assembly in Sunday School, the church choir sat to one side and the youth choir sat opposite them. The same groups sat in the same places for the worship service. Husbands and wives sat together with one, two or three children with them. In the youth choir, two boys sat with their girl friends while the others sat by sex. There was no special music for the services. There was no particular grouping of voice parts. But there was a ministry of music in that church and it met the needs of the people. To my surprise, and announcement was made that the church and youth choirs had been invited to another church for the evening service and a vote was taken to call off Training Union and the worship service so the whole church could go! I might add I think the church needs more training in its leadership, but, at the same time, we must be aware of the potential in even that tiny church for service for God through music.

Your associational music director takes part of the blame for the music ministry of every church not being as effective as it ought to be. During the next year, I, along with the other association music officers to be selected, hope to see improvement in the local church as well as in an effective associational program.

The Music Ministry is much more than a graded choir program. Graded choirs constitute only one of five great areas of music education which the Music Ministry of the church embraces. These areas are: (1) Congregational activities, which include the development of congregational singing, regular hymn rehearsals, annual carol sings, and the promotion of good music in all church organizations

through trained leadership; (2) Choral activities, which include all the graded choirs and vocal ensembles; (3) Instrumental activities, which include the development of competent organists and pianists, a church orchestra, and the training of instrumental ensembles and soloists; (4) Training activities, which include the development of abilities and proficiency in all the musicians and training for leadership and membership; and (5) Promotional activities, which utilize the many promotional means for development of a comprehensive music education program.

This includes the utilization of the many fine publications available for building a strong Music Ministry. Every church ought to subscribe to at least one copy of the Church Musician, published monthly. (Describe contents). Those churches which already have a Junior choir or plan to organize one should subscribe to the JUNIOR MUSICIAN which is a quarterly. (describe contents).

Our goal for the next year is to provide for the training of those who work with children's choirs through a workshop and sharing of ideas. Those who work with the children in Sunday School and Training Union will also be interested in this workshop

A music school, cancelled this summer, will be planned for 1964 with nine courses being offered. These nine courses will meet the needs of every choir member, and every person involved in teaching music in the church. For those who just enjoy singing in the congregation, there will be a book just for them.

A quarterly event will be planned to which every church in the association will be invited. It might be a clinic or a hymn-sing on a Sunday afternoon; but it will be of interest to every church musician.

The Association Music Officers will make an effort to become personally acquainted with the music director in every church. In this way, we can know the needs of each church and through the duties of each officer, some help can be given, some idea shared, some encouragement given to work a little harder to serve Christ through your own Ministry of Music.

Respectfully submitted,  
Furney G. Baker

## REPORT OF ASSOCIATIONAL MISSIONARY

For these more than five years that we have been privileged to be your missionary we are deeply grateful for your cooperation in every undertaking to advance God's Kingdom. In this respect we are reminded of the Central Training School as an example of that cooperation. So many have responded to teach or serve in some capacity which has made the School a great success. In many other areas you have been most cooperative.

As we bring our period of service in the Association to a close, we do so with the awareness of the great possibilities for the Association's future growth and progress. We feel that in the next few years you should be able to experience the beginning of some new churches and missions. Locations for three of these are now owned by two of our churches, namely, Burlington First (2) and Fairview (1). The Associational Missions Committee is focusing attention on two other areas, one of which has received an offer of four acres of land. This is on Highway 70-A east of Mebane. The Executive Board had looked with favor on the acceptance of this property conditioned upon the desire of the residents of the area, which the Missions Committee is instructed to ascertain. The other is the Snow Camp area. These are rather large areas without a Southern Baptist church.

As we prepare to begin our new work with the Haywood Association on December 1st, we wish for our successor the same warmhearted support that you have given

to us, and we shall follow with a great deal of interest the future growth and development in the Mt. Zion.

We shall carry with us most pleasant memories, and invite you, while traveling in the Western part of North Carolina, to include Waynesville in your stops. We would be most happy to see you.

Respectfully submitted,  
G. Leland Royster

## REPORT ON RESOLUTIONS

Resolution No. 1

Be it resolved that:

1. The Mount Zion Baptist Association, in its 94th Annual Session, expresses its appreciation to the host churches--Kinnett Memorial and Glencoe--for inviting us to meet with them, and for the efforts put forth by the pastors and member of these churches in caring for our needs.

2. Be it further resolved that our Association express its appreciation to our moderator, Brother Travis Styles, to our Associational Missionary, Brother Leland Royster, to our Music Director, Brother Furney Baker, to all Associational Officers, and to all Committees whose work has made this session possible.

3. Be it also resolved that we express our appreciation to those who have led our worship services through the preaching of the Word and music.

4. Finally, be it resolved that the Mount Zion Association dedicate itself anew to the accomplishment of God's will in its program on the local level, in the state, in the nation, and in the world.

#### Resolution No. 2

Whereas, G. Leland Royster has resigned as missionary in the Mt. Zion Association to accept a similar position in the Haywood Association, Waynesville, N.C.

Whereas, he had endeared himself to us with tireless, efficient, fruitful, and unselfish labors,

Whereas, in all of his work, he has reflected the Spirit of Christ in personal and Church relationships which has been an added inspiration and a personal example to all of us,

Therefore, we the messengers of the Mt. Zion Association for ourselves and on behalf of the churches of our Association commend Mr. Royster to his field of service, the Haywood Baptist Association.

With our best wishes for a fruitful ministry in his new field, we continue to ask God's blessings upon him and Mrs. Royster.

## HISTORICAL SKETCHES OF MT. ZION CHURCHES

Brief histories of Mt. Zion Churches are recorded in the Minutes of the years as herewith listed. The Association Historian suggests that every church in the Association have copies of the Associational Minutes bound every ten years and keep them in the local church libraries. This will make the Minutes of the years available

to all the churches, and those bound volumes will grow more valuable with each passing year.

Although our Association has had Historians almost from the date of its organization still the Clerk was not able to find the history of any church recorded in the Minutes until 1921. Just why the sketches of other years were not recorded in the Minutes is inexplicable.

At the 1874 session of the Association it was decided to elect a Historian annually. The Minutes of 1875 record that "The report of the historian was adopted and ordered to be recorded in the "Book of Records of the Association." No trace of this book exists. The historical sketches from 1921 are shown in Minutes as follows:

- 1921 Sketch of the Association

# DEDICATED IN MEMORY TO BURNICE G. BASS

This copy of the minutes of the Mount Zion Baptist Association is dedicated to the memory of our friend and fellow laborer, Rev. Burnice G. Bass, who was serving as moderator of this association at the time of his death. Mr. Bass was born February 1, 1917 in Sampson County, and died December 11, 1963. He was the son of Mrs. Bonnie D. Bass and the late Mr. Bass, of Sampson County, North Carolina. Married to Sarah Catherine Downs Bass, he was the father of two daughters, Cathy Jean and Donna Elaine. Mr. Bass was educated at Clinton High School, Campbell College, Wake Forest College, and Southern Baptist Theological Seminary, having earned the ThM degree from the latter institution. The fellowship of this man is missed by the church he served at the time of his death, First Baptist Church, Mebane, and by all in the association who knew him. We bow to the will of God in regards to his absence from us, but we shall always cherish the memory of his fine Christian character and spirit.

### REPORT OF THE CALENDAR COMMITTEE

The Calendar Committee met twice to formulate and organize the activities of

the Association for the 1965 calendar. An enlarged paperbound folder was decided upon listing the activities of the Association each month. Enough of these calendars were published so that each Sunday School Superintendent, Training Union Director, Music Director, WMU Leader, Brotherhood President, and the Pastor within each church would receive one.

We trust that every pastor and officer will use these calendars in such a manner that their leaders will be present for our Associational meetings, enabling the Association to help train the leaders of each church, thereby enabling these people to return to their church and strengthen the program for Christ within their people and community.

## REPORT OF MISSIONS COMMITTEE

The Missions Committee of Mount Zion Association performed the major task of calling a missionary to replace the Reverend G. Leland Royster who served with us more than 5 years prior to resignation in 1964. The Committee performed its function with amazing unity and with care to follow in prayer the guidance of the Lord.

The process of calling a new missionary involved (1) a re-evaluation of the total missionary program and objectives, (2) a development of the Missionary's job description, (3) an inquiry on each name submitted to the committee, and (4) a plan for interviewing prospects for the work. The work of the Lord was evident, in that the only person interviewed by the committee was the man whom the Committee recommended and was called by the Association.

On May 18, 1964, Mr. W. Frank Ingram moved to the missionary's home in Graham, and since that time he has been most energetic in projecting our future program. The Missions Committee has continued to meet with him, to advise on policy, and to share in making decisions relative to the program. Over the 12 month period the Committee or its sub-committee has met more than once a month on the average.

The Missions Committee desires to recognize an invaluable on the part of Mrs. Harry Andrews, who served in an interim capacity while the Association was without a missionary. Mr. Earl Pym also rendered service in assisting Mrs. Andrews with her contacts of local church personnel during the interim period.

We join our missionary in prayers for a greater cooperative effort by Mount Zion Baptist, and we pledge our deepest loyalty to Christ's program in this field of service.

Respectfully submitted,  
R. Homer Andrews, Chairman

The Job Description Subcommittee requests that this description be presented to the Executive Committee of the Mt. Zion Association for adoption:

### PROMOTION

1. That the State Board will have certain policies and methods of operation which the associational missionary and the missions committee should be familiar with and use as a guide.
2. That the primary responsibility for planning and executing the work shall be carried out by the missionary in collaboration with the associational missions committee.
3. A well rounded program including all phases of needed work should be planned and patiently and faithfully promoted.
4. The missionary shall, upon request, provide a list of qualified persons who may be considered by churches seeking pastors.

### PRIMARY MISSIONS

1. We recognize that the heart of an associational missions program is the associational missionary and a good associational missions committee.
2. That the beginning and operation of mission projects promoted by the associational missionary be church-sponsored.
3. Conduct surveys to ascertain community needs.
4. Whenever the associational budget does not provide funds for primary missions, we recommend that the associational missionary, finance committee, missions committee consult together and suggest ways and means whereby funds may be raised for promoting new work or strengthening work already established.

## EDUCATION

1. That the missions committee and associational missionary, with whatever aid they may require from associational resources, seek to visit each church in the association in the interest of strengthening the work in the local church and improving the relationship between the churches and the association.

2. Publication of activities.

3. Promotion of Vacation Bible Schools and Study Courses.

4. An attempt be made, on associational level, to assist local churches where needed in getting young people and leadership to state and southwide summer assemblies.

Should there occur, at any time, a grievance on the part of the associational missionary and/or the association, they may approach and consult with the moderator, chairman and vice-chairman of the missions committee.

If this job description is adopted by the Executive Board, this committee recommends that it be sent to the Constitution Committee and be made a part of the By-Laws of the Association.

Respectfully submitted,  
Earl Pym, Chairman, Bennett Walker  
Howard Gibson, Ben Cox, Moderator  
Ralph E. Jones, Jr., Vice-Moderator

## REPORT ON BAPTIST HOSPITAL

Our Baptist Hospital at Winston-Salem is an institution of healing. This is one of the ministries of our cooperative effort within the framework of all of our churches trying to reach people for Christ. Since October, 1963, through the month of August, 1964, the Baptist Hospital has given freely and gladly of its services to many of our local people. During this past year 90 people within our Mount Zion Association visited our hospital as out-patients for physical examinations and medical care. Eight became what we term bed-patients and remained during their period of illness. The free hospital services for these 98 patients came to \$1,949.40. Free services provided by the medical staff to these same people totaled \$2,272.00, thereby giving us a grand total for services received of \$4,221.40. This is far more than we gave the hospital during the first seven months of this year. Contributions from January through August 1964 amounted to \$3,292.86. During the same period of the last year our offerings to the Baptist Hospital amounted to \$4,831.15. It seems that our gifts so far this year are insufficient to care for those who reside within our own Association.

Please let me remind you there is still time in this year 1964 to send your gifts to the Baptist Hospital, enabling our Association of churches to go over the amount contributed last year and perhaps pay for the services received this year.

With your permission I would like to insert a personal testimony in this report. During the 15 years that I have been a Baptist minister within the Mt. Zion Association, I have come to realize that it would be almost impossible for my small church to give or for me to pay for the services received from this great institution. Each time we have found it necessary to attend our Baptist hospital they have received me in a Christ-like manner considerate of my personal needs and cooperative in helping with all my problems. As your hospital representative, I must urge everyone to support this institution of healing.

Jesus said, "It is more blessed to give than to receive," and I commend you for your liberality in the past and challenge you to accomplish greater things for God through this healing ministry in the future.

Respectfully submitted,  
Bennett W. Walker

## REPORT ON ANNUITY BOARD

NEW "LIFE BENEFIT PLAN" IS OFFERED TO CHURCH AND DENOMINATIONAL EMPLOYEES

Every pastor, church and denominational employee is eligible for the new group term Life Benefit Plan being offered by the Annuity Board, regardless of whether they are a member of one of the Board's retirement plans. The Board is currently in a campaign to enlist the 3,000 members needed to put the Life Benefit Plan into effect, and hopes to have it in operation by October 1 of this year.

Cost is Low -- The new Plan provides low cost life protection to members while in active service, during disability or in actual age retirement. Cost is only 1% of the annual salary basis, with minimum basis of participation set at \$4,000 and maximum at \$12,000. Minimum payments will be \$3.34 a month and maximum payments, \$10.00. Car expense, housing and utility allowance, etc., may be added to the cash salary to allow the member to pay on a larger amount. All participation is on even thousands, and the cost remains the same every year unless the member's salary increases and he wants to increase payments accordingly.

Benefits Are Large -- The widow or beneficiary of a member 45 or under will receive 2 1/2 times his salary basis of participation in the event of his death. Thus the widow of a man 44 years of age who was paying on a \$12,000 salary basis would receive \$30,000. If death was accidental her benefit would be twice this, or \$60,000. After the member passes 45, benefits are scaled downward by 1/10th of a percent each year as he gets older. At age 65, the member who joined during the first year of eligibility and paid at least 10 years continuously prior to retirement will have a paid up benefit of \$1,000, or an amount equal to total contributions, if less than \$1,000. In case of total and presumably permanent disability, the members payments are waived, but his coverage continues.

Applications and information about the Life Benefit Plan may be obtained from the Annuity Board, 511 North Akard, Dallas, Texas, 75201, or from your state annuity secretary, whose address is given below.

### MEMBERSHIP IN RETIREMENT PLANS

As of May 1, 1964, there were 16,251, or 50% of the total churches in the Southern Baptist Convention participating in the Annuity Board's retirement program with their pastors. Out of 174 educational institutions, hospitals, children's homes, homes for the aged and other southwide agencies, 118 are enrolled in an Annuity Board plan with their employees. Total membership in the Board's retirement plans is approximately 25,000.

### BENEFITS PAID

More than \$43 1/2 million have been paid in relief and annuity benefits by the Annuity Board since its beginning in 1918. Last year these benefits were more than \$31 1/4 million, and were paid to ministers and denominational workers or their families who were members of a retirement plan, and to those on the relief rolls.

### ANNUITY SECRETARY

The Annuity Secretary for North Carolina is Guy Cain. He conducts a program of promotion and education regarding all phases of the Annuity Board's protection ministry. He seeks first to enlist in a retirement plan with the Board. Secondly, he helps those who are in the plans to know more about the financial provisions they are entitled to, and advises them in seeking additional protection through the Board's supplemental plans.

Rev. Cain's address is: 301 Hillsboro Street, Raleigh.

## REPORT ON THE NORTH CAROLINA BAPTIST FOUNDATION, INC.

In the widest sense Stewardship "is the maximum use of one's life for the glory of God and the good of mankind." The North Carolina Baptist Foundation, Inc., encourages the Stewardship of Current Income in systematic and proportionate giving from current income. The Foundation also encourages the Stewardship of Accumulated Possessions by single block giving at infrequent intervals from accumulated income during one's lifetime and/or at one's death. You will note that the Baptists have put the major emphasis on the Stewardship of Current Income. The Baptist Foundation seeks to put a stronger emphasis on the Stewardship of Accumulated Income. There are many ways that the Foundation assists a person in making his gifts through accumulated income such as: (1) by living trust, (2) by gift annuity, and (3) by bequests in wills.

The Foundation also serves by meeting with you and your attorney upon your request in connection with preparation of legal documents where the Baptist Foundation is to be involved. The Foundation offers services to individual churches, associations, and to all of our Baptist agencies and institutions.

We have been emphasizing the making of Christian wills. We have two films, "God's Will Through Yours" and "Treasures In Heaven," on Christian will making, which are available to any organization upon request.

Respectfully submitted,  
C. Gordon Maddrey,  
Executive Secretary

## REPORT ON HOMES FOR THE AGING

From one building and one resident in 1950 to 160 residents and four buildings in 1964 is evidence of the rapid growth of our Baptist Homes For the Aging. The operation of the Homes is now in its fourteenth year. The Reverend W.A. Poole, General Superintendent, said recently, "God has blessed these brief years with an abundance of His love and with the good things of life. Growth has been rapid, the development of facilities amazing, and the need for additional space staggering." One hundred seventy persons are now on the waiting list, hoping for admission soon. "We must give these people an answer..." (William A. Poole).

The most exciting news for 1964 concerns the development of our fifth Home located at Yanceyville, N.C. This is the largest single bequest that has been left for the ministry of the Homes. Land and money sufficient enough to build and equip the home was given to the Baptist Foundation for this purpose. This home will care for thirty additional residents.

We, North Carolina Baptist, contribute an average of \$90.00 per resident each month to help care for ninety percent of our aging loved ones in Resthaven, Hayes Home, the Albemarle Home and the Hamilton Home. This amount comes from the Homes' share of the cooperative program, designated gifts and the special day offerings which includes the third Sunday of February each year. These homes could not be provided and the residents could not be cared for without our contributions.

In 1963, gifts declined five percent. We can pray that the trend will be reversed this year.

Respectfully submitted,  
Roy Cantrell

## REPORT ON EVANGELISM

The special five-year effort, known as Baptist Jubilee Advance, in evangelism and missions on the part of the Baptists of North America came to a close at the joint meeting of the groups in Atlantic City, New Jersey, in May 1964. What was done is now history and we cannot go back to improve or to change the record.

The record of our association reveals the following additions to the churches in 1964:

By Baptism 405

By Letter 235

Total 640

The inevitable question arises, where do we go from here? What shall we do in 1965?

We can and we must search our hearts before God to find His will for us and to experience His empowering as we endeavor to be obedient to His commands. This we need as individual Christians, as churches and as a denomination.

Most of us need to take a fresh look at evangelism as it is practiced in our personal lives and in our local church. To do this on the right basis we must first make an earnest effort to see what evangelism is as it is revealed in the New Testament. A good definition of the New Testament picture of evangelism is found in the new Southern Baptist Handbook on Evangelism which is as follows: "Evangelism is the outreach of the church by confrontation with the gospel of Christ to bring people to a personal faith and commitment to Christ as Saviour and Lord, in order that the committed may become a part of the outreach."

This wonderful experience of Christ confronting the lost through His people will not become a reality in a life or a church merely by accepting and adopting a creed, a statement of doctrine, a set of rules for conduct. There must be the experience of being in Christ and a perennial vigilance in seeking to be used of Christ in His purpose of redemption. In the light of these and other pressing truths we should ever keep before us these objectives:

1. To keep all programming and activities aimed at creating a spiritual atmosphere for evangelism in every church.
2. To keep alive a perennial awareness of the urgency of personal witnessing on the part of every Christian.
3. To refine and intensify our revival efforts.
4. To seek to keep the message positive, practical, scriptural and spiritual with unceasing prayer and diligence.
5. To spare nothing in seeing to it that the new and old church members become a part of the outreach.

For practical help in moving toward these objectives consult the Evangelism Plan Book for 1965 which the Division of Evangelism of the Baptist State Convention of N.C. will mail to all pastors this fall and the Associational Evangelism Workbook which will be released by the Convention Press in October 1964.

## REPORT ON BROTHERHOOD

Our Mount Zion Brotherhood organization seems at the present to have taken a renewed lease on life. Since I have been elected as president of the Brotherhood, it has been a real pleasure to work with the men of our churches. The Brotherhood organization has every office filled and these officers are anxious to accomplish much during the year through our Brotherhood and for the glory of God.

Our activities have been varied and most enjoyable. On August 30 we had a fellowship rally at Camp Rehoboth with 123 of our men present and Rev. Gordon Pope of Morven was our inspirational speaker. I would like to express our appreciation to the churches who participated in our excellent Stewardship Program, for the confidence expressed in our Brotherhood by letting team members come into their church and give testimonies.

One new Brotherhood has been organized in the Glenhope Baptist Church, Mr. Dan Horner President. We hope that during this new church year many of our churches who do not have a Brotherhood will permit the Associational officers to discuss with them the need and functions of a Brotherhood within their local church.

Thank you for the confidence shown in me and the Associational officers, and we request your prayers as we continue to serve our Lord through this wonderful organization.

Respectfully submitted,  
Larry Love

## REPORT ON THE SUNDAY SCHOOL

The brightest spots I see when looking back across the nine months in which I served as Associational Sunday School Superintendent are: (1) The Vacation Bible School Clinic in which Mrs. Mildred Overman and her co-workers did a superb bit of work. (2) The day in May when Mr. Frank Ingram came to work as our Superintendent of Missions. Trying to project any sort of program on an associational level with the chief office left vacant was the kind of task which no one could relish!

Looking ahead, I have great expectations and feel the future in our Associational Sunday School work is one which holds great promise. At this writing Dr. Bates' visit is still in the future, and I expect this to help get our 1964-65 program off to a fine start. A capable staff of leaders has been secured for the year ahead. Larry Williams has already begun intensive planning for our Central Training School and Leadership Conference. The Stewardship Development Program is progressing with the full backing of all our Associational organizations and with almost total participation on the part of our churches. We intend to carry the "Adult Thrust" on through the year,

placing a much-needed stress upon reaching, winning, and recruiting adult leadership for our churches. No work could be more challenging and rewarding!

Dr. Billy Graham has commented: "The Sunday School is the church's most fertile field for evangelism. If properly tilled and cultivated, it can produce an abundant harvest for the kingdom of God." Into the fields that are white already unto harvest, and into the days which are heavily-laden with opportunity, we move with the full confidence that this work is of God and if we are faithful in our task, "we shall come rejoicing, bringing in the sheaves."

## REPORT ON CHRISTIAN EDUCATION

An education that is not Christian is not true education. North Carolina Baptists have sought through many years to make provision for the true education of its young people by giving to them a Christian education which can give meaning to all phases of life. "A famous educator says that good education causes a person 'to think effectively, communicate clearly, make relevant judgments, and discriminate among values.' The Christian College believes that only in the mind of Christ can these objectives be truly reached." Baptists believe that the task of learning is appointed by God and that all knowledge and wisdom has its unity in Christ and that Baptist Churches, through their colleges, have an obligation to every area of life and culture.

North Carolina Baptists have in its seven Baptist Colleges - Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest, Wingate - one of the finest systems of higher education in America which has received wide recognition from accrediting agencies and other groups. These seven accredited colleges are strategically located in every section of the state and provided education last year for more than 11,000 students, with 426 of these young men and women studying to be pastors, missionaries, directors of religious education and leaders in church music. Christian young people are needed in other fields of work and the Christian college seeks to prepare them to serve every vocation as a Christian directed by the Will of God to serve mankind.

The Cooperative Program is a lifeline for the Baptist Colleges. Its income represents an endowment of \$33,000,000, without which not a single North Carolina Baptist College at the present could meet standards for accreditation. Without this accreditation by the Southern Association of Colleges and Schools, students could not enter the ministry or practice a single profession. However, the ties which bind the seven colleges to the Baptist Convention are not now nor have they ever been primarily financial. The true ties which bind colleges and Baptist people together are to be found in the Bible, in our history, and what Baptists believe is their mission in the world.

The 1964 Christian Education Day emphasis was on the church related vocational workers and this will be a continuing emphasis of the North Carolina Council on Christian Education along with the theme for Christian Education Day next year being "The Contribution of North Carolina Baptist Colleges to Lay Leadership." The Council on Christian Education is now engaged in a serious self-study which includes the theological basis for Christian education; the objectives of a Christian college; the responsibility of a Christian teacher; and the place of worship in the life of the campus. A portion of this study will deal with the ministerial student, the Christian vocational worker, the problem of enlisting more young people in full-time Christian service and how the churches and the colleges can work more closely together to meet these needs.

A pamphlet directed toward the young people in the local church who wish to attend a Baptist College has been produced by the Council on Christian Education and copies can be obtained from the Council Office, 301 Hillsboro St., Raleigh.

This pamphlet shows parents how to figure the actual college cost, what financial help is available and how to get information about Baptist colleges and admission procedures.

Young people of the 20th century are asking profound questions and wanting to find real meaning to life. "The Christian College helps the student to find a purpose in life to which he can direct the full measure of his talents, a purpose worthy of the best that he has." North Carolina Baptists through their colleges need to see that education is Christian which brings direction to life.

Respectfully submitted,  
Miss Frankie Martin

## REPORT ON TRAINING UNION

There are some exciting days ahead for our Associational Training Union organization. With the election of a new slate of Training Union Officers in the new year and the coming of our new Associational Missionary, we can look forward to a more prosperous year in the Mount Zion Association. May I say that I am grateful for the renewed interest shown by our churches in the work of the Association and that I believe this interest has been generated by the inspiration, dedication and work of Mr. Ingram.

Looking ahead briefly, we are planning two "M" Night programs this year. The first, on the 30th of November, will be held in the First Baptist Church of Graham. The second will be held on the 1st of December in the First Baptist Church of Hillsboro. The Reverend Delano McMinn, pastor of the Woodland Baptist Church in Columbus, Ohio will be the guest speaker for both mass meetings. It is not too early to begin working now for a good attendance from your church.

Looking back briefly, our Association was represented in the Regional Tournament by Cindy Clegg of the 1st Church, Burlington (Junior Memory Work) and Flonie Jones of the 1st Church, Graham (Junior Memory Work). Both of these young ladies were regional winners and later participated in the State Tournament at Caswell, where they were again declared winners. Congratulations to Cindy Clegg and to Flonie Jones for their good work.

We have 29 Training Unions in our Association with an enrollment of 2,910. May I urge each of you to study and stay up to date with current Training Union materials, especially THE TRAINING UNION MAGAZINE. This is essential to know what is going on in Training Union Work. Also, may I thank each of you for your prayers, assistance and support in carrying on the Training Union work. I would like to urge you to support your new Training Union officers and your Associational Training Union organization as a means toward a more effective Christian witness through the local church.

Respectfully submitted,  
Thomas A. Wolfe

## REPORT ON CHRISTIAN LITERATURE

Someone has aptly said, "I am a part of all that I have met." Surely this applies to our reading diet. This challenging era in which we live is flooded with all types of literature--excellent, mediocre, and unwholesome. The literature that is chosen and read in the homes of our people will in a large degree determine one's philosophy and outlook on life. As we digest those thoughts presented in reading matter, our people will disclose to themselves the type of reading diet most satisfying to them. Sensationalism, emotionalism, and physical satisfaction--all can be experienced from that we choose to read.

The various agencies of our Southern Baptist Convention and of our State Convention provide publications which, if taken into the homes and read, will surely prove to be enlightening, inspiring, and stimulating to the individuals. Our homes will be

strengthened and our community, state, and nation will benefit from the action of citizens who absorb the thoughts and facts presented.

Home Life, the Biblical Recorder, Royal Service, the Commission, and the Home Mission Board magazine are but a few of the publications available to our Baptist people. Our prayer is that God's people will rise above the temptation to buy and read the unwholesome matter and that we shall take advantage of the literature which exalts our God!

Nancy Louise Pender

## REPORT OF AUDIO-VISUALS

"Growth" is the key word in any conversation concerning Southern Baptists' Radio and Television Commission. Annual expansion in all areas of endeavor is now accepted as a characteristic of this agency.

Thus, breaking ground for a new and functional headquarters building in Fort Worth in June proved a highlight of 1964 for the Commission and for all Southern Baptists. The structure will be dedicated during the 1965 Convention to be held in Dallas, with completion expected the following October.

The high quality of radio and television programming carried on by the Commission has resulted in increased acceptance of Southern Baptist programs, with a net gain of 73 stations for the first six months of 1964. The agency now services with its programs an all-time high of 1450 radio and television stations each week.

The commercial value of air time given Southern Baptists by U.S. stations is expected to reach close to an estimated \$4 million this year. And this doesn't include 121 overseas stations which broadcast the denomination's programs.

This year sees an increase of more than 60 per cent in the time allocation made to the Commission and hence to Southern Baptists by the three major networks, NBC, CBS and ABC.

High point of the network year was the presentation by the National Broadcasting Co. of "Walk Beside Me," color film on the life and ministry of the Apostle Paul. It was the first hour-length special of this type ever presented on TV by Southern Baptists. Close to 100 stations carried the program at prime time to a potential audience of millions.

Another such special film is currently in production by NBC and the Commission tracing archeologically the beginnings of the Bible and Christianity. It will be shown in the spring of '65.

Still on the subject of television, 13 new films will be launched on "The Answer" series in January. Nine are dramatic, dealing with a variety of contemporary problems with solutions in Christ, and four are documentaries detailing facets of Southern Baptist mission work. Televangelism, the project which combines church visitation, television viewing and personal witnessing, will be continued for the seventh year as a beneficial use of TV.

Of the 13 programs produced and distributed by the Commission, "The Baptist Hour" is the oldest and is on the largest number of stations-522. "Master-Control \*," a variety program of interviews, music and gospel, is on 299. "The Answer" on television is aired by an average of 103 throughout the year.

Other programs and the number of stations are: "Patterns"-170; "International Sunday School Lesson"-89; "La Hora Bautista"-63; "Moments of Meditation"-30; "Momentos de Meditacion"-25; "Control \*Central"-41; "Music To Remember" 46 monaural, 39 stereo; "Voices of Hope" (Chinese)-15; "Voice of Peace" (Russian)-4; "The Living Water" (Navajo)-4.

New radio programs planned for production during 1964 include: "Threshold," a program of youth counseling; "Night Light," 1 1/2 minute inspirational spots to be used between midnight and 6:00 a.m.; and "Youth Speaks to You," a quarter hour

program by high school students to high school students, five days a week.

New television programs to begin this year are: "Tot," a children's program; "Journey To Adventure," 15 minute Bible land films; "The Secret Place," a children's program; "A.D.," variety format, and a series of one-minute gospel capsules on film.

Dr. Herschel H. Hobbs has continued to grow in popularity as the radio preacher of "The Baptist Hour." His expository, Scripture-centered messages have established this broadcast anew as the flagship of Southern Baptist programming.

In addition to preaching the Good News of Jesus Christ in so many varied ways, the Commission also continues to fulfill other vital functions of audience building, counseling by mail, and technical assistance to pastors and missionaries.

All of the above audio-visuals are carried into homes across our land by radio and television. They were produced to be used evangelistically to spread the message of Christ to millions who may never attend church to hear of Christ and his love.

While Southern Baptist have continued to use the above method to reach people outside the church; they have been hard at work producing vast amounts of audio-visuals to be used in the church. These audio-visuals fall into two general classifications: information and promotion.

The Foreign Mission and Home Mission Boards are producing many new audio-visuals each year to keep Southern Baptist informed concerning our missionary opportunities both at home and abroad.

While at the same time all the other boards, commissions and agencies of the Convention are producing audio-visuals and non-projected visual aids to promote the work of the Lord in every church. These come to our churches as posters, pictures and filmstrips. And, when these audio-visuals and non-projected visual aids are used and displayed properly, will serve to keep Southern Baptist people the best informed people of all denominations.

Some audio-visuals may be rented from the Baptist Book Store to be shown and returned, while others may be purchased to be used many times in the church. There are many visual aids which are sent to our churches free as promotional materials.

Free audio-visuals can be supplied to all churches from our own associational office. If the associational office cannot supply the audio-visuals you may need, the Program Services Department of the State Convention offers a wide selection of free audio-visuals and services.

Respectfully submitted,  
Earl M. Pym

## REPORT ON CHRISTIAN LIFE

At the meeting of the Executive Committee in June 1964 the decision was reached that the Christian Life Report should replace the report on Temperance and Morals. Such a decision enlarges the scope of the annual report.

It seems to me that it would be good for the chairman of this committee next year to choose a committee and become active in dealing with matters that concern the Christian life. Then at next year's associational meeting his report would consist of an account of the activities of the committee. The committee should be concerned with at least six areas:

- (1) Family Life
- (2) Race Relations
- (3) Moral Issues
- (4) Daily Work
- (5) Citizenship
- (6) Relationship with Other Christian Bodies

This committee should study the work of the Christian Life Commission of the

Southern Baptist Convention and the Christian Life Committee of the N.C. Baptist Convention and seek to bring before the people the issues which are being dealt with by our Southern Baptist Convention and our State Baptist Convention. The committee should also inform the people and initiate Christian action concerning the social problems of our own area. This committee could make a great impact on our churches in the association and upon our communities if it would take seriously its tasks during the coming year.

Larry Williams

REPORT OF SUPERINTENDENT OF MISSIONS

A new Christian experience came to Mrs. Ingram and myself on May 18, 1964. This is the time we moved into your midst, after our acceptance of your call to serve God through our mutual cooperation.

During our ministry within the Mount Zion Association, there are a number of things that should be first in our Christian lives and goals for Christian achievement:

- 1. To create greater fellowship among the Baptist people of our area.
- 2. Promote spiritual development with individuals and within our churches, through prayer, devotion, and by giving our talents to Christ.
- 3. The year 1964-65 can be the greatest associational year in the history of our Mount Zion Baptist if we follow Christian principles, that in every church, regardless of size, and every member, regardless of capabilities, have a definite plan in the work of God's Kingdom.

Your missionary will endeavor to serve every church, as permitted, to the best of his ability.

We, the associational staff, covet your prayers and support in our efforts to lead out in greater vision for missions, training church leaders, and in bringing our people into a closer relationship with Christ.

From a physical standpoint, the following activities have been accomplished since uniting ourselves with your great effort for Christ.

Total churches visited .....	49
Total number services conducted or visited .....	54
Group meetings .....	14
Committee meetings .....	32
Individual conferences .....	98
Bulletins printed .....	1,497
Miles driven .....	9,818

Thank you for giving us the opportunity to serve Christ with you. We will endeavor to live up to the confidence which you have placed in us. Let us pray for God's guidance and blessings during the oncoming year.

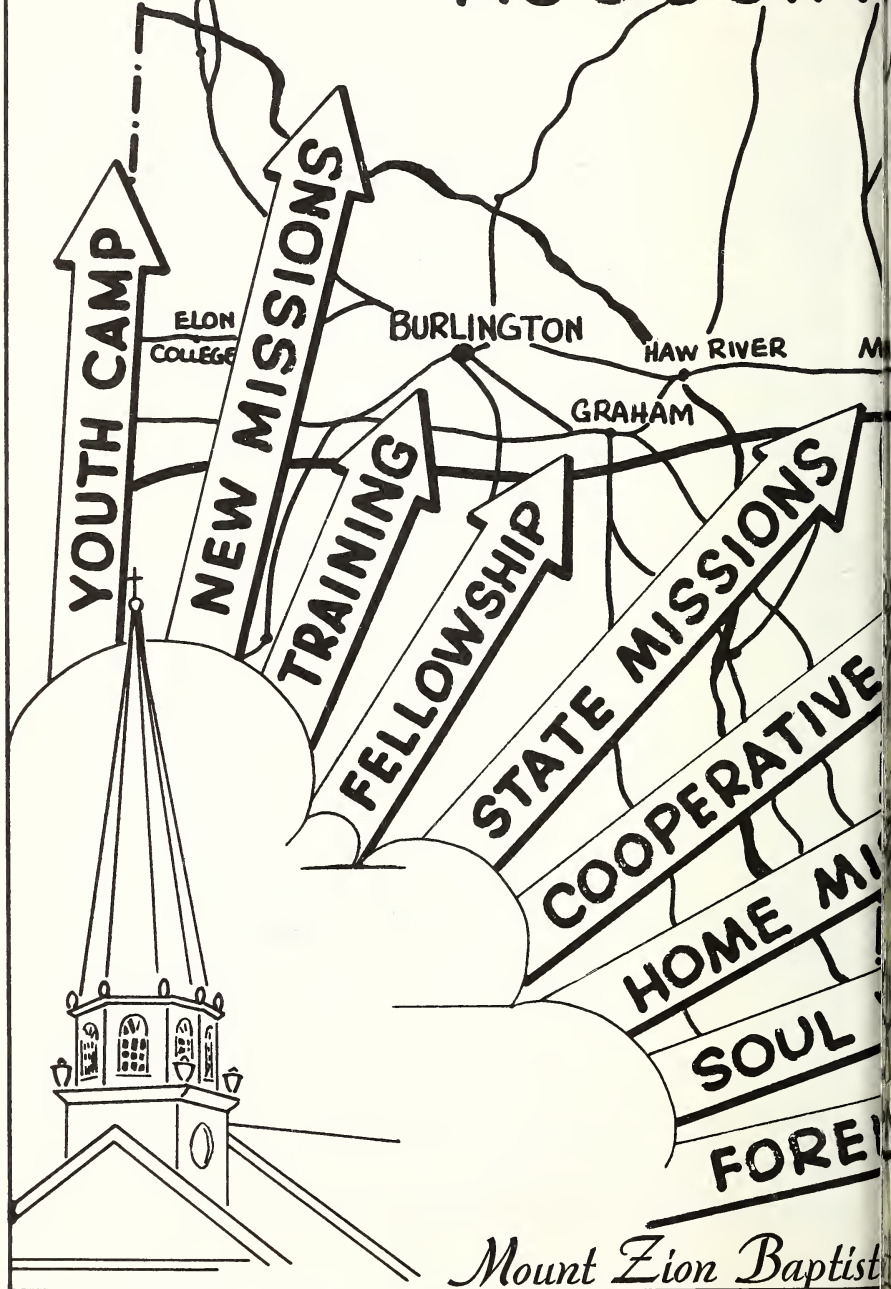

Respectfully submitted,  
W. Frank Ingram

REPORT OF THE EXECUTIVE BOARD

The Executive Board of the association met quarterly in the promotion of the work of the association. Meetings were held in January, April, July, and October. A called meeting was held in March.

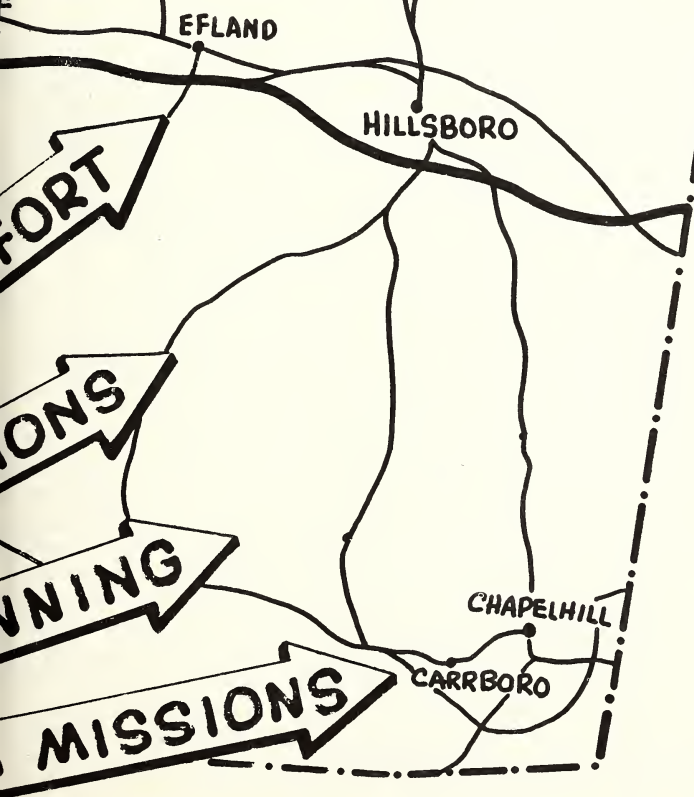

At the January meeting the Board adopted appropriate resolutions concerning Rev. B. G. Bass, pastor, First Baptist Church, Mebane and moderator of the association,

# CHURCHES--REACHING ASSOCIATION

# OUT-THROUGH- ONAL MISSIONS

1964-65

who passed away in December. Rev. Ben W. Cox was elected to serve as moderator, and Rev. Ralph Jones as vice-moderator, succeeding Rev. John Phillips who had moved out of the association. Rev. Don Kimrey was elected to serve as the association Sunday School Superintendent. The Missions Committee, Homer Andrews, Chairman, requested that the moderator, vice-moderator, and three members of the Missions Committee constitute a committee to draw up a job description concerning the duties of the associational missionary. Mrs. Harry Andrews, secretary, was asked to serve as our interim worker until a missionary could be secured.

A called meeting was held in March to consider the recommendation of the Missions Committee concerning the election of W. Frank Ingram, Wadesboro, as our associational missionary. Mr. Ingram was extended a unanimous call. The job description authorized in the January meeting was approved, and will be offered at the annual session as an amendment to the by-laws of our constitution.

The Stewardship Development Program for Associations and presented at the April meeting and adopted for promotion. The new missionary, W. Frank Ingram, was presented and spoke briefly.

In the July meeting of the Board the main item of business was the presentation from the Finance Committee of the proposed budget for 1964-65, which, after much discussion and amending, was adopted to be presented to the messengers in the annual session. A part of this motion concerned a proposed camp program which will be held next July at Camp Rehoboth, Efland. The report of the Calendar Committee was adopted to be presented at the annual meeting.

At the final meeting in October a recommendation from the Finance Committee was passed to purchase a Speed-o-Print Address Machine, costing \$108.72, with address plates costing initially \$57.00. A request for pastoral aid for McDuffie Memorial was approved in the amount of \$1200.00 to the Baptist State Convention. The aid usually requested on the salary of the missionary was also requested by application to the convention in the amount of \$900.00.

## REPORT ON BAPTIST CHILDREN'S HOMES

Helping children and young people to grow and develop toward Christian maturity is one of the greatest privileges in life. It is the purpose of the Children's Homes to develop the highest quality of men and women possible out of boys and girls who are served. Careful attention is given to their needs, both present and future.

Children are accepted as they are when they come to the Homes. In the spirit of Christ, they are recognized for their sacred worth and value. They are provided food, clothing and shelter. But of greater importance than material things is the genuine interest, concern and love given every child by the Christian men and women who work with them. Many children who have known only heartbreak and tragedy learn to love again--learn to trust in themselves, in adults and in God.

A member of this year's senior class expressed her appreciation for the Children's Homes in the following way: "Living at one of the Homes has given me a chance to make something out of myself. I have been afforded the opportunity of getting a good education. Things have been learned and friendships have been formed which will bless my life as long as I live. Best of all I have learned to know, to trust, to follow and to serve Christ as my Saviour. I want North Carolina Baptists to know how very much I appreciate all that they have done for me and for thousands of other boys and girls who have needed a home, love and care."

Applications for the admission of children to the Homes far exceed resources with which to care for them. Areas of unmet need in child care await our attention. Many couples who have a double measure of love to share with homeless and

dependent children have a wonderful opportunity of service awaiting them through the foster home program.

Genuine appreciation is expressed by those who direct our child care program for all who have helped to make this ministry possible. Income through the Cooperative Program, through the Thanksgiving offering and through special gifts are vital to the services which are provided those who need our help. Financial support for the past year has come from the following sources:

Cooperative Program	36%
Thanksgiving Offering	30%
Once-a-month Offerings	15%
All Other	19%

Most North Carolina Baptists are well acquainted with Charity and Children, official publication of the Baptist Children's Homes. This unique newspaper is published each week and goes to more than 55,000 subscribers. Well over half the Baptist Churches in the state receive it in bundles for distribution to the members on Sunday. See that your church receives Charity and Children so that every family may be better informed about the work of North Carolina Baptists, and particularly the program of child care. The subscription price is sixty cents per year in bundle form.

## REPORT ON MUSIC

The elected and selected officers of the Music Department of the Mount Zion Association met recently to plan for an active ministry of music within the association and to promote a stronger, more effective ministry within each church in the association.

Four programs on the associational level will be planned during the year. The first of these is to be a School of Music, to be held October 26-29 at the First Baptist Church in Graham.

To provide the best possible program to the association and to the churches within the association, a brief summary of the duties of the association music officers is given in this report.

1. Director: Furney G. Baker. Duties are to direct music for the meetings of the association; train other officers; plan music for any associational meeting upon request.

2. Director of Training: Mrs. J. F. Thompson, Jr. Duties are to plan the Association School of Music; teach classes and clinics in the local churches; be a source of information on available books and materials needed for the local church music ministry.

3. Director of Graded Choir Activities: Mrs. Paul Hoyle. Leads in the organization and development of choirs in the churches; promotes festivals; suggests choral groups for meetings.

4. Director of Congregational Activities: Lonnie H. Rhodes. Plans association hymn sings; carol sings; helps churches in planning music for revivals; teaches music classes; encourages hymn rehearsals in the churches; promotes good congregational singing in the churches.

5. Director of Instrumental Activities: Mrs. Kathleen Andrews. Serves as accompanist for annual associational meeting and for other association meetings as needed; encourages instrumental groups within the association and the local church; be a source of information on music and materials to instrumentalists; encourage proper placement and maintenance of instruments.

6. Directors of Publicity and Promotion: Mrs. Bill Sutton and Mrs. Matt Murdock. Duties are to edit an Association Music Bulletin at regular intervals; correlates

publicity for music activities of the association; promotes circulation and use of the Church Musician.

7. Pastor Adviser; Rev. Ned Mathews.

8. Superintendent of Missions; W. Frank Ingram.

These officers stand ready to be of assistance to all the churches in the Mount Zion Association. Suggestions from the churches will be most welcome. The prayers of the churches are solicited as we seek to serve Christ through the Association Music Ministry.

Respectfully submitted,  
Furney G. Baker

## REPORT ON WOMAN'S MISSIONARY UNION

This year of Jubilee has been a busy one for Woman's Missionary Union. At the State Annual Session, Mount Zion was given the award of Honor WMU. This recognition was attained under the leadership of Mrs. John W. Phillips and is proof of our accomplishments during her time of office. But, in December the Phillips left our association and took their places in the Piedmont Association.

In February our YWA's met at Northside Baptist Church for their Annual Banquet. Attendance was very good and a highlight of the evening was the organization of a YWA Council and election of officers. On November 20 we will have our first Associational-wide YWA Mission Study at Burlington First Church.

On March 17, 262 women gathered at Grove Park Church for our Annual Meeting. Mrs. Charles Tabor, missionary to Korea, was inspirational speaker, and Rev. Earl Pym brought a message on the theme of the meeting "Liberty and Light." Members of the Executive Board enlightened us with a reading on the "Three Point Program for Progress" which has been a challenging goal for us this year. The ladies of Grove Park were excellent hostesses and we enjoyed food and fellowship at this meeting.

The G.A.'s held their annual rally at Burlington First Church with Mrs. J.T. McRae as speaker. Then in August, our Junior G.A.'s journeyed to the Piedmont Association and attended a camp for two days. Miss Rebecca Crawford and Mrs. D.G. Smith did an excellent job of planning and directing the camp and many came for this program of camping.

Our hearts were saddened this year at the passing of our Sunbeam Director, Mrs. A. C. Bridges. Mrs. Bridges held this position for many years and her love for our Sunbeams was strongly felt. Mrs. Walter Henderson planned our Sunbeam Daycamp, held at Glencoe Church on August 13, with Miss Frankie Martin directing. This was an eventful day for our Sunbeams and we appreciate the work of the many leaders who participated in this program.

Many of our organizations have reached Approved and Advanced, but we only have two Honor Woman's Missionary Societies. They are Calvary Baptist Church, Mrs. Daisy Hall, President; and Moore's Chapel Baptist Church, Mrs. W. C. Cheek, President. We congratulate these ladies on their achievements for the year, and challenge other churches to work harder in 1964-65.

Our youth reports have not yet been compiled, but we are proud of the work that is being done in our Sunbeams, Girl's Auxiliary and Young Women's Auxiliary.

Respectfully submitted,  
Mrs. Harry D. Andrews,  
WMU President

## HISTORY OF THE SWEPSONVILLE BAPTIST CHURCH

A keen desire for a church embedded in the hearts of only a few people in the Swebsonville area stimulated interest that led to the organization of Swebsonville Baptist Church on September 14, 1883. Those persons present for the first meeting were C. Durham of Durham; Rev. C. E. Gowan of Graham; Rev. W.L. Wright; and Brother C.A. Rominger of Hillsboro.

This was a memorable meeting, for after reading the scripture, singing and praying, the Church Covenant and Articles of Faith were read and adopted. Only a short time later the church was admitted into the Mount Zion Association to take its stand beside other Baptist Churches. It was Rev. C.E. Gowan who made the motion that the organization be known as the Swebsonville Baptist Church with W.L. Wright becoming its first pastor. He served in this capacity at the salary of \$50 a year. He was also pastor of Haw River Church and made the trip over to the mill village to fill his appointments.

The first five members of this church are recognized as Wiley Woods, J.W. Overman, Miss Belle Underwood, and Mr. and Mrs. E.M. Cooke. The first services of the church were held down near the river in an old machine shop, only once a month, and a little later the services were moved into the private homes. As the village grew, so did the church and its membership.

These early members straightway recognized the need for all facets of church organization, so the first Sunday School came into being on November 18 of the same year with E.M. Cooke serving as its first superintendent.

Discipline in the early church was important to its membership, and in order to stimulate and hold interest high in the Lord's work, a roll call of male members was made after each preaching service; the female roll, however, was called only every quarter. To them it was important that the members be present, and the absentees were checked constantly. Members, in some cases, were even dropped from the roll because of misconduct or non-attendance. In order to again enter into the fellowship, erring members had to apologize to the church.

The plans for building an edifice were soon under way, and even though an exact date is unknown, it is thought that the first building was constructed around 1885 with Mrs. George W. Swepson giving the land as well as the bell. Baptismal services were held at the nearby river, just below the dam, until the baptistry was added to the church in 1905.

In 1885 Mrs. Virginia Swepson, first wife of A.L. Baker, left an endowment of \$2,000 in her will to the Swepsonville Baptist Church. It is interesting today to note that this money was placed in the bank and the interest to be used for repairs and the upkeep of the church. Today this money is still in the bank, being placed in bonds several years ago.

It was not until several years later that the W.M.U. and Sunbeam Band came into existence. On November 13, 1904, Miss M.V. Follet, president of the Mt. Zion Association's W.M.U., met with the women to organize their work. On the same day, it is interesting to note that the first Sunbeam Band was organized, so that through the years the work has gone on steadily among the women of the church.

One of the highlights to remember for its members is the fact that in 1905, Swepsonville Baptist Church, although still a new organization, was host to the Mt. Zion Association.

Consecrated men of God through the years have been called to pastor this church, and the progress of Swepsonville Baptist Church is due largely to their leadership. The list of pastors who have served the church are:

1883 - 1887	Rev. W.L. Wright
1887 -	Rev. A.T. Hord
1900 - 1904	Rev. W.A. Smith
1904 - 1906	Rev. J.E. M. Davenport
1906 - 1910	Rev. S.W. Oldham
1910 - 1914	Rev. J.A. Hackney
1914 - 1922	Rev. L.R. Dixon
1922 - 1928	Rev. B.F. Deloach
1928 - 1935	Rev. B.L. Gupton
1935 - 1940	Rev. G.G. Grubb
1940 - 1942	Rev. Isaac Terrell
1942 - 1945	Rev. W.C. Adkinson
1945 - 1950	Rev. Ben W. Cox
1951 - 1954	Doctor Clyde D. Chapman
1955 - 1958	Rev. Charles W. Nanney
1958 - 1962	Rev. Paul Kesterson
1962 -	Rev. Roy Cantrell

The years brought a few changes and notes of progress in our church life until August 1918, at which time the church voted to have preaching twice a month (two Sundays each month) instead of once. At this time Rev. L.R. Dixon was pastor. Two years later, in 1920, Sunday School rooms were added until in 1927 there were 187 church members with 149 enrolled in Sunday School with nine teachers. Swepsonville

Baptist Church was not destined to be a house of power in numbers but a congregation of power through the Holy Spirit.

Still other improvements were made in 1941 while Rev. Isaac Terrell was the pastor. The church sanctuary was remodeled with new pews, light fixtures, choir loft, a new baptistry, bathrooms and a balcony. The improvements meant that more people could be accommodated in the church. It was at this time that Mrs. A.L. Baker, wife of the late president of Virginia Mills, Inc., gave an electric organ in memory of her husband. The instrument was played for the first time during the Homecoming services by Mrs. Walter M. Williams.

In 1942 the membership moved into a new realm of activity when they saw the need of a full-time pastor to guide and lead them, calling Rev. W.C. Adkinson, and it was under his leadership that a building program was launched. By the end of the war when building materials became available, several thousand dollars were in the Building Fund Treasury to begin the project of enlargement and remodeling. A parsonage was begun in 1945 and completed the following year with the Rev. Ben Cox and his family being the first to occupy it.

A Junior and Young Peoples' Building was finished in 1946, and by 1950 the church decided to again expand by constructing an Educational Plant which was completed the following year with several class rooms, an assembly room, kitchen, fellowship hall, nursery, pastor's study, office and 6 restrooms.

In order to commemorate the memory of some of the leaders of the church and its forward movement, memorial windows were added to the sanctuary in 1953: Caswell and Lola S. Andrews, Mrs. Pearl Andrews Overman, Mrs. Pearl Rogers Petty, The Pastors, Jerry and Geneva Webster, Lon and Onie Snipes, Walter and Flonie Cooper Williams, Joseph Gurney and Mary Susan Phillips, George and Alice Isley, and one to Jesus Christ, Our Savior.

Notes of progress continued to be made with air conditioning installed at this same time. A new electric organ given in memory of Ashby Lee and Minnie F. Baker was presented the church by Julian and Ashby Baker, their children. Pulpits stand and chairs, given by the family of Tom S. Overman, and choir robes by Mr. and Mrs. Walter M. Williams, were among other donations. In 1958 the sanctuary and vestibule were carpeted and the house and lot beside the church purchased for future expansion of church facilities. The church library, which has played a vital part in the lives of the members, was begun in 1959.

One of the leaders whose influence is still felt today in the church was the late Walter M. Williams whose interest, work and prayers contributed to the progress in recent years. For several years he served as Sunday School Superintendent and Chairman of the Deacons as well as a trustee of the Baptist Hospital in Winston-Salem and a frequent visitor to the Baptist State Convention. In his will, Mr. Williams left the Swepsonville Baptist Church the sum of \$2,000.00.

Swepsonville Baptist Church has never been a large, overpowering church, but it has filled its need as a lighthouse in its community where its greatest contribution has been in the teaching and molding of young people and adults to be stronger Christians, in building leaders, nurses, teachers and dedicated parents. Among these are one minister, Rev. Coy Privette, and Brother Ronald Clapp who is studying for the ministry. This church was instrumental in co-sponsoring the Edgewood Mission in its early days of organization. A need was present on the Swepsonville community for a church for baptized believers . . . Swepsonville Baptist Church has filled that need in the past and now looks away to even greater use in the future.

Respectfully submitted,  
Mrs. J.J. Lassiter

## HISTORICAL SKETCHES OF MT. ZION CHURCHES

Brief histories of Mt. Zion Churches are recorded in the Minutes of the years as herewith listed. The Association Historian suggests that every church in the Association have copies of the Associational Minutes bound every ten years and keep them in the local church libraries. This will make the Minutes of the years available to all the churches, and those bound volumes will grow more valuable with each passing year.

Although our Association has had Historians almost from the date of its organization still the Clerk was not able to find the history of any church recorded in the

Minutes until 1921. Just why the sketches of other years were not recorded in the Minutes is inexplicable.

At the 1874 session of the Association it was decided to elect a Historian annually. The Minutes of 1875 record that "The report of the historian was adopted and ordered to be recorded in the "Book of Records of the Association." No trace of this book exists. The historical sketches from 1921 are shown in Minutes as follows:

## DEDICATED IN MEMORY TO

### WILLIAM CLYDE DARNELL

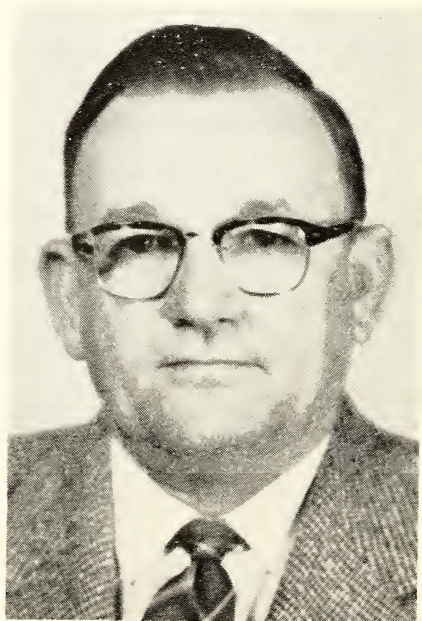

Rev. William Clyde Darnell was born November 9, 1900 in Laurens, S. C. Died March 26, 1965. He was the son of the late Mr. and Mrs. M. Jesse Darnell of Laurens, S. C. He was married to Bertie Mae Bishop Darnell. He was the father of three children; W. C. Darnell, Jr. of Burlington, Mrs. Thomas C. Brewer of Durham, and Mrs. Earle L. Moore of Mebane. Brother Darnell was licensed to the ministry in 1927, and ordained in 1933. He pastored Summerville, Pine Knot and Westfield Baptist Churches in Davidson County; Cornatzer Baptist Church in Davie County; and Southside Baptist Church in Thomasville before coming to Mebane in July, 1939. He organized Tabernacle Baptist Church, Mebane, and was pastor until his death, March 26, 1965.

His fellowship among us will be missed, but our remembrance of his love for Christ and the church he served will be a constant reminder to us of his genuine Christian love and compassion.

### COY L. THOMPSON

Rev. Coy L. Thompson was born in Alamance County on May 15, 1904. He received his education in the public schools of Alamance County. He was married to Anna Sutton Thompson, who survives. He was called to the ministry while a member of Altamahaw Baptist Church, and his first and only pastorate, Glen Raven Baptist Church, was accepted in 1940. He preached in this church twenty-four years to the day. His first sermon was on December 7, 1940, and his final sermon on December 7, 1964.

His presence among us is missed, but we bow to the will of God which has been expressed. We will hold his faithfulness in service in our memories forever.

# Constitution and By-Laws of The Mount Zion Baptist Association (1960; Amended 1964)

## Preamble

We, the Baptist Churches of the Mount Zion Baptist Association, unite according to the plan and for the purpose and work of New Testament churches in our world, and to this end to cooperate to the fullest extent possible with the State and Southern Baptist Conventions, according to the following articles:

## Article I Name

The name of this body is the "Mount Zion Baptist Association."

## Article II Purpose

It shall be the purpose of the Association to cooperate with the State and Southern Baptist Conventions in the promotion of Christian Missions at home and abroad, and in any other related objects such as evangelism, Christian education, benevolent enterprises, and social services which it may deem proper and advisable for the furtherance of the kingdom of God.

## Article III Membership

SECTION 1. The Association shall be composed of cooperating Baptist churches in the area of the Association.

SECTION 2. The Association shall be sole judge of its membership and may receive churches, or reject churches, according to its Constitution and By-Laws. Member churches may also withdraw as they desire. Any church in the Association which fails to cooperate with the Association shall be contacted by a committee appointed by the Executive Board of the Association to ascertain the wishes and desires of the church relative to its continuance in the Association. The committee shall report and bring appropriate recommendations to the Association.

A cooperating church shall be defined as one which sends a report and messengers to the annual session, and contributes to the financial program of the Association.

SECTION 3. Churches desiring to affiliate with this body shall make a written request to the Committee on Membership of the Association at least three months prior to the annual meeting. If, in the judgment of the Committee on Membership and the Executive Board, the requirements hereinafter set forth have been met, the church may be recommended for membership without delay at the annual meeting of the Association. In any other case a church may be received under watchcare.

## Article IV Meetings

SECTION 1. The Association shall meet annually on Tuesday and Wednesday after the third Sunday in October.

SECTION 2. Special Meetings may be called by the Moderator provided two weeks notice is given to the member churches.

SECTION 3. In case of emergency, the Executive Board shall have power to change the time and/or place of meetings.

SECTION 4. Each church shall elect annually one messenger to the meeting of the Association for each 50 members of the church in addition to the pastor, provided each church shall have not less than three or more than fifteen messengers. These shall constitute the voting body of the Association. The names of messengers printed in the minutes shall include only those attending and registering at the Association.

#### Article V Authority

While independent and sovereign in its own sphere, the Association does not claim, and will never attempt to exercise, any authority over any other Baptist body, whether church or auxiliary organization.

#### Article VI Officers and Their Election

SECTION 1. The officers of the Association shall be Moderator, Vice-Moderator, Clerk, Treasurer, Music Director, Auditor, Historian, Associational Sunday School Superintendent, Associational Training Union Director, Associational Woman's Missionary Union President, and Associational Brotherhood President.

SECTION 2. The officers shall be elected on the last day of the annual meeting for a term of one year each. The nominees shall be contacted and nominated by the Committee on Nominations (By-Law V, Section 7).

SECTION 3. Officers shall assume their duties at the close of the annual meeting at which elected, and shall serve until the close of the next annual meeting, or until their successors are elected.

SECTION 4. Any person having served two terms as Moderator shall be ineligible for re-election for a period of two years.

#### Article VII Trustees and Their Election

There shall be three trustees of the Association, one preferably a lawyer, serving terms of six years each on a rotating basis. On nomination by the Committee on Nominations, one new trustee shall be elected at the annual meeting in each EVEN year to fill the vacancy created by the expiration of the term of one of the three; no trustee being eligible to succeed himself until after the lapse of two years. The expiration date of each trustee's term of office shall appear by his name in the Associational Minutes.

#### Article VIII The Executive Board

The Executive Board shall be composed of all associational officers (Art. VI, Sect. 1), the Superintendent of Missions (ex officio), each active pastor, one lay member chosen by each member church from its membership and certified to the Association in its annual report, and chairmen of all standing committees of the Association. The Executive Board shall have the authority to act for the Association between sessions, except as limited by the Constitution. ### HISTORY MOUNT ZION ASSOCIATION

The Mount Zion Baptist Association was first anticipated and considered at a preliminary appointed meeting, held with Lystra Baptist Church in Chatham County, North Carolina, in the spring of 1870. There were thirteen Baptist churches: Antioch, Berea, Bethel, Cane Creek, Chapel Hill, Hillsborough, Lystra, Mount Carmel, Mount Pisgah, Mount Moriah, Mount Gilead, Mount Hermon, and Rose of Sharon. These thirteen churches were connected with Sandy Creek, Beulah, and Raleigh Associations.

The causes that led to the organization of the Mount Zion Association was largeness of territory, conditions of roads, but few bridges, modes of travel, and expense of entertainment. Also, a faction arose in the Sandy Creek Association, from which most of the churches came, concerning the length of sessions, the meeting on the Sabbath to do the business of the body, and the subject of missions. One of these factions, led by Rev. George W. Purefoy, D.D., Rev. J. P. Mason, Rev. J. C. Wilson, and several influential laymen, contended for the exclusion of the Sabbath from these meetings, and make them more of a business session, to devise ways and means for the extension of missions, education, temperance, and Sunday School work. These brethren believed that a smaller organization would be more efficient, and do better service for the Master. The other faction wanted a four-day session, have a report on missions and temperance, and a sermon on each of these subjects; have preaching twice each day at a stand, erected especially for this preaching service, feast the body, and have a good social time generally. They thought that was the place to show our numerical strength, and to disseminate the peculiar doctrines of our denominations. Hence they neglected to plan for systematic kingdom work. They claimed to be old land-markers and were opposed to launching out along any new lines of action. They wanted a "Thus sayeth the Lord" for everything they did. They were dissentive about more aggressive work relative to the objects of the Baptist State Convention. They were simply unprogressive. This counsel, after some consultation, agreed to meet with Mount Moriah Baptist Church on the 23rd of September, 1870, and form a new Baptist Association.

They met at the appointed time and place, and organized the body. After the organization, the question of a name for the Association arose. Several suggestions were submitted as to the name. After some discussion the name of "New Hope" was suggested in honor of New Hope Creek. Bro. W. R. Gwaltney, one of the pastors in the new organization, objected to the Association being called by that name, because of the sluggishness of the stream. He claimed it was inappropriate for an Associational name. To relieve the situation, Dr. T. H. Pritchard, a visiting brother representing the Board of Missions, suggested as a compromise, its present name "Mount Zion" which was unanimously adopted.

The Mount Zion Association was designed to carry the church to the people with its aim to organize the work of the churches so that the gospel of Christ

could be preached in rural areas of the countries. The original Mount Zion covered all of Yates Association with the thirteen churches giving a total membership of 1,588 members. The treasury contained \$111.45 for the use of the Association.

It is interesting to note that the churches forming the Mount Zion Association came from a wide-spread area encompassing several other Associations: Antioch came from the Sandy Creek Association. Berea came into the Mount Zion Association at its organizations. Bethel Church was originally called "Sandy Field." It was admitted into the Sandy Creek Association in 1823. Cane Creek came from the Sandy Creek Association in 1807. In 1836 it joined the Beulah Association and came to the Mount Zion Association in 1870. Chapel Hill Church was organized and admitted into the Sandy Creek Association in 1855 when it met at Antioch. Hillsboro came into the Mount Zion Association from the Beulah Association. Lystra Church was organized in 1853, on the 30th day of September, when the Sandy Creek Association met at Bear Creek in Chatham County. Mount Carmel Church was constituted at "Prichard's Meeting House" in 1803, a few miles south of its present location, on Morgan Creek in Orange County. Mount Pisgah Church became a member of the new organization, coming to it from the Raleigh Association. Mount Moriah Church came from the Beulah Association; and is a charter member of the Mount Zion Association. Mount Gilead Church was organized, and came into the Sandy Creek Association in 1824. Mount Herman Church came from the Beulah Association, and became a member of the Mount Zion Association. Rose of Sharon, now the First Church of Durham, North Carolina, came from the Beulah Association.

These are the churches that have laid the foundation for our work since the work of the Mount Zion Association began. The first moderator of the Association was Rev. Geo. W. Purefoy, D.D. The first clerk was Brother H. M. C. Stroud of Antioch Church.

By 1895, our faith had been strengthened, for the number of churches had doubled due to building new churches as a result of mission work accomplished. Membership and strength has quadrupled, but the increase in our contributions in the past twenty-five years will not measure up to our working force or ability to do for the Master. We look especially toward the northern and western borders where the fields are white unto harvest.

During the past year mission work has been carried on in several areas, and reports are encouraging. At Haw River a house of worship has been completed at a cost of \$1600.00; in West Durham, a debt on our house of worship was paid, and the house has been painted; in Burlington, the house of worship is being enlarged at a cost of \$1000 or \$1200; and at Glencoe, a house of worship will be built within the next year.

Cost to the Association, during the year, of paying the missionaries is \$642.43. From last year, a debt of \$255.04 was brought over, making the obligation of the Association \$897.47. To meet this obligation, the Treasurer has in hand, and in sight, \$746.55, leaving a deficit of \$150.92 to be provided for. How shall this be done? John C. Hocutt

By 1911 Attention was focused on Alamance County as the main feature of the year to employ a strong man to dedicate all his time to organizing and directing the work in the numerous mill towns of the county, but the committee did not meet with success in locating a suitable man. Minutes from that year tell us: Your Committee reports no great expenditure of funds this year in Associational Missions. Shortly after the meeting of the last Association the Executive Committee met and decided, as the main feature in the year's work, to employ a strong man to give all his time to organizing and superintending the work in the numerous mill towns

of Alamance County. Effort was made to find a suitable man for this work, but without success.

Your Committee begs leave to urge the importance of a new and vigorous effort to carry out this plan as early as practicable. Alamance is clearly the great mission territory of our Association. Within a few miles of Burlington and Graham as a center are a dozen mill towns, in which there is urgent need of work and in some of which there are bright opportunities of development. Graham and Haw River, now without a pastor, might well be encouraged by the Board to secure a strong man, who would cooperate with the proposed missionary in pushing the work in near-by towns. In order to the carrying out of this policy churches should be urged to give Associational Missions a stated and important place among the object of their beneficence.

From the very organization of our Association, the work of the Associational missions has been emphasized, and to date (1915) nearly all the churches in the city of Durham, several in Orange County and all in Alamance County have been helped.

It was about this time that the Cool Springs Baptist Church, which had been a member of our Association, changed its name to Efland Baptist Church and petitioned for membership, stating: We have adopted or still retain the rules of decorum and constitution and articles of faith held by the former Cool Spring Church. We have elected trustees, deacons, clerk, treasurer and organized a Sunday School. We have an active Sunday School of 32 members. We have with the former membership of Cool Spring Church and what we have influenced to join us since the organization 30 members on roll. We have paid our pastor \$50 for the year's work and have raised \$17 for missions. We have paid on our church \$700. We have a church building, centrally located in the town of Efland, enclosed, seated and have an organ. We are holding services and Sunday School in a new building.

These are the trying times of early World War I and we are having a financial struggle. Perhaps the question has arisen as to whether or not we have true need of Associational missions, and yet the answer lies in the harvest fields round about us: You will agree that any community, or section of a city not convenient to a Baptist Church, is Association mission territory. We have in the bounds of our Association more than 80,000 people, about 1,200 square miles of territory and 49 churches. This would be about 24 square miles to each church. And it must be remembered that seven of our churches are crowded into a city of six or seven square miles. This would make the area outside this city nearly 30 square miles to each church. We have less than 9,000 Baptists in this territory of 80,000 people. We have more or less mission territory all through our Association, but the greatest destitution is in Alamance County. This county has nearly 30,000 people, an area of 496 square miles and only nine little Baptist churches, with about 1,000 members—a Baptist church to every 60 square miles. The people of this county are largely grouped in villages around cotton mills, of which there are more than 20 in the county, and half that number Hosiery mills. Eight or ten mill villages without Baptist preaching, besides quite a number thrifty country communities. Our Executive Committee has been asking the churches for \$1,600 a year for this work, but we have not nearly reached that amount yet, look in the financial table and see how much we lack. They could profitably spend twice the amount asked for.

By 1919 with the generous aid of our State Mission Board, your Executive Committee was able to enlarge our Associational Mission work this year, and splendid progress has been made by our missionaries. We extended aid to Hocutt Memorial, Graham, Haw River, Mebane, Efland, Hillsboro, West Hill, Lakewood and Gorman.

Hocutt Memorial and Graham now have preaching every Sunday. We are glad to report that Carrboro, which has been assisted by our Boards from its infancy, is now self-supporting.

The year 1920 marked a high mark in our history, for the 75-million Campaign in the Association as a whole resulted in the most glorious victory we have known, the subscriptions from the churches totaling \$407,234.47 compared to our quota of \$325,000.00. Five years later, in 1925, our cooperative program had its beginning.

In the early thirties, our minutes show that program, talks and offerings were all a part of the program based on temperance and evils of liquor, and in 1933 George J. Burnett, Supt. of the Anti-Saloon League, was one of the main speakers when the Association met.

By the early forties, our country was again engaged in war, with our Associational Sunday School leader, James P. Morgan, being called into the service. Due to rationing of tires, gasoline, etc., the 75th session of the Association met only one day, October 12, 1944.

In 1945, after the war had shown its effect on our meetings, it was voted to make a map of the territory of our Association, showing location of churches that could be included in the minutes, beginning the following year. In 1947 three churches, Brookwood Baptist, Grove Park of Burlington and Faith of Durham were received as full members of this body.

Many changes were taking place by 1948 with churches requesting letters of dismissal so that a new Association could be formed in the area of Durham.

Under "Miscellaneous Business," the moderator recognized J. Winston Pearce, who, on behalf of thirty-four churches, members of this Association, requested that letters of dismission be granted them that they might form a new Association in the area of Durham. After naming these churches Mr. Pearce moved that these letters of dismission be granted. L. H. Hollingsworth, of Mebane, whose church will remain in the Mount Zion, seconded the motion, with the explanation that this withdrawal was not caused by any disension or dissatisfaction either on their part or that of the other churches, but was done solely for the sake of expediency, in that our present body is too unwieldy, in number of churches, in number of members, being now in excess of 27,000 and in the belief that the two smaller groups would do more efficient work. Mr. Hollingsworth further stated that a number of conferences between representatives of both main parts of the Mount Zion had been, and that all were in agreement on the wisdom of this action, and that entire harmony prevailed among all concerned. The motion was carried without dissent.

The churches dismissed by their own request are: Bells, Berea, Cedar Fork, Alston Avenue, Angier Avenue, Bethesda, Bragtown, Cheek Heights, Durham Memorial, Edgemont, Faith, First of Durham, Grace, Guess Road, Holloway Street, Immanuel, Lakewood, Temple, Watts Street, West Durham, Yates, Ebenezer, Ephesus, Gorman, Lowe's Grove, Lystra, Mount Gilead, Mount Hernon, Mount Moriah, Mount Pisgah, Olive Branch, Pleasant Hill, Red Mountain and Rose of Sharon.

The following year, in 1949, Elon and City Lake Churches were voted into full membership, and one year later John W. Lambert was called as Associational Missionary, remaining until 1952 when Rev. E. C. Wilkie replaced him.

In November 1955, the newly constructed home for the Associational Missionary was occupied, erected at a cost of \$18,528.43. The loan for beginning the construction of this work was arranged by Walter Williams. During 1955 and 1956 the churches gave \$6,223.04 for this cause with 80% of the churches cooperating.

The Southern Baptist Convention gave forth a challenge in 1956. It challenged Southern Baptists to "double the number of Southern Baptist preaching places by adding 5,000 new churches and 25,000 missions before celebration of our third jubilee year in 1964." We accepted the challenge with 44 churches and 12,963 members.

By 1957 our financial means had grown to \$715,495.00. We still had 44 churches and 13,342 members.

In February, 1957, Rev. E. C. Wilkie resigned as Missionary for the Mount Zion Association. Accepting the call to become area missionary for the North Carolina Baptist State Convention. Rev. Wilkie was followed as missionary by Rev. Lee Pridgen who accepted the call from Mount Zion during the month of May, 1957. Because of ill health, Brother Pridgen was able to serve only a few months. He was given a leave of absence by the Executive Committee in January, 1958, but was unable to resume the duties and his resignation was accepted by the Executive Committee in February, 1958. During this time Rev. Leland Royster was serving First Church, Burlington in the capacity as minister of Education. Bro. Royster accepted the call extended him by the Executive Committee and assumed the duties of Associational Missionary in April, 1958. Bro. Royster served in this capacity, and served well for more than five years. Resigning in the fall of 1963 to accept a similar position within the Haywood Association, Waynesville, North Carolina.

Following Brother Royster as Missionary, W. Frank Ingram came to Mount Zion Association from the Anson Association where he had served for more than three years as Superintendent of Missions. Moving on to the field May 18, 1965.

Last October 1964, the Association voted in its annual meeting to change the name or title of the Associational Missionary to Superintendent of Missions. This was in keeping with the resolution adopted by the missionaries at their Gulfshore Meeting, Gulfport, Miss., in 1962.

In recent years, 1961-62, a number of churches (5) withdrew from our Association, leaving 39 churches as co-operative members of the Mt. Zion Association. These are listed below:

#### REPORT OF THE ASSOCIATION MUSIC DIRECTOR

During the Associational year, song leaders, accompanists, special music groups have been provided for all Associational meetings. One music project was con-

ducted during the year. For three nights Baptists from Mount Zion Association joined hearts and voices in the singing of Christmas Carols at Cum-Park Plaza Shopping Center in Burlington.

The Director attended the briefing meeting for Associational Officers in Winston-Salem. The new format for the Association will be much easier and more effective for this new year. The Director will have two Associate Directors to assist in planning and executing definite musical projects this year. As projects are planned additional officers will be added for the completion of the project. They will then be released from office and others enlisted for the next project.

Communication is necessary before cooperation can be expected. We need the name and address of every church music director in the Association. As plans are made, these directors will share in the work to be done. Musical activities for all the churches in the Association will be planned and we hope each will share in those activities which are felt to be most needed.

Respectfully submitted,

Furney G. Baker, Director

### REPORT OF COMMITTEE ON MISSIONARY'S HOME

This Committee is glad to report the following renovations made at the Missionary's Office in Graham:

1. Floor tile in main office area has been replaced.
2. A window air conditioning unit was installed in office.

It is this Committee's opinion that the Home is in good condition and no major expenditures are anticipated for this coming year.

Respectfully submitted,

W. W. Donaldson, Chairman

### SUNDAY SCHOOL REPORT

The Great Commission of our Lord continues to be the marching orders of Christians in this twentieth century. We are to "Go and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost; teaching them to observe all things. . . ."

The Sunday Schools of our churches have been assigned the tasks of teaching the Bible, reaching the unreached, leading all church members to worship, witness, learn, and minister daily, furnishing workers for various projects, and interpreting the work of the church and denomination—thus helping the church in its basic functions of worship, proclamation, education and ministry.

Southern Baptist Sunday Schools are seeking to enroll ten million by 1970. In order to achieve this goal, we must have an enrolment gain of approximately 30% in the next five years. We are challenged to have an enrolment of one million in North Carolina by 1970. Outreach must have priority.

We are asking each Sunday School in our Association to accept a net enrolment increase of 3% for 1966, 4% for 1967, 5% for 1968, 6% for 1969, and 7% for 1970. We will grow great Sunday Schools as we show compassionate concern for the unreached. Evangelism, stewardship, missions, discipleship—all wait upon outreach.

These enrolment gains can be realized by organizing new Sunday Schools (a new Sunday School will gain 30); the organizing of Extension Bible Classes (each will gain 10); the starting of new adult classes (each will gain 6); the activating of Extension,

Cradle Roll, and Young People Away departments (each will gain 6); and enrolling Vacation Bible School pupils not in Sunday School.

If we will follow the simple growth formula advocating many years ago by Dr. Arthur Flake—locate the prospects, enlarge the organization, provide needed space, enlist and train workers, and visit the people—we will reach more people for Bible study; our baptisms will increase; Christian stewardship will become a reality; and our churches will be strengthened.

Along with an increased emphasis upon outreach, each Sunday School is urged to observe January Bible Study Week, to plan a church and mission Vacation Bible School, to promote Operation Home Study and other opportunities for training; to cooperate in the Adult Thrust movement, to participate in the Associational Sunday School projects—clinics, conferences, enlargement campaigns; and to attend the Sunday School weeks at Caswell and Ridgcrest. When our Sunday Schools begin moving forward, our churches will move forward.

Thirty-six of the churches conducted Vacation Bible Schools. Three mission schools are recorded, and a report was received from every school. Now, this is real cooperation. The results of our Vacation Bible Schools are shown below:

Enrolment, 4,543; Professions of Faith, 74; No. Pupils not in SS, 202; Parents not in SS, 328; No. Contributing to Cooperative Program, 33; Number Unsaved Pupils, 384 in 30 churches.

One can readily see that a great challenge faces us for the new year. Parents and children alike to be reached for our Lord. Two Action Nights this year. One in Orange, the other in Alamance. Good attendance was recorded.

The Leadership Conference conducted last spring was most successful. 273 enrolled with an average attendance of 250 per night.

Please invite the Associational Officers into your church, to assist in training programs. In this manner we can do much more for our Christ.

Respectfully submitted,

Don Kimrey, Superintendent

### REPORT ON HOMES FOR THE AGING

In this report, I would like to commend our churches for our part in the special support for our Homes for the Aging. Last year's report was that gifts declined five per cent in 1963. Our total gifts that year from Mt. Zion was \$1,832. This increased in 1964 to \$2,251. This year typical of the entire state. Brother W. A. Poole, our General Superintendent, has sent us the following report.

The day that North Carolina Baptists launched a ministry to the aging, fourteen years ago, was a good day indeed. Since that time four Homes for the Aging have come into being, and a fifth one is in the making. Many elderly people have been blessed by this compassionate ministry through the years, and today 160 people are in residence at Resthaven, and the Hayes Home in Winston-Salem, the Albemarle Home in Albemarle, and the Hamilton Home in Hamilton. When the proposed new Home at Yanceyville is completed, there will be a capacity for 200. It is anticipated that construction will begin on the Yanceyville Home during 1965.

This labor of Christian love and nurture is ours together, and we could not operate without the concern, the prayers, and the financial support of our Baptist people. This financial aid from the churches comes to us through two very vital avenues—the Special Day Offering, received on the third Sunday of February each year, and the Cooperative Program. Special Day Offering receipts for 1965 were at an all-time high and exceeded \$96,000.00. Through these gifts we were able to

supplement from 80% to 90% of our needy residents who could not be with us otherwise.

It is urgently hoped that the Special Day Offering for 1966 will be the greatest ever, especially in view of the pressing and ever increasing needs of the aging in our midst who seek our help. The waiting list now is 175 and grows almost daily.

As the great heart of the Saviour yearns for all in the various areas of human need, we are grateful that He has commissioned us to include also a special ministry to the aged among us. We pray that every church in our State Baptist Convention will be very careful to give increasing emphasis to this vital ministry.

Respectfully submitted,  
Roy Cantrell

## REPORT ON ANNUITY BOARD

### *The Life Benefit Plan*

The Life Benefit Plan was inaugurated on October 1, 1964, to meet the need for supplemental life protection for our pastors and denominational employees, and has already achieved phenomenal success with more than ten thousand active participants. It affords protection ranging from ten to thirty thousand dollars for death under age 46 with graduated benefits thereafter for dues of \$3.34 to \$10.00 per month. It is still open for membership.

### *The Health Benefit Plan*

The Health Benefit Plan is an all-inclusive program of hospital, surgical and major medical protection which is now being offered. The target date for the beginning of this plan is October 1, 1965. Five thousand applications are required by September 1 in order to put this program into effect.

### *Benefits Paid—"Manna From Heaven"*

It has been said by many annuitants that the checks which come from the Annuity Board each month are like "Manna from Heaven." These checks vary in size, depending upon the length of time one was a member and the amount of dues paid.

Since the beginning of the Annuity Board in 1918, almost 47 million dollars have been paid in relief and annuity benefits to the men and women of God who serve Southern Baptists. In 1964 alone, 3½ million was paid out to ministers and denominational workers or their families.

### *Members in Annuity Board Plans*

Today more than 16,352 churches are in the Protection Program for their pastors. Approximately 10,000 of these churches are paying the total 10% dues.

There are now 127 of the 176 educational institutions, hospitals, children's homes, homes for the aged and other southwide agencies protected by one of the Annuity Board programs. This means more than 25,000 members are in the Annuity Board's retirement plans.

There are seven states with 70% or more of the churches in the plan. At the present time North Carolina has 46% of the churches in the Protection Program for ministers.

### *Annuity Board Secretary*

Rev. Guy Cain is jointly employed by the North Carolina Baptist Convention and the Annuity Board. He promotes the Board's total program of protection by trying to enlist all pastors, churches and denominational employees who are not enrolled in

the program in North Carolina. He works to help those who are in the program to better understand the protection they have. For further information, write the Annuity Board, 511 North Akard, Dallas, Texas 75201, or Rev. Guy Cain, 301 Hillsboro Street, Raleigh, North Carolina 27600.

### CHRISTIAN LIFE REPORT

Recognizing that a moral revolution of gigantic proportions is taking place in the nation, The Christian Life Commission has sought to help Southern Baptists relate gospel to the specific moral problems of contemporary life.

This includes such aspects of daily experience of family life, race relations, moral issues, daily work, and Christian citizenship.

The responsibilities of the modern Christian to society seem to multiply for two apparent reasons. One reason is the growing awareness that the gospel is a message of salvation, love, mercy, and justice for all men. Moreover, the sovereignty of God and the Lordship of Christ extend to every area in relationship of life.

The second reason for the increased responsibilities of the Christian today is that sinister forces of unrighteousness are invading his home and his community in unprecedented numbers.

These include a growing traffic in obscene literature, which totaled three million dollars in sales in 1964. Our nation's youth, teenagers, purchased seventy-five per cent of this obscene literature. Also an alarming increase in alcoholism, a rise in crime and juvenile delinquency, a ceaseless barrage of contrived sexuality in the mass media, acceleration of divorce statistics, and the tragic excesses of race prejudice. These and other manifestations of a growing lack of moral authority have created the moral revolution of today.

Respectfully yours,

Ronald Lashley

### REPORT ON THE BAPTIST HOSPITAL

Signalled by a screaming siren, the traffic moved out of the way of the speeding ambulance as its occupant, hanging on a bare thread between life and death, was

rushed to the emergency room of the local hospital. The patient's stay in that emergency room was short, like a flash, that same ambulance sped away, taking the victim of a highway accident to one of our state's medical centers. The family of that sufferer was told that such action was necessary because the local hospital had neither the facilities nor the specialists to cope with the case.

In another instance, the patient shows signs of mounting tensions as he paces the floor of his doctor's office. He listens with both ears as the doctors says: "I want you to see a neurologist." The patient more violently rubs his fingers and works his hands which, he feels, are by the minute now losing their sense of touch. The doctor continues, "You see, there are several possible causes, and we must not be satisfied until every possibility has been checked. I think I have it, but I want you to see a neurologist."

"Where?" asks the patient, nervously.

"The best place I know," answered the physician, "is the Baptist Hospital in Winston-Salem." And within the next few minutes, that doctor had made the appointment with a neurologist at the Baptist hospital.

These incidents are illustrative of what is happening every day. Our great institution has in both personnel and facility what is lacking in smaller, local hospitals everywhere. Indeed, the Baptist hospital is more than a hospital in its conventional sense; it is a Medical Center in its broader sense—a *research* center, an *educational* center, and a *healing* center, applying balm to body, mind, and spirit. Thus, ambulances speed to her emergency rooms from every direction, and patients from every section of our state, and others, are referred to her clinics and specialists. Here is a summary of what happened at our Baptist hospital last year.

More than 35,000 sick people were seen in the clinics of our Baptist Medical Center in Winston-Salem last year, and more than 19,000 were hospitalized for bed care. These sick people came from all sections of our state, out of all kinds of financial circumstances, and with almost every type of serious disease and sickness known to man. Most of them were sent by their local doctors, because they had problems which were difficult of diagnosis or treatment, and needed specialized facilities and skills such as those found at our Baptist Hospital.

The ministry of our hospital to people who are seriously ill and in meager circumstances lies at the very heart of its total work. All of our Mother's Day offerings are used for this purpose when the doctors have given their skilled services without charge to these patients, and the money available from all other sources is added, every dollar we give is multiplied nine times over in free service to those who need help.

It is good to report that the Mother's Day gifts of the Mt. Zion Association to the Baptist Hospital were *up* this year. Though grateful, none should be satisfied with this advance. Remembering that the sick need a physician, (Matthew 9:12) and that we always have the poor with us, (John 12:8) let every Christian in this Association of Baptists determine that he will do his best to see the sick rise up and walk in the name of Jesus Christ.

### REPORT ON EVANGELISM

Mt. Zion Association, where do we go from here in *Evangelism*? Perhaps we had better refresh our memory with the definition of Evangelism from the Southern Baptist Handbook on Evangelism: "Evangelism is the outreach of the church by confrontation with the gospel of Christ to bring people to a personal faith and commitment to Christ as Saviour and Lord, in order that the committed may become a part of the outreach."

Have we failed or succeeded this year in Evangelism according to this definition? Is God satisfied with our accomplishment?

We are grateful for the efforts our churches have made in the Association during the past year, but won't we all have to acknowledge there is much to be desired.

We, your Evangelism Committee, believe that the Associational year 1965-1966 can be the greatest year in all the glorious history of our Association.

To see what we can do perhaps we had better take a close look at ourselves in Retrospect, Introspect, and Prospect.

### 1. *Retrospect*

In 1963-1964: By Baptism, 451; By Letter, 347; Total 798.

In 1964-1965; By Baptism, 369; By Letter, 328; Total 697.

During the 1964-1965 Associational year we had many highlights and inspirational meetings. In January of 1965 we had our Evangelistic Clinic at the First Church Graham. This was a family affair. Dr. Lynn Fincannon led adults in a witnessing session "How to effectively witness under the Leadership of the Pastor."

Dr. T. L. Cashwell, Jr., led the pastors in discussing "How to enlist men to witness for Christ."

Nick Demchak, a converted Catholic, a member of the First Baptist Church of High Point, gave a very inspirational testimony on his conversion.

Rev. Charles Howard was our inspirational speaker, bringing a very stirring and inspirational message to approximately 250 of our Mount Zion Baptist people.

In May of 1965, the Evangelism Committee sponsored a pastor-layman retreat at Moonelon. This was an excellent experience for laymen and pastors alike. Thirty-two pastors and laymen remained over night, sharing testimonies and experiences and discussing together the great work of the Kingdom of God among men.

Kinnett Memorial conducted a most unusual revival for the "silent" people of our Association. Ralph Wilson directed this effort and Neil Peyton, N. C. Baptist State Convention, brought the message. The average attendance was twenty "silent" people. There were five professions of faith among these "silent" people. The glory of this is that these "silent" people heard the gospel in song and sermon in their own language.

Our Committee on Evangelism met a number of times to plan and carry out our Mt. Zion program of Evangelism.

### 2. *Introspect*

There is nothing that does us more good than to take an honest, constructive look at the motives and desires of our hearts.

Have we done our best for God in witnessing? Have we told others how and what needs to be done and not done ourselves? Are we pleased with the efforts of our church and Association this past Associational year? Have we been sleeping on our job in our church and Association?

"Awake thou that sleepest and Christ shall give thee light" is the challenge of the Scripture. "Arise O men and women of God" is the challenge of the song. Let us go into our Prospect for 1965-1966 with a determination to conquer for our Lord.

### 3. *Prospect*

A Southern Baptist Correlated Plan of Action.

The 1965-1966 emphasis of the Southern Baptist Convention, "a church fulfilling its mission through proclamation and witness," offers an unusual opportunity to exemplify a spirit of team work throughout the whole Southern Baptist territory.

The main thrust of this emphasis will be from January through May of 1966, through suggested programs and materials provided by the various programs of the Sunday School Board. This five month period will be coordinated under the heading, "Every Christian a Witness Now."

Your Evangelism Committee will seek to cooperate and carry out the "5 Year Spiritual Growth Program," as recommended by N. C. State Baptist Convention, which will begin in January of 1966 and consists of the following emphasis:

1. To increase our churches' outreach. This is an effort to go outside the walls of our churches and enlist the unlisted.
2. To develop our church members in Christian maturity.
3. To develop the church's financial and physical resources.
4. To involve the church in community affairs.
5. To involve the church in Cooperative World-wide Missions.

It is the desire of your Evangelism Committee to cooperate with the State Department of Evangelism to enlist deacons in "pre-revival visitation." This can do much in leading our church laymen to an all out effort to enlist the unenlisted. We would like to suggest a Deacon's Clinic sometime in 1966 or 1967.

Let us challenge our Association to have not 400 odd baptisms but to aim for 700 baptisms in 1965-66. We can do it, if we witness.

Our prayer as we face our Prospect for 1965-66 is that our Conference on Evangelism in January or February with Rev. Jack Stanton, of our Home Mission Board, as our guest speaker will stir us and unify us to make this goal a reality for our wonderful Lord.

Respectfully submitted,

C. C. Vaughan, Chairman

### MISSIONS COMMITTEE REPORT

The Missions Committee has met regularly during the Associational year, fulfilling its responsibility to the Association.

A number of activities have been recommended to our fellow workers, some of these mission projects have materialized, others are in the state of development.

1. Recommended that Elon College Baptist Church be considered as a primary mission effort. Urging the Association to help them relocate. This recommendation was passed unanimously by the Executive Committee. The Elon Church and the Missions Committee are presently working toward the fruition of this mission project.

2. We are grateful that First Church, Graham, conducted Vacation Bible School in the Oneida Village. Enrolled 46 pupils.

3. The Mt. Zion School of Missions is under way, plans, work and cooperation will result in a potent mission endeavor during the week of September 25-30, 1966. Thirty-five of our thirty-nine churches have agreed to participate in our School of Missions.

4. Suggested an Associational Camp for boys and girls this year. Plans were made for this camp, \$300 was advanced to Mr. Grover Vaughan to help ready the campsite before summer. Brother Vaughan became ill, and vandals destroyed the campsite to the extent that it was impossible to have camp this year. Brother Grover Vaughan returned the money advanced him to our treasurer when we learned it was impossible to have a camp for 1965.

5. Recommended to the Association that the Mimeographed booklet be used in our churches during the week of prayer for associational missions. Our churches cooperated in this matter and we are grateful to them in helping this study effort succeed.

6. Each quarter we discussed with our Superintendent of Missions, needs, plans, programs and accomplishments, it seems we have gone forward slowly and the Missions Committee requests your continued support and prayers.

7. When a church gives unreservedly to missions, it is a living organism, when it ceases to give itself away, it becomes an organization.

Respectfully submitted,

R. Homer Andrews, Chairman

### BROTHERHOOD REPORT

The Brotherhood of Mt. Zion Baptist have been active during the past year. Regular meetings were held and some of our officers visited in the local churches. Virgil Hemrick explained R. A. work to some Brotherhoods. Dr. Arnold Garren, Vice President, and I visited a few church Brotherhoods. A new Brotherhood was organized in McDuffie Memorial Baptist Church.

We are looking forward to the church year of 1965-66, because plans have been formulated to make our work among men interesting and worthwhile to the men of the Brotherhood and the local church.

October 15, 1965, at Holiday Inn, our men will meet for dinner and hear Jack Lowe give his personal testimony. Northside Baptist Church will help your Brotherhood officers conduct a R. A. Leadership Course on October 25, 26, 1965. This same R. A. Leadership Conference will be held again at Hillsborough, First Church, on November 18, 19, 1965.

The Associational Brotherhood and the WMU are cooperating in a mission study on Brazil during the month of November. This meeting is to be at the First Church, Burlington, on Nov. 29, and at Hillsborough First, on Nov. 30. Rev. Travis Styles and Rev. Tom Wolfe will be leading the study for Adults. Associational Brotherhood workshop will be conducted for all Brotherhood officers during the middle of January.

The leaders of Associational Brotherhood desire our work to be more effective in the coming year, but we will need your support in every phase of our efforts. We covet your prayers and presence for and during the activities scheduled.

Sincerely,

Larry Love

### REPORT ON CHRISTIAN LITERATURE

There are too many good books to read, to spend time reading a sorry one. But how can we choose the right book? This becomes a problem, for many books are written on every subject. We do not need to, nor should we, buy several books on the same subject. There is usually one book which will cover the subject better than the rest. This is the book we need to read. Your pastor has an endless bibliography; seek his suggestions.

Then of course, the Broadman's Reader Plan offers at a very nominal cost, an opportunity to read selected books.

We would call to your attention the book reviews that are listed each month in the Southern Baptist Periodicals. For instance, in an issue of The Commission, one is able to read reviews on books about missions.

We all are aware of the quality of literature published by our Sunday School Board. There is no better literature available today. Take advantage of, and use, as many periodicals as prove helpful.

Christian literature could not be discussed in North Carolina without mentioning, in the same breath, the Biblical Recorder. Stay a well informed Baptist. Read your state denominational paper.

Respectfully submitted,

Raymond H. White,

**"I'll Cry Tomorrow"****SUPERINTENDENT OF MISSIONS REPORT**

Lillian Roth in her memoirs, "I'll Cry Tomorrow," related the failures and mistakes in her life. Along with Mrs. Roth, we need to re-evaluate our own lives, review the mistakes and short comings, to re-evaluate the efforts on our part to make our Associational work more effective.

David was brought to tears by his failures. Esau wept because of his misplaced values.

Undoubtedly, we will look back over the results of yesterday and "cry tomorrow" because of the mistakes and sins within our lives.

As another Associational year becomes history, and we stand on the threshold of 1965-66, we can look forward in anticipation of another year in adventuring with Christ.

"For we preach not ourselves, but Christ Jesus the Lord, and ourselves your servants for the sake of Jesus." 2 Cor. 4:5.

On this day of the new Associational year, we renew our vows to God and offer to Him a committed life.

With your continued prayers and support, we can say, "Glory to God in the Highest," and "I'll Cry Tomorrow" will be in the memory of a faltering imperfect sinner who was one day saved by the Grace of God, through the shed blood of Jesus, and called to be His servant. In serving God it is imperative that we serve our fellow men.

The Associational staff wishes to record for your information the following activities of 1964-65.

Visited all of our 39 churches and 2 independent churches for a total of 100 visits; participating in 184 church services; attended 19 Associational meetings; 15 hospital visits; 367 individual conferences; 68 group conferences; 87 committee meetings; published 7,414 bulletins; recorded 32,745 miles; conducted 2 revivals, Cross Roads in Orange County, and Southside in Anson County; taught 3 study courses; helped in a number of Vacation Bible Schools; served Deep Creek while Brother Walker was convalescing from a heart attack, and supplied three months for West Hill until they secured an interim pastor. Thirty-six Vacation Bible Schools and three mission schools were conducted within our churches. A report was received from each school held. The Superintendent of Missions attended three Schools of Missions in cooperation with State Division of Missions and the Home Mission Board. September 25-30, 1966, is the scheduled date for the Mt. Zion Baptist School of Missions. Thirty-five of our churches have agreed to participate in this mission endeavor.

The "Mount Zion Story," a mimeographed booklet, was compiled by the Associational office and distributed to the churches during the year. Contents of the booklet gave a resume of Mt. Zion and the early Association's history. Also, included were definitions, Biblical basis, objective and church mission analysis of our Association.

The Missions Committee recommended and many churches followed the suggestions that the "Mount Zion Story" be used as alternate material in Training Union and discussed in mid-week prayer service.

August 22nd, the week thereof, was designated as Associational Week of Prayer. Some of the churches gave special offerings to the Association within this particular week. All this was an effort to emphasize Associational Missions within our membership, and lead our people to realize that Christians have only one mission, to win the world to Christ, whether it is Alamance or Orange counties, North Carolina, United States or our neighbors around this small globe.

The organizations of our Association have worked faithfully this past year. Every Associational officer, along with the Superintendent of Missions, pray that our churches will invite these officers into the local church to help train their people for a more effective ministry in winning the lost and involving the saved for the Glory of God.

Will we cry or rejoice tomorrow, it depends on what we do today.

Respectfully yours,  
W. Frank Ingram,  
Superintendent of Missions

### REPORT ON BAPTIST CHILDREN'S HOMES

The care of dependent, neglected and homeless children is the central mission of the Baptist Children's Homes of North Carolina. In addition to providing care for children it is the purpose of the Homes to join hands with other Christian forces to strengthen wholesome, Christian family life throughout the state. Our people have supported this ministry in a most generous and commendable way.

Our Homes are serving as many people who need our help as possible. They are dependent upon North Carolina Baptists for support. Every gift, however small or large, is appreciated and is used for the purpose for which it is given. Income through the Cooperative Program is becoming increasingly important.

The Thanksgiving Offering of last year is approaching three hundred ten thousand dollars (\$310,000.00) and is the largest ever given. This suggests that our people welcome an opportunity to support the "helping ministries" of the church which are close to the heart of our Lord.

Two estates have made possible two very fine buildings which have just been completed on the Mills Home campus. Income from the estate of Mr. and Mrs. Leland J. Sadler of Anderson, South Carolina, was used to build a library. An addition to the church was financed from the estate of Robert M. Idol and Lela Idol of Winston-Salem. These buildings will fill a most useful purpose in the educational and religious life of the Mills Home family.

There is a growing need for good Christian foster homes in which children needing this kind of care can live. Many families are finding much happiness and a great opportunity for service in caring for foster children. Thus, many boys and girls are privileged to grow up in Christian homes who otherwise would not have this opportunity. Should you have an "extra measure of love" to share in this way the Homes would like to know of your interest.

The need for a home in the western part of the state, more adequately to serve the people west of the Blue Ridge Mountains, has been discussed in various meetings and conferences. The possibility of such a home is meeting with genuine interest and enthusiasm. Attention is currently being given to a suitable location.

Members of the Board of Trustees and members of the staff of the Children's Homes are committed to the task of maintaining a Christian program of child care—a program that will merit the undivided support and loyalty of our people and that will bring honor to our Lord. To that end it is our purpose to meet, as effectively as possible, the challenges of our day.

Respectfully submitted,  
John B. Ray

### REPORT ON CHRISTIAN EDUCATION

Higher education in our present day has become a must. More people are seeking education than ever before in history. Will the education received by many today

have the Christian influence or be void of the Christian principles and concepts of living? This question will be largely answered by what Baptist people do in the future years towards the financial support of their colleges. North Carolina Baptists give financial assistance to their seven colleges in two specific ways: (1) through the Cooperative Program, and (2) by the Christian Education Day Offering. Let it be emphasized that the Cooperative Program is the lifeline of Baptist colleges as it is equivalent each year to several million dollars of endowment and is the best way to support colleges through the church. Soon state convention leaders will announce another great five-year program of advance and achievement. By increasing gifts to the Cooperative Program churches can increase their gifts to Christian education.

Another way to help solve the financial problem of our Baptist colleges would be to increase substantially the Christian Education Day Offering. Each church is urged to observe this special day on Father's Day of each year. Christian Education Day offers both an opportunity to learn about the colleges and a chance to increase financial support through the special offering. In 1966 the Christian Education Day theme will center around the contribution of Baptist colleges to denominational leadership.

Last year our colleges enrolled 14,395 students. Of these, 500 are volunteers for full-time Christian service. In addition to producing these trained Christian vocational workers, hundreds of graduates of the North Carolina Baptist colleges return to the local communities to become active leaders in church and civic affairs. Moreover, college faculties, administrators, and students render valuable services to our churches by filling pulpits, teaching study courses, and assisting in the development of stewardship, missions, and evangelism.

Education of today needs a plus. Baptists believe this plus should be *Christian* education. Young people with a Christian emphasis to their training for any vocation can exert a profound influence on religious, moral, and ethical life of communities in which they live. Testimonies from teachers, doctors, lawyers, industrialists, artists, homemakers, etc., who are educated in a Christian college assert two things: attending a Christian college gives a closer tie to the local church, and a greater sense of responsibility for Christian citizenship in the local community.

Respectfully submitted,

Miss Frankie Martin

### TRAINING UNION REPORT

These are exciting days for the ministry of Training Union. Many new ideas, new materials, and a new seriousness to our need for Christian training are coming to us through our Training Unions!

This has been a busy year for Training Union in the Mt. Zion Association. Your Associational Training Union Director and/or other Associational officers visited in nine churches throughout our Association this year.

Special projects engaged in include a Pastor layman Retreat, a Leadership Clinic and Central Training School. Dr. Ray Brown of the Southeastern Seminary, taught Dr. Findley Edges' book, "Teaching for Results." This was for one period, the second period, State leaders led the respective age groups in relating Dr. Brown's efforts to each respective age leader. During the second period, Dr. Brown led the pastors in a study, "Current Trends in New Testament Thinking." Dr. James Tull, Southeastern Seminary, taught Baptist Doctrines to a good group of people. There was an enrollment of 274 and an average attendance of 250 per night with 212 awards received.

We had one church represented in the Junior Memory Work Tournament, one church in the Speaker's Tournament, and one in the Adult Scripture Reading Tournament.

Our Association was represented in regional tournaments by: Miss Cindy Clegg, First Church Burlington, Bill Arnette of Kinnett Memorial and Harry Williamson, First Church Burlington. These tournaments were held at the First Baptist Church, Buies Creek, N. C.

Thirteen of our churches earned 444 awards in training. I hope that during the on-coming year more of our churches will show greater interest in training its membership. The churches receiving these awards are: Antioch, Brookwood, Calvary, City Lake, Cross Roads, Eastlawn, Mebane First, Burlington, First, Hocutt, Kinnett, Moore's Chapel, New Hope, Swepsonville.

May I urge each of you to study and stay up to date with current Training Union materials, especially the *Training Union Magazine*. This is essential in order to know what is going on in Training Union work.

Also, may I thank each of you for your prayers, assistance, and support in carrying on the Training Union work. I would like to pledge to you my best during the coming year, and beg you to support and use your Training Union as a means toward a more effective Christian witness through the local church.

Respectfully submitted,

Lynn Lambert, Training Union Director

**REPORT OF EXECUTIVE BOARD**

The Executive Board of Mount Zion Baptist Association met four times during the year in the promotion of our work. Meetings were held in January, April, July, and October. At each of these meetings reports were heard from the standing committees, heads of the organization, and the report of the Superintendent of Missions. The following actions were taken by the group:

At the January meeting, Charles McMillan was appointed as chairman of the Committee on Committees, and Clarence Vaughan was appointed Chairman of Evangelism. William Fox was nominated and elected to serve on the Missions Committee. A request from Glen Raven Baptist Church to withdraw from the Association was tabled temporarily, and the Membership Committee was asked to investigate the request. The Missions Committee brought a recommendation that the Board appoint a special committee to study a way of helping the Elon College fellowship to relocate, and aid them, if possible, in raising \$25,000. This was adopted as an Associational Missions project.

At the April meeting action was taken instructing the Superintendent of Missions to proceed with a projected Leadership Conference for the Orange County churches, with a suggestion that study be given to having it as a separate time from the Alamance County time.

The Missions Committee recommended to the Board in its July meeting that the brochure "MOUNT ZION STORY" be encouraged for use in the Training Unions of the churches on August 22. This was agreeable, and it was also recommended and adopted that the churches be given an opportunity to receive a special offering for Associational Missions on the same day, with envelopes furnished by the Missions Committee. Pastoral aid for McDuffie Memorial (\$1,200) and Elon (\$900) was approved for recommendation to the state, as well as a request for aid to the Associational salary in the amount of \$1,800. The group adopted the reports of the Committee on Order of Business, and the Budget Committee for recommendation to the messengers in the annual session.

The final meeting of the Board saw the adopting of a resolution presented by the Missions Committee as "going on record as favoring and giving support to Frank Ingram's trip to Brazil." A discussion concerning the time of the annual session was concluded by referring the matter to the Committee on Constitutional Change.

Respectfully submitted,  
Ralph Jones, Vice Moderator

### REPORT OF WOMAN'S MISSIONARY UNION

Since the days of Christ, women have been blending their efforts together to make known his Kingdom here on earth. Women of Mt. Zion Association have worked together for 59 years in the realm of Woman's Missionary Union.

Each succeeding year has brought its own rewards and a program of enrichment has been offered through the various channels of WMU. During the past year Executive Board meetings were held quarterly with emphasis being placed on personal dedication through Bible study and prayer.

Last fall a mission study institute was held under the direction of Mrs. Carlton Prickett and Mrs. John Poindexter, our mission study directors. Information gained from such an institute helped our churches to faithfully present our foreign mission series of books, thus increasing our Lottie Moon Christmas offering.

Mrs. Earl Harden and Mrs. Dan Smith, were busy in YWA activities. In November an Associational mission study session was held with 65 girls in attendance. In February a fine group of young women were in attendance at the YWA banquet held at First Church Graham. In July, Mrs. Harden took four young women to Caswell for the YWA Conference. In August, 35 young women attended the YWA house party held at Wake Forest College. This proved to be a highlight for those who attended.

In March the annual session was held with the First Church Hillsborough as hostess. Around 300 women and young people were in attendance at this session. Mrs. Grover Vaughan, the out-going president, presided at the meeting and introduced the missionary speaker, Mrs. Gene Phillips of Rhodesia. The messages of Mrs. Phillips challenged the hearts of the women to give themselves fully to the task at hand. At this meeting, Mrs. H. O. Lanning of Edgewood Church was elected to serve as president of the Associational WMU Organization.

May is the month highlighted by Girl's Auxiliary. The outstanding feature was the G. A. Rally. Around 400 girls were in attendance at this meeting which was held with Cane Creek Church. For the first time separate meetings were held for Juniors and Intermediates. Miss Rebecca Crawford and her assistant planned well for this meeting. Mrs. Phillips also spoke to the girls at these meetings, pointing out that our behavior here, affected greatly the cause of missions around the world. In August 107 Junior girls attended the Associational G. A. Camp held at Lakewood Camp in the Piedmont Association. Mrs. D. G. Smith assisted Miss Crawford in the camp. Mr. and Mrs. Bill Mitchener, world travelers, were guest speakers on the Tuesday night of camp, while on Wednesday, a Japanese couple, Rev. and Mrs. Takashi Yoshizu were guests of the camp.

August was meaningful to Sunbeam groups, because this was when they observed their focus week by having a day camp for 8 year old boys and girls. 138 boys and girls were present for the day's activities planned by Mrs. Glenn Holt, the Sunbeam leader, and her assistant, Mrs. Raymond White. Mrs. Bill Mitchener also showed pictures of her world travels and talked to the boys and girls.

August was a very special month for our women also, as many from our Association was in attendance at WMU Week in Ridgcrest. Mrs. Jack Clark planned a very profitable Prayer Retreat held with the Antioch Church. Attendance was more than doubled at this meeting from the previous year.

The year has quickly drawn to a close, but plans are in the making for an even more exciting and worthwhile program. The new year will find the Executive Board spreading out over the Association to meet in various church groups, thus widening their scope of concern and the interest of the women.

In November to give emphasis to our Week of Prayer for Foreign Missions, Mrs. Carlton Prickett together with Associational leaders of every organization have

planned an Associational-wide missions night. Two pastors who, within the past year have visited Brazil, will bring to this gathering their experiences of days shared with Brazilian Baptists. Youth leaders are planning for classes for each age group. This is a first of its kind, and we look forward eagerly to such days of refreshing through God's leadership in our every effort.

Respectfully submitted,

Mrs. H. O. Lanning, President

**REPORT OF ORDINATION COMMITTEE**

Two young men within our Association were ordained into the Gospel ministry this year. The Ordination Committee of the Association examined these young men and recommended to their respective churches that they be ordained.

LaVan Modling, Jr., was ordained on Sunday evening of March 21st in the First Baptist Church of Hillsborough, where he is serving as the Associate Minister.

This was a beautiful and impressive service. Rev. Glen Holt, pastor, First Church Hillsborough, brought the charge to the church. Dr. Stewart Newman, Southeastern Seminary, gave the charge to the candidate, along with the message of the hour. The Bible was presented to Rev. Modling by Mr. Bill Kennedy, Chairman of Deacons, First Baptist Church of Hillsborough.

Other people participating in this ordination service were as follows: Dr. Ronald Crossley, Rev. Lauton Petit, Episcopalian Minister, Hillsborough; Mr. Wade Massengill, Minister Music, First Church Smithfield; and Rev. James Wade, Minister, First Presbyterian Church, Hillsborough.

Rev. Ronald L. Clapp was ordained into the Gospel ministry on July 18th by the Swepsonville Baptist Church upon the recommendation of the Ordination Committee. Brother Clapp is presently a student at Southeastern Seminary.

Dr. Donald Keyser brought the ordination message. Charge to the candidate was given by Dr. Van Murrell, Campbell College. The ordination prayer given by Rev. Roy Cantrell, Pastor, Swepsonville Baptist Church.

The Bible was presented by Elmer Lee Phillips, Chairman of Deacons, Swepsonville Baptist Church. Mr. Coby Williams sang. Mr. Cecil Everett represented the Ordination Council and the church.

Let us pray that more of our young men will answer God's call to the Gospel Ministry.

Respectfully submitted,  
Richard L. Park, Chairman

## Historical Sketches of Mt. Zion Churches

---

Brief histories of Mt. Zion Churches are recorded in the Minutes of the years as herewith listed. The Association Historian suggests that every church in the Association have copies of the Associational Minutes bound every ten years and keep them in the local church libraries. This will make the Minutes of the years available to all the churches, and those bound volumes will grow more valuable with each passing year.

Although our Association has had Historians almost from the date of its organization still the Clerk was not able to find the history of any church recorded in the Minutes until 1921. Just why the sketches of other years were not recorded in the Minutes is inexplicable.

At the 1874 session of the Association it was decided to elect a Historian annually, The Minutes of 1875 record that "The report of the historian was adopted and ordered to be recorded in the "Books of Records of the Association." No trace of this book exists. The historical sketches from 1921 are shown in Minutes as follows:
